The "SCHNEEFELS," a German  
liner, running from Ceylon to Boston,  
is reported seized at Gibraltar by the  
British. The "SALADA" Tea Co.  
will be greatly embarrassed by this as  
they had a large quantity of tea on her.  
It may be remarked that German lines  
have been doing a big share of the tea  
carrying trade between Ceylon and  
America.

## A Fatal Accident.

Holly Atherton, aged 13, the bright  
young son, of Mr. and Mrs. Frank Ath-  
erton, was accidentally killed on Sat-  
urday afternoon. He was swimming  
in the river near Hayden's mill, with a  
chum named Wright, and having  
dressed themselves they were return-  
ing home over a brow of logs leading

## Fierce Fighting Near Ostend

London, Aug. 25.—An Ostend  
despatch to the Daily News says  
that fierce fighting is in progress  
between Uhlans and Belgian gen-  
darmes in the outskirts of the city.  
It is stated that many wounded are  
being brought into Ostend in motor  
cars.

Ostend, Aug. 25.—An author-  
itative report received here to-day  
declares that the Germans have  
notified the officials of Brussels  
that the city must pay in indem-  
nity of \$10,000,000 within three  
days. The \$10,000,000 is but an  
insignificant part of the total indemnity  
of \$40,000,000 levied against the  
city. It is reported that one in-  
stalment of \$4,000,000 has been paid.

W. B. HOWARD, D. P. A., C. P. R. ST. JOHN, N. B.

London, Aug. 25 (1.30 p. m.)—  
The correspondent at Antwerp of  
the Evening News telegraphed that  
an Zeppelin arship, which flew  
over Antwerp last night was  
brought down by Belgian artillery  
fire at Hemixem, six miles outside  
of Antwerp. The crew of fifteen  
men were taken prisoners. This  
despatch evidently refers to the  
same airship reported earlier in the  
day from Antwerp, as having  
flown over the city last night.

Another despatch from Ant-  
werp says this Zeppelin, before it  
was brought to earth succeeded in  
dropping seven or eight bombs in-  
to Antwerp. One of the houses  
wrecked by these missiles was sit-  
uated only 300 yards from the  
palace of King Albert. Seven  
persons were killed and six serious-  
ly injured by the explosion.  
Some other houses were half de-  
molished by the falling bombs.  
One bomb party wrecked the hos-  
pital of Saint Elizabeth, but for-  
tunately there were no patients in  
the building.

There is intense indignation in  
Antwerp at the attack upon the  
hospital, which was flying the Red  
Cross flag.

We have to face this situation

have to remember that the bat-

burst their way through to  
France.

'We have to remember that  
this is only the first great en-  
counter of a war which plainly  
is destined to be a long one. For  
the allies it is a phase; for the  
Germans it is vital. They are  
dealing their blows with tremen-  
dous vigor, but the issue in Bel-  
gium still hangs in the balance  
in spite of the unfortunate events  
at Namur.

'Whatever be the upshot,  
Great Britain and her allies will  
face the outlook with dogged de-  
termination and continue the  
war until the spirit of Prussian  
militarism is routed out of Eur-  
ope.

'Time fights on the side of  
the allies. With the Germans it  
is neck or nothing, but the  
French and English have every-  
thing to gain by waging a delay-  
ing war.

'While the issue remains un-  
certain we may still maintain the  
stoutest hope. Should it go  
against us, we may remember  
that the allies have not, like Ger-  
many, staked all upon their first  
venture. Our ultimate success  
is certain, and we will never  
sheath our sword until Germany  
has been finally beaten to her  
knees.
