W. B. HOWARD, D. P. A., C. P. R., ST. JOHN, N. B.

New Settlers For New Brunswick.

St. John, April 17.—Fifty new settlers for the province arrived yesterday some coming on the Royal Edward and others on the C. P. R. boat. In the party were a number of men with considerable money, who will take up farm, as soon as they can determine on a satisfactory location. It is estimated that the immigrants arriving during the last two days brought out with them \$35,000.

Immigration officials say the class of people coming to New Brunswick are of a very desirable kind. Many of those who have come out lately have been men with large families, and it is believed this is a good class of people to get, as they are more likely to remain in the province than young men who, having no particular burdens are apt to move on to the westward as soon as they save a few dollars. The man with a family cannot move about readily; he spends his earnings on his family to the advantage of business men; and his children are likely to be come attached to the province and stay here.

Nervous Diseases In The Spring

Cured by Toning the Blood and Strengthening the Nerves.

It is the opinion of the best medical authorities, after long observation, that nervous diseases are more common and more serious in the spring than at any other time of the year. Vital changes in the system, after long winter months, may cause much more trouble than the familiar spring weakness and weariness from which most people suffer as the result of indoor life, in poorly ventilated and often overheated buildings. Official records prove that in April and May neuralgia, St. Vitus dance, epilepsy and other forms of nerve troubles are at their worst, and that then, more than any other time, a blood-making, nerve-restoring tonic is needed.

The antiquated custom of taking purgatives in the spring is useless, for the system really needs strengthening, while purgatives only gallop through the bowels, leaving you weaker. Dr. Williams' Pink Pills are the best medicine, for they actually make the new rich, red blood that feeds the starved nerves, and thus cure the many forms of nervous disorder. They cure also such other forms of spring troubles as headaches, poor appetite, weakness in the limbs, as well as remove unsightly pimples and eruptions. In fact they invariably bring new health and strength to weak, tired and depressed men, women and children.

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Breckville, Ont.

Havoc Feared When The Ice Runs Out

Fredericton, April 21.—The St. John River is clear of solid ice this afternoon the entire distance from Grand Falls down to Bear Island,

about 22 miles above Fredericton. Ice has been running as far down as the head of Macquiac Island, 14 miles above this city. A tremendous jam has formed there and extended at noon to-day as far up the river as Bear Island. This big jam is already eight miles long, and a tremendous pressure of ice running the entire length of the river as far as Grand Falls with a heavy current behind it, is expected to cause the ice on the lower river to make a move at an earlier date than expected.

Those who keep tabs on the water and ice at this season of the year, were surprised this morning when word reached here that the ice had been running throughout the night from Grand Falls down to such a short distance above Fredericton.

The Log Driving Company's preparations for handling the early run of logs are about completed and the company are ready to hang their booms just as soon as the ice moves out.

The water in the river here has come up 36 inches since Sunday afternoon, and is now at about the usual freshet height at which the ice runs out. Last night the water was rising at the rate of an inch an hour, but with colder weather this was reduced to half an inch an hour this morning. With the ice still fairly heavy and solid here, and a snowfall ranging from four inches here to as much as two feet at the headwaters of the St. John River, there is every reason to expect that the ice will not go out without creating unusual havoc.

The ice is later in running out here this year than in any year since 1908, when the date was April 23rd. It had been generally thought that the ice would not go out here before the end of the present week or early next week, but today's developments make it evident that an ice run is likely at any time.

A report from up-river this morning was that the ice in the Reach had shifted during Monday afternoon and that there is a possibility of it running out at any time. The first steamer to go up river this year will be the Champlain. She is all ready to sail as soon as the river is open. She will probably go as far as Georgetown. Some up-river reports are:

Andover—Northwest winds, clearing water raised two feet, still rising.

Woodstock—About three inches of snow fell here last night; cloudy to-day, but clearing; northwest winds; heavy run of ice in the river this morning; water raised two feet during the night.

Fredericton—Snowed about three inches since last night and is still snowing quite hard. No change in the river.

CENTREVILLE

George Reed, of North Centreville, passed to the spirit land last Friday night. He had been a sufferer for many years with Asthma and tho every available reasonable means was made use of, yet no permanent relief resulted. He was laid to rest in the Methodist Cemetery on Sunday afternoon, Rev. Mr. Penna conducting the services. He leaves to mourn three brothers and one sister, a daughter and two sons.

James D. Page, of Williams-

town, died on Saturday morning of Tuberculosis. His cousin John A. Owens, of Royalton, some days ago visited him and seeing the need of his services in the home remained until the end came. Mr. Page leaves behind him an aged indulgent mother, now sick in bed, and a wide circle of friends to mourn their loss.

