"MEET ME AT SAINT JOHN."

"Meet me at the Saint John Exhibition" is one of the most popular expressions heard in the Lower Provinces at the present time. "Everybody's saying it" and not without reason, for the "Big Show" as it is popularly called, will this year, far surpass all previous efforts. All the space in the big Industrial Building and in the Agricultural Hall has been taken and the entries in the other Departments are coming in fast. The big Midway will surely be a revelation in the amusement line as the entire Midway Privileges have been sold to a New York concern. Saint John will surely sustain its reputation for its fairs.
