BABY CRIED CONSTANTLY

Mrs. Simon Aumont, Mushka, Ont., says: "My baby was ill and cried continually till I began giving her Baby's Own Tablets. They worked a marvellous change in her and she became happy; gained in weight and all signs of sickness left her. The Tablets are the very best medicine I know of for little ones." Baby's Own Tablets cure all the minor ills of little ones such as colic, colds, constipation and indigestion, etc. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Rev. Wm. Amos and Mrs. Amos and daughter Miss Charlotte attended the Convention of the Maritime Baptists at Fredericton.

The many friends here of Mrs. Belle Peters were very much grieved to hear of her death. Mrs. Peters has been living at the home of her son in Houlton for some years but was at one time a resident here.

CENTREVILLE

Oct. 19 1914.

The Patriotic concert held in the Opera House here last Friday evening was one of which the promoters have every reason to be proud. The house being packed to the doors and standing room was at a premium. Perhaps no entertainment in the past was more heartily welcomed, or to which the people so willingly contributed as this.

Rev. Mr. Williams, was absent from the village last Sunday attending the General Conference in Fredericton.

It is said that the valley Railroad will be handed over to the Government some time during the present week but it should not be until the Crossing on Main Street is made at least passable. If our Road Commissioner has the oversight of this matter, now is the time for him to get busy and see that while one part of the Village road is made to his satisfaction, another part should not be neglected.

Potatoes are nearly all out of the ground, but there are large lots stored in barns and out houses where they are not safe for any length of time at this season of the year as one very cold night might mean the loss of hundreds of dollars.

The Daggett Co. are now at work on the foundation of their new building which they will erect on the site of the one recently destroyed by fire. The Contractor and crew of men will begin operations on Tuesday of this week, lumber will be brought by train and it is expected that the new premises will be ready to occupy at the beginning of the new year.

The prices of food stuffs are still high in the air with little prospect of any reduction, but the people of this section have little to complain of as none are so circumstanced that they shall be deprived of the common necessities of life. Everything raised on the farm com-

mands good prices, and the working man is not bashful in asking pay for his time.

The Centreville Lunchrooms have been closed for the season, and Mr. George Beckwith who lost all his build- ings in the recent fire has moved into that building.

To the two couples recently married, your correspondent tenders heartiest congratulations, and sincerest wishes for long useful and happy lives.
