

*The Home of Lantic Sugars*

*The most up-to-date refinery in the world.*

## **This new Refinery gives to Canada the most up-to-date Sugar Refinery on the Continent**

After a year and a half's work, we have completed and are now operating the most sanitary, up-to-date sugar refinery ever constructed. Every new and improved method of refining has been installed.

No expense has been spared to make the sanitary conditions perfect.

Every step in the process of manufacture is one of care and patience for quality.

The result is that no hand touches the product from the time the raw sugar reaches the refinery until the perfectly refined sugar enters the home in the Original Packages.

Only cane sugar used in the refinery — no beets — no substitutes.

Tell your grocer to send you Lantic Sugar in original packages. This will ensure the purity and cleanliness of the sugar used in your home. Look for the Red Ball on every package.