Mr. George Gregg is on the sick list and a number of others are afflicted by the prevalent disease cholera.

The first thunder shower of the season passed over the village last Sunday evening. The electric flashes were very bright and the thunder heavy; but the storm was of short duration.

There is a considerable preparation being made for building in and around Centreville.

The farmers are also preparing for an increase in potatoe raising and are not heeding the prophetic utterances made by those opposed to the building of the St. John Valley Railway; but divine writ instructs us to "Beware of false prophets."

Word has just reached your correspondent that Mr. George Gregg has passed into the life that has no ending. One of the very best of Centreville's most respected citizens.

RICHMOND.

Miss Cora Bull left Monday for St. John to attend the meeting of the W. A. in connection with the Anglican Church.

Mrs. L. M. Bull who spent the winter in Houlton, has returned to Richmond.

Mrs. Lewis Purrington, who has been quite ill, is better. If she lives until summer she will be 88 years old.

"MY KIDNEYS HURT ME ALL THE TIME"

Gin Pills Cured Them. Free Sample Box Leads to Cure.

Only those who have been tortured with Kidney Trouble can appreciate how Mr. Trumper suffered. Being a railroad man, he was called upon to do all kinds of heavy work. The constant strain of lifting, weakened the kidneys.

I received the sample box of Gin Pills and was greatly benefited by them. My kidneys were in such bad condition I could not lift or stoop without pain. In fact, they pained me nearly all the time. I have taken three boxes of Gin Pills, working all the time at heavy work on the railroad and did not lose a day.

FRANK TRUMPER, Napanee, Ont.
 Do sharp twinges catch you as you stoop? Are you subject to Rheumatism, Sciatica or Lumbago? Does your Bladder give trouble? Take Gin Pills on our positive guarantee that they will cure you or money refunded, 50c a box — 6 for \$2.50. At dealers, or direct if you cannot obtain from druggist. Sample box free if you mention this paper. National Drug and Chemical Co., of Canada, Limited, Toronto. 174

BORN

MANUEL.—At the Manse, Florenceville, on Friday, April 17th., to the Rev. M. H. Manuel and Mrs. Manuel, a daughter.

JEWETT.—At Woodstock, on Sunday April 19th., to Mr. and Mrs. Harry Jewett, a daughter.

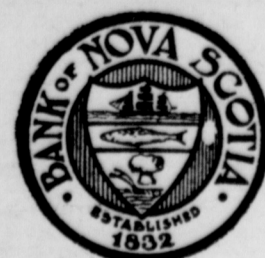

BERRIE.—At Woodstock, on Saturday April 18th., to the Rev. A. C. Berrie and Mrs. Berrie, a daughter.

MARRIED

KINNEY—GRANT.—At the Manse, Woodstock, on April 15th., by Rev. Frank Baird, Garfield James Kinney, to Maud Beatrice Grant, both of Bath

DIED

WILLIAMS.—At the home of his daughter Mrs. Allison McCain, Florenceville on Monday April 20th., Mr. John Williams, aged 89 years.

Small Deposits Welcome

If you wish to start a Savings Account do not hesitate because you have only a small sum to begin with; you will be welcome at our office. Some of our large accounts began as deposits of \$1. It is our aim to have customers come to us with the feeling that we will attend to their business with pleasure.

Isaiah Hickey

The death of Isaiah Hickey occurred at the home of his son, Randolph, at Nackawick, Tuesday, April 14th.

Mr. Hickey was 88 years of age; he had been in poor health nearly all winter.

He leaves to mourn their loss three sons, Randolph at home, Isaiah and Henry both of Maine, five grandchildren and a large circle of friends.

Mr. Hickey professed religion and was baptized under the labors of Rev. Samuel Hartt, sr., and joined the Free Baptist church at Campbell Settlement in 1856 in which he remained a member until 1910 when there was a United Baptist church organized at Nackawick by Rev. A. A. Rutledge of which Mr. Hickey was a charter member and was a faithful worker until his death. He will be much missed in the church and community where he lived.

The funeral was conducted by Willie Trail. The officiating minister was Rev. L. R. Foster, of Dowville. The text was 1 Cor 15:3 Prayer was offered at the church by Rev. Allan Stairs. The scripture that was read was 14 chapter of St. John and the ninetieth psalm. The hymns were 'Sometime We'll Understand', 'In That City', and 'I'm Going Home'. Interment was in the Macfarlane cemetery.

YOUNG'S COVE ROAD

April 20th., 1914.
 For the last two days our snow is disappearing very fast, although winter has lingered long and fierce.

Our spring birds have come to cheer us with their song.

Although the ice in Grand Lake has not given any sign of taking its departure it will yield before the strong rays of the sun.

