### Bee-Keeping

In order to increase the interest in and knowledge of honey bees, H. B. Durost, Provincial Apiarist, is making arrangements to place Denomination hives of bees in schools throughout the province.

The Denomination Hive will be a narrow hive with glass sides so constructed that the bees can be seen at work at any time. The hive will be placed in a window and so arranged that the bees will be allowed to carry on all the work of any ordinary hive. The pupils under the direction of the teacher will be allowed to observe all the various phases of bee life, including comb-building, wax-production, queen-raising, egg-laying, etc., etc.

As a study of insect life, the honey-bee makes one of the best subjects. The intelligence, industry, and perseverance of this insect has been the admiration of ages. No other insect, in fact, no other animal, exhibits such a wide range of almost human attributes. Teachers who are experiencing difficulty in awakening an interest in Nature Study should lose no time in getting into communication with Mr. Durost and urging him to place such a hive in his or her school.

Miss B. M. Harron, of Debec, made a brief visit to her friends here on Friday.

### Is Your Baby A Good Baby

Mothers, ask yourself the question: Is your baby a good baby? If not he is not well, for it is the nature of all babies to be good—only the sickly baby is cross and hard to mind. If baby is cross and cries continually give him Baby's Own Tablets and he will soon be happy again. The Tablets act as a gentle laxative, regulate the bowels, sweeten the stomach and cure all the minor ills of little ones. Concerning them Mr. J. P. Richard, St. Norbert, N. S., writes: "I have found Baby's Own Tablets all that is claimed for them. My baby suffered from his stomach and bowels and the Tablets cured him." They are sold by all medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

### Mrs Carleton Turner,

On the morning of Jan. 23th., 1914 Mrs. Carleton Turner, of Connell, Carleton Co., who has been confined to her bed with heart trouble during the greater part of the last three years, went to her heavenly home, at the age of seventy-six. Although her sufferings were great at times, and especially so at the last, yet her faith and trust in her Saviour remained firm, and her hope of a bright and glorified existence beyond this life, free from pain and sorrow, where no good-bye's would ever be said, was an inspiration to her many friends who visited her during her long illness.

Her words of counsel and cheer will long be treasured, and her influence long be felt by those whose privilege it was to know her. Of her it will be truly said "Though dead she yet speaketh." Hers was an unselfish and quiet nature which sought not her own, but lived for the good of those she loved, and her love was not confined merely to her own family. She had a deep interest in every good work for the benefit of humanity, and especially in the Missionary cause both home and foreign. In the United Baptist Church (formerly the F. C. B. church of which she was a member, and of which her husband has been Deacon for more than forty years, she, with him was a tireless worker, and a devoted teacher in the Sunday School, all through the years of their married life of which they celebrated their fiftieth anniversary about three years ago. Church and Sunday School have shown their love and appreciation, from time to time in many ways.

Her funeral service was conducted by the Rev. Mr. McLuckie, pastor of her church, and attended by a large number of mourning friends and relatives. Her casket was covered with beautiful flowers contributed by neighbors and by relatives in St. John, Fredericton and Victoria Corner.

Besides two sisters, Mrs. McLeod, of St. John, widow of the late Rev. Dr. McLeod, and Mrs. Margrey Grey, of Mattawankeag, Me., the deceased leaves to mourn their loss, her husband and one son, Fred Turner, and four daughters, Mrs. J. N. Perry, Mrs. O. N. Miller, Mrs. J. A. Grant and Miss Mary Turner at home, who tenderly cared for her through her extended illness.

Miss Wandlass, Fredericton, is the guest of her sister, Mrs. Arch McLean.

### Frank E. Shea.

A somewhat tragic death occurred on Monday morning last when Mr. Frank E. Shea, C. P. R. operator at Mission City, dropped dead a few minutes after 8. a. m. He had what is known as the "first trick", relieving Mr. Chantler, and had just signed the register for "on duty" when he sank to the floor. The doctor was immediately called but life was extinct.

Mr. Shea was a fine railroad man and very popular both up and down the line, being of a courteous disposition, he was ever ready to oblige, or to lend a helping hand to the needy, and his sudden demise came as a shock to all who knew him.

The deceased was 47 years of age, and had worked for the company for some years, both at Agassiz and New Westminister Junction, before coming to Mission City. (He was a native of New Brunswick.)

He leaves a wife and two children residing in Mission City to mourn his demise, besides three sisters, Mrs. McKee, Bellingham; Mrs. Guberson Kent, Wash.; Mrs. Stevens, Seattle, and three brothers, Messrs Smith and Charles Shea, of Bellingham; and Mr. Warren Shea, of Mt. Vernon, Wash.

The funeral took place on Wednesday and was largely attended by sorrowing friends and relatives. An impressive service was held in the Methodist church, conducted by Brigadier Green, of the Vancouver Salvation Army Corps of which the deceased was a prominent worker. Rev. Mr. Ewing, pastor of the church, and Rev. J. T. Conn, of the Presbyterian church, also assisted and spoke feeling of the many good deeds accomplished by the deceased.

The pallbearers were Messrs Cox, Philcox, Fraser, Galliford, L. Thomas and F. Gibbard.

Among the many beautiful floral tributes which literally covered the casket were:

Two wreaths from the Order of Railway Telegraphers; Wreath, Mr. and Mrs. Corbett and family, New Westminister; Spray, Mr. and Mrs. Blanchard; Spray, Mr. and Mrs. Eagle, Hammond; Miss Vida Abbott, Cut Flowers; Wreath, Mr. and Mrs. Bates and family; Spray, Mr. and Mrs. Purdy, Vancouver; Wreath, Mr. and Mrs. J. E. Wright, Vancouver; Bouquet of Lillies, Mr. and Mrs. Franks, Vancouver; Mrs. Blazon, potted plant; a Wreath from the Methodist Sunday School; Wreath, Mrs. Philcox;

### Robert Hull

Many friends will regret to learn of the death of Robert J. Hull, which occurred Wednesday evening, Feb. 18th., at 10 o'clock, at his home on Elm Street, after an illness lasting nearly a year. He received a paralytic stroke about a year ago and recovered sufficiently to attend work, when a few months later he took another stroke from which he never recovered. He was born in January, 1847, at Canterbury, coming to Woodstock 25 years ago, where he did a large shoe making and repair business. Mr. Hull united with the Baptist church at Canterbury when 16 years of age, and was a member of the Baptist choir here for 15 years. He is survived by his wife who was a constant and faithful attendant during his illness, and two sisters, three half sisters, four half brothers, one daughter, Mrs. Walter Cogger, and six sons, James, Clyde and Wendell of this town; Robert of Presque Isle; Frank of New York; Lester of Calgary.

Deceased had a legion of friends in all walks of life, clean in his habits, honest in his conviction and loyal to principle in all the relations of life, he was a man worthy of the high respect in which he was held. A most commendable trait of his character was his love for his home and family for they were always first in his thoughts.

The funeral service was held Friday afternoon, the Rev. Mr. Berrie officiating, and the Baptist choir rendering the hymns. Interment was in the Methodist cemetery. The pall bearers were three sons, James, Clyde, Robert and son-in-law, Walter Cogger.
