Mrs Eliza Kimball Marsh

Died at the home of Mrs. Fraser London, of Armand, on Aug. 4th 1916 Mrs. Eliza Kimball Marsh, aged 90 years and 7 months. Left an orphan early in life she spent a part of her girlhood days with her brother the late Robert Nixon of Lower Brighton. Here she married George Kimball and with him moved to the district, now known as Armand, which was then an unbroken wilderness. She endured the hardships incident to the early settlers, cheerfully and with courage and with her husband made themselves a home and reared eight children to man and womanhood. She saw her children and her husband one by one sicken and die until but one (Wilnot) was left in the old home.

Twenty years ago she married G. L. Marsh who lived but a few years when she returned to the homestead and lived on the farm which she had helped to redeem from the wilderness.

She was a friend to all and universally beloved.

During the last seven months of her life she was tenderly cared for by her granddaughter Mrs. Fraser London, and her family were untiring in their efforts to minister to her comfort and well being.

She is survived by one son, twenty four grandchildren and sixty great grandchildren and numerous other relatives.

By her request, Rev. G. A. Giberson attended her funeral and preached an impressive sermon from 2 Timothy 2-19 to a large congregation.

She was carried to the cemetery by her four grandsons, Leighton, Miles, Willie and Guy Kimball where they laid her away in the sure hope of a glorious resurrection.

Dr Lee W Burt

Dr. Lee W. Burt, son of S. W. Burt of Centreville, Carleton county, died in Lancaster, Cal., from illness attributed to ptomaine poisoning. He was born in Centreville in the year 1883 and in 1905 graduated from the University of California as an M. D.; the following year he graduated from the university in pharmacy and later supplemented his medical education by taking a post graduate course in medicine at West London Hospital, London, England. Returning to Los Angeles, he started his practice. He moved to Lancaster about three and a half years ago, hoping that the change of climate would benefit him.

Isabelle Bubar

Isabelle the little daughter of Mr. and Mrs. William Bubar, died at their home in Upper Brighton on July 13th. She was 2 years and 7 months old but had never been very strong and healthy. Brother and sister Bubar have the sympathy of the community in their bereavement.

The funeral services were in charge of Rev. P. J. Quigg assisted by Rev. C. H. Orser.

The funeral services being over interment was made in the family cemetery at Upper Brighton.

TOWN COUNCIL

MONDAY EVENING

The regular meeting of the Town Council was held on Monday, Aug. 7, Mayor Sutton and all the councillors being present.

Town Treasurer Bourne reported for July and for the seven months ending in July. The credit balance at this date was \$23,093.58.

Coun Leighton, chairman of the finance committee, stated that if the different departments kept within their appropriation the council will break even at the end of the year.

The report of magistrate Holyoke for three months was read. Referred to police committee.

Coun Leighton moved that the clerk write to the agent of the C. P. R. and point out that inasmuch as the C. P. R. has not carried out the ruling of the railway commission, the Council does not feel that it is liable to pay the bill of \$18.50, pay for the gentleman for June, or for any other bills for a gate-man, until such time as the C. P. R. carries out the ruling of the said commission. Carried.

Several members of the patriotic fund committee appeared before the board.

Hon. W. P. Jones made a strong appeal on behalf of the Patriotic Fund. There will be a deficit in the New Brunswick contribution if funds are not forthcoming to pay the proportion required. \$25.00 has been apportioned this country. There will be about \$10,000 with what is paid and due, leaving \$15,000 to be raised. We propose to ask for a special session of the County Council to make a grant. This council is asked to consider a grant of say \$2000 from the town.

E. W. Jarvis said the idea was to keep the province out of debt to the central committee. The province is one of the richest provinces in Canada and should not be satisfied to only pay her share. The fund is handled by gentlemen without charge whose sole object is to have the fund do the most good. We ask you to support the wives, widows, mothers and children of soldiers who are fighting our battles. Since last we met at Council, recruiting has increased in this county. We were then paying \$500 a month in this county; we are now paying \$1300 a month. Carleton county is one of the wealthiest counties in the province and should pay its proper amount, viz., \$25,000.

E. R. Teed—I am heartily in accord with the view that Patriotic fund should be raised by assessment over the entire county. Some people have wrong ideas as to the administration of the fund. The fund is administered by a committee through sub committees when we hear from any relatives of soldiers throughout the County, asking for their share of the Patriotic fund, we refer the matter to the two county councillors of the parish, and upon their report the Woodstock committee acts in the matter.

