The house was prettily decorated with a profusion of cut flowers and potted plants.

The bride wore a becoming costume of ivory silk eileen with veil and Juliet cap, and carried an exquisite bouquet of cream bride's roses.

Mendelsohn's Wedding March was played by the brides sister, Miss Emma DeWare, and during the service "The Voice That Breathed O'er Eden" was rendered.

TOWN COUNCIL.

The most important business transacted at the meetings of Council last week was the motion carried that executions be issued and the lien on land enforced, the same as was done for the last year's taxes; the re-appointment of Albert Fields as superintendent of water works, and the appointment of Clarence Jackson as night watch.

MONDAY EVENING.

Council met at 8 p. m., Mayor Sutton and all the councillors present with the exception of Coun. Fewer, absent from town.

Minutes were read of the previous meetings and approved.

Mayor Sutton read a letter from Charles Burpee, newly elected superintendent, asking for a leave of absence for five weeks.

Moved by Coun. Flemming, seconded by Coun. Young, that the motion passed at last meeting appointing Mr. Burpee superintendent, be reconsidered.

Carried.

Moved by Coun. Flemming, seconded by Coun. Young, that Albert Fields be retained as superintendent until the first meeting in February, 1916, or until his successor is appointed, at \$850, and a contract be entered into at that rate.

Moved by Coun. Leighton, in amendment, that Mr. Fields be appointed at \$70.80 a month, he to enter into a contract until May 1st, 1916.

Amendment not seconded.

The motion then carried.

Coun. Leighton moved the by-law, forbidding children under 14 years from being on the streets after 9 o'clock.

Laid over till Friday.

The resignation of Night Watch Brewer was accepted, and Clarence Jackson appointed in his stead.

Moved by Coun. Leighton, seconded by Coun. Smith, that the clerk notify the Power Co. that the street lights are not giving satisfaction, and ask for a meeting of the Power Company with the finance committee.

Carried.

Coun. Young stated that it would be necessary to issue \$15,000 in bonds in the near future and arrangements were made to do so.

Moved by Coun. Young, seconded by Coun. Noddin, that executions be issued by the Town Treasurer for the collection of the unpaid taxes for 1915, and that lien proceedings be taken on the real estate.

Carried.

FRIDAY EVENING.

Council met at 8 p. m. Present, Mayor Sutton and Couns. Young, Noddin, Flemming and Leighton.

Moved by Coun. Leighton that the Electric Light committee be authorized to make an expenditure of \$200 for the purpose of putting in smaller street lights, one on Main street, near the residence of Frank Woodman; one on the corner of Prince William and Union streets; one on Connell and South streets; one on Chapel and Orange streets; one on Chapel and Hartley streets; one or two opposite the C P R station; one or two on Broadway, south of the residence of Alex Beaton.

Mayor Sutton said that there was no doubt but what the people were justified in asking for the lights, and personally he would like to see the lights put in, but there was no money appropriated for that purpose, but he thought it would be better not to put in any more lights this year.

Coun. Leighton said that if the lights, asked for in his motion, were put in, he would over-spend his appropriation.

Coun. Flemming—The idea is a good one. We have, however, spent this year \$400 in changing over the arc lights for smaller lights, and we cannot do much more work in that line this year.

Coun. Leighton said that the pure water committee had engaged P Gorey to put down 200 feet of wells on Connell Park; about 140 feet had been drilled. One well was sunk 62 feet, and the work stopped when they had seven or eight feet of water; in the second and third wells, they struck sand and the work was stopped; the fourth well will be sunk to a depth of
