And Other Points.

V. B. HOWARD, D. P.A., C. P.R., ST. JOHN, N. B.

Victoria School.

Following are the averages made by the pupils of Victoria School on the examinations held the last two teaching days of February:—

Grade V. A (Grade IX Graded Course)

Ada Boyer 86.2
Hazel Birmingham 83.4
Helen Oliver 79.6

Grade V. B.

Pearl Albright 78.7
Aubrey Albright 59

Grade IV. A

Albert Boyer 77.2
Mildred Cook 76.5
Hope Somers 72.2
Lizzie Cook 66.3
Harry Dickinson 66.
Charlie Oliver 64.

Grade IV. B.

Kathleen Albright 92.6

Grade III. A.

Sadie Haywood 80
Birket Letson 78.5
Ralph York 71.
Edgar Haywood 67.5

Grade III. B.

Donovan Jenkins 86.
Israel Boyer 69.
Della Baker 58.5

Grade II

Mary Birmingham 97.5
Mary Albright 96.
Basil Hoyt 96.
Frank Boyer 95.
Philip Jenkins 95.
Medelene Oliver 93.
John Albright 87.5
Charlie York 60.

Grade I

Fred Jenkins 95.

Helen E. Harper,
Teacher.

At 60 Years Of Age THE KIDNEYS NEED HELP

GIN PILLS give them the strength of youth.

50 Broad Street House, London.
I bought some of your GIN PILLS at Victoria, B.C. last September. I made inquiries in New York on my arrival there but was unable to obtain any information about them. Your remedy, I find at 60 years of age, to give me perfect relief and I regret very much that you have not made arrangements to have GIN PILLS on sale in New York and London, as I urgently recommend GIN PILLS to friends of my age as being the one thing that does me good.

E. G. WOODFORD.
If your kidneys need help, strengthen them and keep them well with GIN PILLS, the guaranteed cure for Weak Kidneys, Pain in the Back, Bladder Trouble and Rheumatism. 50c. a box—\$6 for \$2.50—money back if they fail to relieve. Sent on receipt of price if your dealer does not handle them. Sample box free on request. National Drug and Chem. Co., of Canada Limited, Toronto.
National Lazy Liver Pills are a sure cure for Constipation. 25c. a box. 200

BATH

March, 9th, 1914.

The farmers are busy hauling in their potatoes, and the market prices paid here arrange about \$1 15 per bbl. If the warm weather continues very long, which is now usual for the season at this date, the snow roads will soon be done, and thus the rush at the present time and yet large quantities of the product still are to be shipped. The long cold winter hindered the farmers that live beyond five or six miles from hauling their crop.

Greater preparations are being made up here for next year and farmers are purchasing fertilizer at least one third more than any former year for next crop.

The produce merchants here who handle this product are Messrs. Bohan Bros. and C. E. Gallagher Co.

Dr. C. Fraser McTavish of St. John gave his lecture on Temperance here to night to a fairly good audience.

Rev. Mr. Ross occupied the Methodist Church here yesterday at eleven A. M. and being the first Sunday in the last quarter of his year up in this section, Rev. Mr. Amos filled his appointments except Beechwood yesterday.

Mr. Cameron of the Bank of Commerce spent Saturday at Bristol.

Edgar Kilpatrick of East Florenceville was a caller here on Monday.

Mrs. Wm Amos and daughter Miss Charlotte Amos were visitors at Florenceville on Monday.

Stanley K. Smith representing the Telegraph publishing Co of St. John N. B. was here today in the interest of that paper and met with a good measure of success. The Telegraph is always a welcome visitor and with very many here now a necessity.

The farm buildings of Hezekiah Demerchant of Wicklow were destroyed last evening, loss covered by insurance.

Pupils Enrolled: 38, Average, 34.55, Percentage, 90.9.

