BASKET SOCIAL.

The girls of St. Luke's Church wish to thank the young men for their kind patronage of the Basket Social Monday evening. Twenty-three dollars was realized. Much credit is due to those girls whose baskets were disposed of at private sale. The Hall was gay with flags and jack-o-lanterns. The baskets were beautifully decorated with flags, flowers and fruit, while their contents were most delicious and satisfying. Hot coffee was served with supper, after which dancing was indulged in and altogether a very happy evening was enjoyed. Owing to an East wind, many who planned to come were prevented.

The Basket Social at Grafton

A most successful basket social was held at Grafton on Oct. 22nd, for the Belgian Relief Fund at which the sum of \$150 was made.

A short program was held at the beginning at which Rev. Mr. Baird gave a very interesting address about Belgium. Solos were also sung by Mr. H. M. Bailey, Mr. Fred Mooers and Mr. Roy Mooers.

The baskets were then auctioned by Geo. McElroy. There was a very pretty display of baskets, many being decorated with red, white and blue flags. The hall and tables were tastefully decorated with flags and bunting.

There was also cake, candy, ice-cream and coffee from which a good sum was made. The people of Grafton intend sending a box of clothing at the same time they send the money.

German Submarines Lay In Wait For Canadian Contingent.

Ottawa, Oct. 27.—That the leading place of the Canadian transports was changed at the last moment from Southampton to Plymouth, owing to the discovery of a flotilla of German submarines off the Isle of Wight is the information which has been received at Ottawa. There is no doubt that the original plans for the Canadians to land at Southampton, where all preparations were made to receive them. Advices from the old, and they are confirmed by reports from Canadian officers at Salisbury, are to the effect that German submarines were discovered off the Isle of Wight laying in wait for the Canadian ships. The Admiralty got in touch by wireless with the flotilla of Canadian transports and they were directed to proceed to Plymouth, where they unexpectedly slipped into the harbor. The havoc the submarines could have wrought among the slow moving unarmoured transports is terrible to contemplate.

CANADIAN PICTORIAL

Canada's Most Artistic and Popular Magazine.

Its pictures pertaining to the war are alone worth the money.

This elegant magazine delights the eye while it instructs the mind concerning the picturesque doings of an interesting and highly entertaining world.

Each issue is literally crowded with the highest quality of photographic engravures, many of them worth framing.

It is the most popular "Pick-me-up" on the waiting room tables of the leading doctors throughout the Dominion, and in the big public libraries it is literally "used up" by the many who are attracted by its entertaining and beautiful pages.

I's a "love at sight" publication and it has departmental features of great interest to the young woman and the home-maker.

Of it—just to quote one man's praise from among thousands—the late Rt. Hon. Lord Strathcona, wrote.

"The 'Canadian Pictorial' is a publication which, if I may be permitted to say so, is a credit to Canada."