On April 16th., 1913 our good old steamer May Queen visited White's Cove, and April 20th., navigation clear the whole route.

The students from U. N. B. and Normal School with the teachers of schools took their departure on Tuesday last, that is, those who were home for Easter holidays. Among them were Miss Alma K. Gale, of U. N. B., Miss Morna Gale and Miss Gertie Wasson of Normal.

Charles H. Wiggins, of Wiggins Cove, has a fine green house erected which will be a great boon to this place for early vegetables.

We had quite a fierce snow storm on Thursday last, but the snow has nearly all gone and a lot more with it.

The remains of Capt. William J. Gale was brought up from St. John by train on Tuesday 14th., and conveyed to Young's Cove Methodist cemetery and laid beside those of his family, that preceded him. Revd. Mr. Rowlands officiated and preached a very fine sermon from text Rev. 31 and 5 Behold! I make all things new.

Leo Kelly is selling off his stock and intends going to Worcester in the near future.

C. H. Mott bought a fine cow and calf from John McCain for \$40.

Mrs. Arnold Wiggins had an old fashioned quilting on Thursday last. Among those present were Mrs. Wm. Slocum and Mrs. E. F. Dyer, the Misses Cera and Eva Mott and Miss Stella Wiggins.

Several chain letters have been going the rounds of late. I think its time such correspondence was done away with for the benefit of all concerned.

One of the heaviest electric storms of years passed over here last night between 10.30 and 2 a. m. It seemed to

come from west, south and northeast. Some very heavy thunder with vivid lightning accompanied by a heavy rain. A year ago last evening we had a thunder storm here.

Some days ago Victor V. Wiggins, went to visit his friends in Carleton Co. and Houlton Maine.

Annual Meeting of Anglican Church.

The annual Easter meeting of Christ church parishioners was held Monday. The reports presented were most satisfactory and the financial condition showed a very satisfactory credit balance.

Rev. A. S. Hazel announced that he had received leave of absence for three months to visit his home in England during the summer. A resolution was passed concurring in the arrangement made for supply during his absence and wishing him and his family a happy holiday.

The following church wardens were elected:—J. T. A. Dibblee, G. S. Peabody.

Delegates to Synod: T. C. L. Ketchum, Hon. W. P. Jones, C. L. S. Raymond. Substitutes—F. B. Bull, J. T. A. Dibblee, A. J. Raymond.

Vestrymen: T. C. L. Ketchum, A. F. Garden, W. P. Jones, Allan Smith, C. M. Augherton, F. B. Bull, A. J. Raymond, Geo. W. Ransom, G. N. A. Burnham, Berton Bedell, E. W. Jarvis, H. W. Bourne.

Vestry Clerk—H. W. Bourne.

Suggested Press Notice No. 1

We readily respond to the request of The Salvation Army's local representatives to draw the attention of our readers to the Week of Self-Denial, which commences on Sunday, April 26th. This Annual Appeal is certainly a remarkable illustration of what zeal and system can accomplish. A great deal of The Army's success is due to this yearly effort to raise funds to carry on its good works of mercy, and to extend its operations where most needed. We sincerely hope that friends and admirers in our midst of this great body of workers will liberally give towards the support of its Christ-like labours. It is noticeable that in a very short time The Army has developed a most extensive missionary organization. Its evangelistic efforts have reached all Continents. Its work in India is quite unique, and nothing short of miraculous. An astonishing success has been met with by The Army in Korea, and in varying degrees in South Africa, Japan, and Java, and among other aboriginal people The Army has adopted methods that are likely to bring distinct success. The Canadian wing embraces quite a number of Social Institutions which must be an asset to the country.

A huge movement of this description cannot be carried on, of course, without a great deal of money, and we venture to hope the effort will meet with the success it deserves. Donations may be sent to the Officers direct, or to the Editor.

UPPER KINTORE

April 20.

Correspondent heard the robins yesterday for the first time this spring. So we will look for the snow leaving quite rapidly.

At time of writing there is four feet of snow in the woods, and very little bare ground showing in the fields.

James Findlay of this place is reported to be in failing health. He is in his eighty-fourth year; has lived alone for many years, and is a hardy independent old Scot.

Miss Hazel Sullivan of Sussex is visiting her sister, Mrs. John Martin of this place.

Barclay Bros. have been out in different parts of the settlement with their new gasoline engine and woodcutter.

Miss Rebecca Barclay has been in Woodstock for some time. She is much missed at home and among her colony friends.

Mrs. Chester Marsten of Millinocket and little daughter Constance, were visiting her grandparents during Easter holidays.

Miss Eva McNerlin spent Easter holidays at her home in Kirkland.
