## WAR NEWS.

London, Sept. 1.—The correspondent  
of the Express, telegraphing from The  
Hague says:

"There is the greatest alarm in Ber-  
lin over the advance of the Russian  
troops. The news that the Emperor  
has left the headquarters and moved  
to the Russian front, has shown the  
residents of the capital where the im-  
mediate peril to their safety lies.

"A story has been circulated that  
the Russians are preparing to avenge  
Louvain by treating the city of Berlin  
in the same way as the Germans treat-  
ed that city. Many of the populace  
who can get away are going to Norway,  
Denmark and Switzerland.

"In connection with the siege of  
Liege, it is told here, that the German  
artillery experts, after vainly trying  
every type of field gun at their com-  
mand against the forts, sent to the  
Krupp factory for a new fourteen inch  
naval gun, which was set down four  
miles from the nearest Liege fort.  
The first shot fired from it hit the of-  
ficers' mess house, inside the Belgian  
fortification, killing 125 men."

London, Sept. 1.—A despatch to the  
London Express says that Kaiser Wil-  
helm has left his army forcing its way  
into France and departed to head the  
German forces opposing the Russians' en-  
trance into Germany.

London, Sept. 1.—Antwerp despatch  
es to the Daily Mail assert that the  
movement of German troops out of  
Belgium, apparently to oppose further  
advance of Russian forces, has become  
very marked. It is reported that the  
Germans in their northerly movement  
have evacuated many cities.

St Petersburg, Sept. 1.—In a panic  
before the steady encroachment of  
Russian troops, residents of Lemberg,  
in Galicia, have fled from the city, ac-  
cording to semi official advices here.  
The War Office says the advance of the  
Russian troops was uniformly success-  
ful.

London, Sept. 1.—Despatches from  
Eucharest, via Rome, to the Daily  
News says the Russians inflicted a  
"crushing defeat" on the Austrian  
troops in Galicia. It is estimated that  
the Austrians' casualties will total 20,  
000.

Watson, Upper Woodstock, and a mem-  
ber of the local branch of the Royal

**TEA EMBARGO REMOVED.**  
**PRICE DROPS FIVE CENTS**  
Salada Tea Company Announces Reduc-  
tion. Will buy Tea back from Grocer

The Salada Tea Company announced  
Tuesday that they had reduced the  
price of their teas five cents a pound.  
They make the following announce-  
ment:

The embargo on tea has been definite-  
ly removed in England, and however  
temporary this may be, we have taken  
advantage of it to immediately reduce  
our prices five cents per pound.

This is in spite of the fact that war  
risk insurance and freights are still ab-  
normally high, and that no shipments  
have yet been made from Ceylon or  
India.

All these conditions leave the tea situa-  
tion, while relieved somewhat from last  
week, still in very difficult condition and  
it is impossible to see a week ahead.

We are undertaking to take back all  
the tea we shipped last week from the  
grocer, and pay him for it exactly what  
he paid us. The cost of this will be very  
large, but we know this is the only way  
in which the interests of both the con-  
sumer and the grocer can be safeguard-  
ed.

### Arrested as German Spies

A letter received by Mrs. Remington  
Ward from her sister, Mrs. Howard  
W. Shaw, and family, who were living  
in Dresden, gives some idea of the hard-  
ships which foreigners are going through.  
Mrs. Shaw and family were on their  
way to England to spend the summer  
when war was declared. The letter is  
as follows:

"We started from Dresden as soon  
as war was declared in our car, and as  
it was a German make we were arrested  
as German spies and were held up 11  
times in one day. Our chauffeur left us  
at Brussels to go to war, as he said he  
would be shot as a deserter if he stay-  
ed."

"The bridge we crossed Saturday  
night was blown up Monday by the  
Belgians to prevent the Germans from  
crossing. That was at Liège, where  
the battles are now being fought. At  
Meinz we took the boat (leaving Mr.  
Shaw with the automobile) to go down  
the Rhine to Cologne. An officer made  
him get out of the car and searched him  
and made him walk across the bridge  
an officer beside him, and then he search-  
ed the luggage. When we got to Kolu  
that night martial law was declared.  
Soldiers had charge of everything, and  
such noises and excitement I never can  
forget."

"Don't worry about us, for we are  
in London. We have offered our car  
to England, and Ralph has volunteered  
to run it to carry the officers to the  
front. I did not want him to, but he  
begged so hard I gave in. We left  
most of our things in Dresden, as we  
want to go back in the fall."
