Is it surprising, then, that the AMHERST PIANO took First Prize for "The Besst Piano," at the Toronto Exhibi=" tion in competition with all the Piano Manufacturers of Canada? Such is the fact.

The CREMONOTONE or Amherst Player is the simplest of all Players. Regular AMHERST Pianos see built so that Cremonotone mechanism can be placed in later—a great point, as you may some day want a Player.

The AMHERST PIANO, though new, has stepped into the front rank of HIGHEST GRADE PIANOS.

Agent for Carleton and Victoria Counties and part of York County, Minnie B. Adney, Woodstock. Before accepting this agency M. s. Adney visited and inspected every part of the Plant at Amherst, N. S., and tested the Pianos personally. Pianos in all the various styles may be seen, las soon bas, they arrive, in her teaching; rooms at Wood stock, Hartland, and McAdam.
