### A Red Cross Appeal to the Farmers.

Our country, with its Allies, is waging a great war for justice, for the protection of small nations in the enjoyment of their rights, for continued and growing freedom, and for the maintenance of its pledged word of honour. Much destruction and desolation are being caused. Lives are being lost by thousands. Canada's first contingent is now in the thick of it. Some will fall sick; many may be wounded; some will pay the last full measure of devotion to their country and its cause.

The Red Cross Society exists to succor the sick and wounded in war. It needs more money to provide, more beds at hospitals in Great Britain and France; it needs more money to pay more Red Cross Nurses; it needs more money, and more things made by women, to supply to Clearing Hospitals, Base Hospitals, and Recovering Hospitals.

I appeal to farmers to send me sums from \$1 to \$50, during the first week in May. Every \$50 provides one additional hospital bed with the giver's name over it. By sending me about \$10,000, you would serve your country well, bring credit to yourselves, and make all of us very proud of you. For the sake of the wounded boys, make the gift substantial. It will be an investment towards the recovery of some Canadian soldier who stood in our stead that our cause might be upheld.

Faithfully your friend  
JAS. W. ROBERTSON,  
Chairman,  
Red Cross Society at Ottawa.
