## TOWN COUNCIL

## MONDAY EVENING.

The regular meeting of the Council was held on Monday evening June 1st. His Worship Mayor Jones in the chair and all present but Coun. Gallagher.

The monthly report of the treasurer and a number of bills were presented and referred to the audit committee.

The receipts for the past month showed \$2220 while the expenditures were \$2000. The most of the money came in for water services.

On the big defaulters list advertised in the newspapers only \$544.65 were received, and \$11.55 on 1912 taxes.

Coun. Jones moved that the water committee visit the pumping station and examine the intake.

Carried.

A communication from the C. P. R. in reference to the bill for the part maintenance or gates at King street crossing was read.

Referred.

Adjourned.

## FRIDAY EVENING.

Council met at 8 p. m. Present Mayor Jones and a full board.

Minutes of last meeting read by R. P. Hartley.

Confirmed.

Coun. Lindsay called the attention of the clerk to the fact that among the bills going through were some for these who owe taxes, which should be deducted before the money is paid over.

Coun. Gallagher said that the town owns no gravel pit. We are now getting gravel across the river. We can buy a piece of land from the Thomas Allen estate, 155x240 feet, for \$550. We need the gravel which will last us for many years, and we will also have land for our steam roller and crusher. This will be a good investment, because we now pay \$50 a year for land to keep our crusher on.

Coun. Lindsay moved that the matter be left in the hands of the street committee with power to act.

Mr. Loggie Ross was heard before the board. He said that other land owners were thinking of putting a cess pool near his land. The town sewer is only 150 feet away. It seems a pity to have any more cess pools in town.

Coun. Dibblee said that Miss Donaldson, who was to have the cess pool put in, says she would not put in a cess pool if her property could get connection with the

sewers. The cess pool would be a menace to Mr. Ross property. The sewer running nearby should be extended. Coun. Dibblee moved that the matter be left to the sewer committee with power to act.

Carried.

Mr. George Flemming was heard before the board. This matter, he said, was before the board last fall. A retaining wall one foot thick will cost \$125, and he would be willing to pay one half if the town paid the other half. The old plank sidewalk will have to be re-

Concluded on page 4

## Of Interest to Auto Drivers.

Many autoists from this town and vicinity are evidently not aware that there is a Town ordinance in Houlton against automobile drivers using their cut-outs in the town proper. Sunday there were a number of cars started from the square in Houlton, coming towards Woodstock, and used their cut-outs all the way up Main street. Their numbers were taken, but doubtless they were ignorant of such a law in Houlton, and nothing will be done unless this happens again.

Another ordinance is that in turning corners an auto driver must turn a square corner.

## Nervous Children.

The trouble is often really St. Vitus Dance—Do Not Neglect it

Many a child has been called awkward has been punished in school for not keeping still or for dropping things, when the trouble was really St. Vitus' dance. This disease may appear at any age, but it is most common between the ages of six and fourteen years. It is caused by thin blood which fails to carry sufficient nourishment to the nerves, and the child becomes restless and twitching of the muscles and jerking of the limbs and body follow. In severe cases the child is unable to hold anything or feed itself. St. Vitus dance is cured by building up the blood. The most successful treatment is to remove the child from all mental excitement, stop school work and give Dr. Williams' Pink Pills. These Pills renew the blood supply, strengthen the nerves, and restore the child to perfect health. Here is proof of their power to cure. Mrs. Geo. A. MacDonald, Harrington, N. S., says: "My son was attacked by St. Vitus dance; at the out set his muscles would twitch and his step was weak and jerky. We called in a doctor who treated him, but notwithstanding he continued to grow worse and at last grew so bad that he could not hold a cup in his hand, while his head constantly twitched, and his speech became rather indistinct. At this juncture I saw in a paper the cure of a boy from similar trouble through the use of Dr. Williams' Pink Pills. We at once sent for a supply, and in a few weeks after he began to improve, and it was not long after this before he was completely cured, and has never had a symptom of the trouble since. I am convinced that there is no medicine like Dr. Williams' Pink Pills for the cure of St. Vitus dance."

If your dealer does not keep Dr. Williams' Pink Pills you can get them by mail at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ont.

## The Only Southern Show.

THE MIGHTY HAAG RAILROAD SHOWS, which exhibit at Woodstock on Wednesday June 17th, are the only shows backed by southern capital, owned by a southern gentleman and managed by southern brains.

Mr. Ernest Haag, owner of the show lives in Shreveport, La., where the winter quarters of the show are, and the password in Shreveport is "Let us go out to the Haag Show's winter headquarters."

Remember when attending THE MIGHTY HAAG SHOWS you are patronizing the only southern show. Remember the day and date.

Woodstock, East Florenceville  
Centreville, Bath, Bristol

In organizing The Mighty Haag Shows, for this their 18th, Trans-continental tour, the proprietor, Mr. E. Haag, decided to once more outdistance any rivals for public favor and on Wednesday when The Mighty Haag Shows exhibit at Woodstock you will be treated to one of the finest performances ever presented under a tent. Among

the artists are The Incomparable Flying Gusseons, direct from Paris and have never appeared in America before; The Millers, in equestrian numbers different than all others; The Winslows, bounding and slack wire artists, presenting wire acts extraordinary; the Y-Homa Imperial Troupe of Japs, without doubt rightly. The parade, before noon, was very good named 'Imperial,' as their equals are not in America.