Perfect Attendance: Edith Ellis, Gretchen McGibbon, Annie Gunter, Oscar Hemphill, Bessie Gunter, Ruby Mercer, Chauncey McDonald, Edwin Hand—8.

WALTER S. DALEY,
Principal of Broadway.

Spring Blood is Watery Blood

How to Get New Health and New Strength at This Season

Spring ailments are not imaginary. Even the most robust find the winter months most trying to their health. Confinement indoors, often in overheated and nearly always badly ventilated rooms—in the home, the office, the shop and the schools, taxes the vitality of even the strongest. The blood becomes thin and watery and is clogged with impurities. Some people have headaches and a feeling of languor. Others are low-spirited and nervous. Still others are troubled with disfiguring pimples and skin eruptions, while some get up in the morning feeling just as tired as when they went to bed. These are all spring symptoms that the blood is out of order and that a medicine is needed. Many people take purgative medicines in the spring. This is a serious mistake. You cannot cure yourself with a medicine that gallops through your system and leaves you weaker still. This is all that a purgative does. What you need to give you health and strength in the spring is a tonic medicine that will enrich the blood and soothe the jangled nerves. And the one always reliable tonic and blood builder is Dr. Williams' Pink Pills. These Pills not only banish spring weakness, but guard you against the more serious ailments that follow such as anaemia, nervous debility, indigestion, rheumatism, and other diseases due to bad blood.

Mrs. Freeman Leslie, Greenwich, N. S., writes:—"We have found Dr. Williams' Pink Pills the very best family medicine there is. I was completely run-down and could not sleep or do my work. I was very nervous and the least sound startled me. I began using Dr. Williams' Pink Pills and they soon brought me back to the best of good health. They also cured my husband when he was suffering from a severe attack of rheumatism."

If you are ailing this spring you cannot afford, in your own interest, to overlook so valuable a medicine as Dr. Williams' Pink Pills. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

BEEF UP TO A DOLLAR A POUND IN FEW YEARS?

Winnipeg, March 14.—Addressing the Winnipeg Advertising Club, W. R. Ingram, of the Swift Canadian Company, said the price of beef in Western Canada would be up to a dollar a pound in a few years, if conditions were not changed. Ingram defended the packers against the charge of responsibility for the high cost of living. Western Canada stood at the top of the list as a meat-eating country, and against this stood the fact that Western Canada daily faced an increasing population without an increasing supply of live stock.

DIPLOMATIC PROTESTS AGAINST GERMANY.

LONDON, March 14.—A Berlin despatch says that several European governments, led by Russia, are making diplomatic protests against Germany imposing a war tax on incomes from property owned by their nationals in Germany. The protest pleads treaty rights in support of the contention.

Montreal voters in the civic elections will be asked by the Dominion Alliance three questions: Are you in favor of, and will you vote for a judicial investigation of the police administration? Will you work for the proper and systematic enforcement of the license law, and all laws governing public morals, by the police? Will you support the absolute suppression of all houses of ill-fame by the police, as opposed to the system of occasional raiding and prosecuting which now obtains?

Fredericton's City Clerk Very Ill.

Fredericton, March 14.—A sudden attack overcame City Clerk J. W. McCready last evening, just about the time the first meeting of the new City Council was to have opened, and the meeting had to be postponed. It was found that the clerk's mind was affected by his illness, and instead of reading the oath of office to the alderman-elect for Kings ward, he started to read some evidence of an old city suit.

He was taken to his home where he soon went into a semi-conscious state, and remained that way throughout most of the night and today. At noon it was said that Mr. McCready's attack was at first thought to have been paralysis of the brain, but now it is said to be the result of a clot of blood forming on the brain. His illness is said to be somewhat similar to that from which the late Mr. W. T. Whitehead suffered, and while it may not have any immediate fatal result it is doubtful whether he will ever recover from its effects sufficiently to take up active work again.

Born In New Brunswick

Almost A Centenarian.

