Seeking The German Cruisers

Washington, Oct. 31.—The Japanese Embassy yesterday stated that the utmost effort is now being made by the Japanese navy, with British assistance, to locate and destroy the five German warships which have been preying upon the commerce of those countries since the beginning of the war. Latest accounts report the Scharnhorst Gneissau as cruising near the Peruvian coast; the Leipzig off the western coast of the United States; the Karlsruhe in the Indian Ocean, and the Emden in the Straits of Malacca. The Geier is at Honolulu undergoing repairs.

SEVERE PAINS AROUND THE HEART Are Nearly Always Caused By Stomach Trouble.

Don't let a pain in the region of the heart frighten you into thinking you have heart disease. Just as a pain in the back seldom indicates kidney trouble so pain near the heart is scarcely ever present in organic heart disease. The pain is nearly always caused by stomach trouble for the stomach and heart are connected by many nerves, and gas on the stomach causes pressure on the heart.

The alarming pains will disappear if you tone up the stomach, eat the right things and don't worry. Dr. Williams' Pink Pills for Pale People are the best stomach tonic. One or two Pills after each meal soon produces a healthy appetite, the food does not distress you, you are no longer troubled with gas, sour risings in the throat, and those misleading pains around the heart. Strength and energy return, and the rich, red blood, carries renewed vitality to every part of the body. Mrs. Henry Connolly, Brookvale, P. E. I., says:—"For a number of years I was a great sufferer from indigestion which, despite all the treatment I took, was gradually growing worse. I would sometimes feel as though I was smothering, and when the trouble came on I would suffer from violent palpitation and pains around the heart which greatly alarmed me. I was under doctor's treatment for a long time, but with no benefit. A friend suggested Dr. Williams' Pink Pills and I decided to try them. In about a month I felt much better and by the time I had taken another four boxes I was in the best of health and able to eat all kinds of nourishing food. It is now several years since I was cured and I have never felt a symptom of indigestion since. I take every opportunity of recommending Dr. Williams' Pink Pills to friends who are ailing."

If your dealer does not keep these Pills you can get them by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Louvain.

August 25, 1914.

(By H. D. Ransley, in British Review.)

Nothing can wipe away this dastard stain,

An unforgivable as unforgotten.

Kaiser, on your dark battle-shield this blot

A darker blot for ever shall remain;

Religion, book, carved stone, and storied pane

Pleaded as vainly as the men you shot;

Wherefore our indignation burns red-hot

Above the fiery ashes of Louvain.

And when at last, ambition's bubble burst,

Your mighty nation, honoured by the world

For all its work of philosophic fame, For all it did in learning's sacred name

Languishate, every lip shall then be curbed

And second Attilla's deed accursed

Always Keep Them In The House

That's what Mr. H. J. Eastwood, of Carleton Place, Ont., says about Gin Pills.

"I have taken Gin Pills and find them good for pain in the joints, swollen hands and ankles, and all symptoms of kidney and bladder trouble. We always keep them in the house."

Gin Pills

If there is pain over the bladder—if the urine is hot and scalding—too free or scanty—if the urine shows brick dust deposits or mucus—if there is constant pain in the back—restless sleep and loss of appetite—then you certainly need Gin Pills. Get them to-day and feel better to-morrow.

The Basket Social and concert held at the residence of C. L. Smith by the River Road Belgian Relief Committee, last week, was a great success. Mrs. E. R. Holyoke and F. L. Mooers assisted. The sum of 47.50 was realized.

Allies Now Hold German Positions

Paris, Nov. 3.—That the Germans have definitely abandoned the positions along the left bank of the Yser was the most noteworthy information contained in this afternoon's official communication. It was stated that they have retired from all the entrenched positions that they held as a result of the territory being inundated through the cutting of the dykes and that these positions, especially below Dinant, are now held by the Allies. The German assault on Arras which were repulsed yesterday have all been repulsed, it is stated.

The tumult of battle has rolled back from the Belgian coast, and after the apparent failure of their fierce assault on the English and Belgian lines around Ypres, the Germans evidently are diverting their attack toward a more southerly point.

Much activity on the part of German mobile columns is reported from Belgium and there is evidence to show that the invaders have not yet exhausted all the resources which are being brought to bear in the campaign to cut their way through to Calais.

PIANO CONTEST

A BEAUTIFUL AMHERST PIANO

Please remember—this is not going to be one of those low grade Pianos which you wouldn't buy at any price (if you are well advised). It is an instrument of the highest quality that is constructed, and is costing us a great deal more than some other pianos which we could have put into this competition just as well. You might be surprised to know that we could put in just about two of "the other kind" for what this is costing us. We decided to do this because we are musicians ourselves and want our readers to compare for just such an instrument as we would take pride in owning and using ourselves. We think that the public which we reach will appreciate this fact. Everything else being equal, you would prefer the high grade piano wouldn't you?

You will not have to get your piano out of a catalogue, or from a high flown description, or merely from a newspaper cut, but you can see a piano of exactly the kind we are giving, at the "Dispatch Office, Woodstock. You can examine it and try it. Only this—your piano will be brand new, direct from the Amherst factory, and you will have three different styles of cases to choose from. Inside they are all alike. We want to make this competition something worth working for. Something a little bit different from what a newspaper generally offers.

The "Amherst" is comparatively a new piano, but one of the highest grade pianos made in the Dominion of Canada. The judges at the Toronto Exposition awarded it the best. That is speaking pretty well of a piano made in the Maritime Provinces, isn't it? What more could be said?

There is another thing about this "Amherst Piano." It is the only piano made into which you can put a "player" afterwards if you want to. "Players" are very costly when you have to buy them with a piano. Wouldn't you prefer a piano into which you could put a player attachment later on, at no great deal of money. The Amherst Player, or "Crematone" is a beautiful simple instrument, with several improvements over any other, under more perfect control, easier to operate. The player mechanism is built under exclusive patents, is very compact, and that is why it does not require a special piano to hold it, and it can be placed in the ordinary pianos which the "Amherst" factory turns out. Every Amherst Piano is guaranteed for twenty years, and is the only piano that carries a guarantee for that length of time.

Write to the DISPATCH OFFICE for INSTRUCTIONS and SUBSCRIPTION BLANKS for this CONTEST.