Strong Opposition Shown to  
Church Union

Woodstock, Ont., June 8.—That a well organized fight will be waged on the question of church Union was indicated this morning by the many interruptions during Rev. Dr. Clark's explanation of the findings of the church Union committee. Dr. Clark continued his report this morning from Saturday and presented in detail the recommendations of the majority and minority. When Dr. Clark was presenting his views on the minority report, interruptions were frequently heard from various parts of the assembly. Rev. Dr. Campbell, of Montreal, clerk of the assembly, objected to Dr. Clark presenting views on the minority side and asserted that the minority men were better able to present the case themselves. Dr. Clark made a powerful plea for church union.

## Pleased With New Pastor

Rev. Percy R. Hayward, B. A., the new pastor of the Fairville Baptist church, conducted both morning and evening services on Sunday. Mr. Hayward is a native of New Brunswick and a graduate of the University of New Brunswick. He was formerly located at Germantown, Pa. His new congregation was delighted with the opening services of his pastorate here.—St. John Globe.

## MARRIED

WEST-COLLINS.—At the residence of the bride's parents, Presque Isle, on Wednesday June 10th, Miss Charlotte Collins, daughter of Mr. and Mrs. Geo. Collins, and Charles F. West of Centreville.

## CENTREVILLE

Report says that the location of the Valley Railroad north of Centreville has at last been settled.

The farmers have been taking advantage of the short haul to the cars here in loading their last clean up of potatoes.

Farmers are well advanced with their farm work here and the prospect of an abundant hay crop at present is good.

John Cormier has bought the Howard White house and is moving it on his lot up on the Florenceville Road.

There was a very heavy wind one day last week and a number of barns were blown down in this vicinity.

Potatoes are still worth one dollar and sixty cents and there is little likelihood that any will be thrown away this year.

Farm produce in all lines is bringing top prices so that there is little chance for complaint with them.

The church at Upper Bloomfield which has been under repair for some time past was reopened last Sunday for worship with a full house.

D. W. Perkins is rebuilding his barn which will greatly improve the appearance of his premises when done.

The steam mill is running again.

## ENGAGEMENT ANNOUNCED.

Mrs. F. W. Reed, Montreal, announces the engagement of her daughter, Emma, to Mr. Robert Newton, B. S. A., director of the Agricultural School at Woodstock, N. B. The marriage will take place July 31st.—St. John Globe.

Over One Hundred Lives Now  
Said To Have Been Lost In Storm.

Chatham, June 9.—The terrible nature of the gale that swept this coast and the northern part of the province last Thursday and Friday is only beginning to be realized in these parts, as the meagre reports first received are being supplemented by the knowledge of those who were down the coast and are now returning. Owing to the telephone being out of order little news could be gathered before.

Capt. Samuel Breau, of the W. S. Loggie company's schooner Warren P., arrived in port this morning from Shippegan, which he left at 3 o'clock yesterday afternoon. He states that the wind blew 150 miles an hour at times and that no one could walk along a deck during the height of its fury. Seaweed was flung to the top of the masts by the fury of the waves and though his schooner was lying in the lee of a wharf, a double length of iron chain fastening her snapped like chalk. Over one hundred lives are reported lost and the gale was the worst in the history of the oldest inhabitants.

The list of the vessels and crews known to be lost is:

Capt. Alberts schooner and crew of five.

Three crews picked up drowned off Miscou Point.

Rubine company's schooner gone with all hands.

At Point canoe a big boat is gone to pieces, no one saved.

Schooner riding at anchor fifteen miles off Shippegan and all the crew swept off.

Schooner and boat off North Cape, P. E. I., with crews lost.

Many other schooners and boats are missing from the caraquet, St. Simon, and Shippegan fleets. From Paspebiac Quebec, comes word that thirty boats have been lost with crews. Five of these boats have been picked up near Shippegan.

On shore, too, the storm was severe. The wind played havoc with the trees, tearing many out by the roots, and many houses were unroofed and houses and barns in course of construction were levelled to the ground. The disaster with the fishermen was greater. The bodies of eight caraquet fishermen were recovered. Their names are: Prospere S. Albert and his two sons, Jean Baptiste and Martin; Oliver Paulin, Joseph J Theriault and his two sons, John and Frederick; and Theophile Dugas. Reports say that twenty fishermen from Caraquet and as many from Shippegan have perished.

Charlottetown, P. E. I., June 9—

The first drowning accident of the lobster season occurred at Murray Harbor yesterday. The victim was Roland White, aged 20, son of Mr. John White Father and son, while returning from their traps, were thrown out of the boat by a heavy sea. The son was unable to swim. The father swam with him towards the boat, which was afloat, but a heavy wave separated them and Roland sank. The father was rescued in an exhausted condition.