Houlton, March 13.—Mrs. John W. Scribner, of this town, who has just passed her 97 birthday, is one of the most remarkable women in Maine. Despite her years, she has never worn glasses and can still see plainly, even at a long distance.

Her hearing is acute and her memory quite remarkable, even for a much younger woman. She broke her hip a few years ago, but the bone has knit, so that she can walk about the house and visit her neighbors with the aid of a cane.

Mrs. Scribner, whose maiden name was Sarah Blizzard, was born at McDonald's Point, Queens County, N. B., in 1817. In October, 1839, she was married to Mr. Scribner. They lived in St. John until 1850, when they moved to Fredericton. From there they went to Queensbury, Bear Island.

In 1882 Mr. and Mrs. Scribner came to Houlton, making their home here with their son William. In 1885 Mr. Scribner died, but Mrs. Scribner still lives with her son. She was the mother of thirteen children, six of whom are still living. She still enjoys her knitting.

Mrs. Scribner's mother, Mrs. Amy Blizzard, lived to be 107 years old and was the mother of sixteen children, eight sons and eight daughters.

If you are a Family Man

you should save part of your earnings. There's no telling when a severe sickness may lay you up, or you may find yourself out of employment. Have you made provision for your family in such a case? An account in our Savings Department would be an emergency fund which will grow into a tidy investment for the benefit of those dependent on you.

Enormous Shipment

Of Grain Last Year.

Fort William, Ont., March 14.—The enormous total of 222,547,869 bushels of grain were shipped from the elevators at Fort William and Port Arthur, during the year 1913 by lake route and the all rail routes.

Of this total 155,030,772 bushels were shipped from Fort William elevators, and 67,517,097 from Port Arthur elevators. Wheat shipments amounted to 144,445,139 bushels.

Lift Restrictions As To Vaccinations

Niagara Falls, Ont., March 14.—Mayor Dores desires the authorities at Ottawa to lift the restrictions as to vaccinations now that the ban has been lifted at Niagara Falls, N. Y., in connection with the recent smallpox epidemic.

YOUNG'S COVE ROAD

March 10th 1914.

We had service in St. Luke's Church on Sunday 8th. Rev. A. C. Fenwick, of Hampton, officiated, and the people were greatly taken with him, we not having any Rector since Rev. G. Edgar Tobin went to Campbellville. I believe the Rev. Mr. Tobin is not at all well.

On yesterday afternoon March 9th, the remains of Mrs. Jas. B. Wiggins was laid at rest in St. Luke's cemetery Young's Cove. The deceased lady was taken with pneumonia on Tuesday and died on Saturday evening. A short notice indeed. Besides her sorrowing husband she leaves one sister Mrs. David Fowler, of Washademoak, and two brothers Frederick of Minnesota and Richard of Maine. Also eleven children five sons and six daughters, the sons are: Elezer and Hiram of Arizona, Edward of Washademoak, Charles and Arnold, of Wiggins Cove; Mrs. Geo. Wiggins of Peniceton Mass., Mrs. Arthur Walden, of Washademoak, Mrs. Wm. Kennedy of Waterborough, Mrs. Geo. Kelly, of Whites Cove, Mrs. Geo. Lynn, of Washademoak and Beattie at home. It was one of the largest funerals seen here in a long time, as the deceased had many friends and few if any enemies. Rev. A. C. Fenwick officiated.

Mrs. Benjamin Fanjoy of Bellenden, an old lady also Mrs. Henry Wiggins, are dangerously ill.

We are having fine travelling and have had most of the time since Dec. 24th, last, plenty of snow and not too much.

Our lumbermen are about all home from the woods.

Mrs. Charles Wiggins had a quilting party last week, but being lent, the young people did not enjoy a dance.

Word was received yesterday that an old gentleman, native of Young's Cove, but living in Fredericton or vicinity, by name of Thomas Gilbert, had passed away. I believe he was near the century mark, as his father and mother were about that age when they died.
