### PLASTER ROCK.

Sunday Feb. 22nd, was a very successful day in the history of the Baptist Church, Plaster Rock, when the debt which was nearly (\$500.00) five hundred dollars was paid. Nearly all of this amount was realized in cash the balance in five and two dollar pledges made payable before the first of May. Rev. W. J. Hurlow, of Tracys Mills, was the preacher of the occasion and his sermons were highly spoken of and greatly appreciated by all who heard him. The Pastor, Rev. C. S. Young, is receiving congratulations for the grand success he has had during his care of this church. Mr. Young has been in charge two years and three months. The debt when going to Plaster Rock was over seven hundred dollars. Mr. Young speaking Sunday night, remarked how the people had struggled and he thought the balance could be raised if people would only dig deep into their pockets and give, which would be far better than any plan they could conceive to raise the balance. Better than a church supper which brought very little into the treasury in fact he said church suppers were the means of killing a lot of women by over work which can be seen in the early history of this church.

If the spirit of giving would impress men to give as they gave Sunday Feb. 22nd, in Plaster Rock the church treasury would be full. Home and Foreign Missions, taht never suffer and the Pastors of Churches would have a five dollar bill in their pocket for a change. In fact ministers of the gospel could pay their debts, and God would honor his people. Remember it is more "Blessed to give than to Receive." William Cogswell of Fort Fairfield was a welcome visitor to these services and no doubt some of his remarks impressed people to give. The meeting closed by all joining in singing, "God be with you till we meet again."
