Presentation.

The members of Brunswick Rebekah Lodge met at the home of Miss Charlotte Allingham, Saturday evening, and through Mrs. Thomas Baker, presented Miss Neva Jackson with an address and wrist watch with monogram. The address was as follows:—Miss Neva Jackson, Upper Woodstock:—

Dear Sister Neva:—It was with mingled feelings of pleasure and sadness that we learned that you had been accepted as an A. M. C. nurse and were leaving for duty on Monday next.

Sadness in losing you even for a short time and in thinking of the sacrifice and privation you will be called on to endure, but great pleasure in that you had been accepted to help in such a noble work, for you will be a practical example of what our beloved order stands for.

We ask you to accept the accompanying gift as a slight token of our love and appreciation, and hope as you mark the time in this watch it may help to cheer the long night watches you may be called upon to endure and be a reminder to you that your sisters and brothers in Brunswick Lodge are praying for your safety and return. We hope this may also be a talisman to protect you from every harm.

Yours in F. L. & T.

COMMITTEE.

War Articles

Worth Following.

The "Witness" articles on the War Situation are appreciated throughout Canada by the best informed people, for their clearness and sincerity, as well as for their fine spirit, breath and foresight.

The Montreal "Weekly Witness" is a truly great national paper. It always has been and still is absolutely owned and edited by Dougalls, Mr. John Redpath Dougall being its editor.

While some papers are notoriously and obviously at the beck and call of predatory interests, there are others, like the Montreal "Weekly Witness," that have maintained their independence. It has never grovelled. It has never flattered. It has never pandered. The "Witness" is its unique self, loved by its friends, hated by its enemies.

During the past three generations it has conscientiously, devotedly and very efficiently, served its country in many ways, notably in its campaigns for Temperance, Righteousness, Religious Liberty, Education, and Lower Tariffs, looking towards lower cost and higher plane of living. If Canada is not yet enjoying to the full the benefits of these things, it is far ahead of many other countries in most of them, and this is due in no small measure to the stand, or more correctly, the splendid campaigns of the "Witness" whenever opportunity afforded. The welfare of the Canadian farmer in particular has always been considered of prime importance by the Editor of the "Witness," and the "Witness" has done yeoman service to agriculture.

Generations of our finest Canadian families have literally been "brought up on the Witness" as many of the most eminent Canadians will testify, and they continue its devoted admirers.

Besides the moral and political aspects of this great newspaper, it has attractive features embracing all the interests of the family and a splendid Farm and Poultry Department. Its short and serial stories are strong and fresh, and they alone are worth several times the price—one dollar a year. To bona fide New Subscribers mentioning the name of this paper, one trial year may be had for only 65 cents, or three months on trial only, fifteen cents. The publishers are, as always, JOHN DOUGALL & SON, "Witness" Office, Montreal.

The "Weekly Witness" has now no connection with any daily newspaper and it is the healthier for it.