Mayor Sutton said that the committee fully showed that the county should pay \$25000. The fact that there was a heavy deficit was entirely a surprise to him. A few days ago Prof. DeBarre, representing Governor Wood, told him there would be a big deficit in New Brunswick. This council never took the matter under consideration when it was making the assessment and can not vote any money, but it can vote the required help and issue debentures for the same. As a duty we owe the boys at the front, he felt sure that the Council would deal generously with the matter.

Coun. Nodden—An assessment is the proper way. The County Council will hold a special meeting and let the patriotic committee meet the County Council and no doubt that body will vote the amount this county should pay, and Woodstock will pay its share, which is one seventh of the county assessment. No county is more able to pay than is Carleton County. If the County Council will not do so, then let the committee come to the Town Council and we will see what can be done in the matter.

Moved by Coun. Leighton, seconded by Coun. Stairs, that the matter be referred to a committee and report. Carried.

The mayor appointed a committee of the whole Council to act in the matter. A letter was received from Major Evans inviting the Council and officials

to visit the 65th Battery camp grounds, on a date to be named later.

Coun. Fisher—We have spent all the money that we can afford on the streets this year. We have made a permanent street up Connell to Green which cost \$440.70. We have about \$500 left which we will spend on the sidewalks.

Coun. Stevens—I have ordered the coats for the firemen, word has been received that the order has gone to factory, and I expect the costs to arrive at any time.

A. W. Dycer, the secretary of the Y. M. C. A. in charge here last winter, reported that the expenditures were \$884 receipts \$733; deficit, \$151. Referred.

Coun. Smith moved that Supt. Fields be given his two weeks vacation. Carried.

FRIDAY EVENING.

Council met 8 p. m. Mayor Sutton and all the councillors were present with the exception of Coun. Smith.

Minutes of last two meetings were read. Approved.

Moved by Coun. Leighton, seconded by Coun. Nodden, that the matter of the Scott Act fines be left to the Scott Act committee who, after consultation with the clerk, shall direct the latter to take any steps necessary to collect the money. Carried.

Moved by Coun. Stairs, seconded by Coun. Fisher, that the sewer committee be instructed to proceed with the work of laying a sewer near River street, not to exceed \$250.

Coun. Leighton made the claim that the land was private property.

Solicitor Hartley said that any street upon which public money had been expended was, according to law, a public street.

The motion then carried, after adding the clause, "after the owners of the land gave their consent."

Moved by Coun. Leighton, seconded by Coun. Stevens, that the mayor and town clerk sign a discharge of the mortgage for \$10,000, held by the town against J. D. Dickinson & Sons, the firm having paid the guaranteed bond as agreed upon. Carried.

Moved by Coun. Leighton, seconded by Coun. Nodden, that \$10 be deducted from the Power Company's bill for lights not burning satisfactorily during the month of July. Carried.

Moved by Coun. Leighton, seconded by Coun. Stevens, that the following amounts be paid; schools, \$6000; county, \$1856.25; library, \$600; sinking fund, \$225. Carried.

Moved by Coun. Leighton seconded by Coun. Fisher, that Strong and Nodden be paid \$400 rent for 65th Battery armory up to Aug. 1st. Carried.

Moved by Coun. Leighton, seconded by Coun. Stevens, that \$121.29 be paid A. S. McAllister, deficiency in Y. M. C. A. accounts. Carried.

Coun. Nodden voted against the motion not because he was against the Y. M. C. A. but because among the assets was a sum of money taken by a vote at a citizens meeting from the so called Nodden fund, which money was raised for a specific purpose, and which he claimed the citizens meeting had no right to take away for Y. M. C. A. purposes.

On motion of Coun. Leighton, seconded by Coun. Stevens, the report of the school trustees was referred to the audit committee.

A communication from the revisors was referred to the police committee.

The treasurer was instructed to write to the defaulting rate payers stating that on Sept. 4th, according to the new law, warrants will be issued and lien proceedings started to recover the taxes due.

A communication was read from Mr. F. B. Carvell, asking that the road work be extended up Connell street to A. W. Brown's. Mr. Carvell said in his letter that he had travelled a lot over Canada, and few cities and towns had better streets than Woodstock.

Coun. Stevens said that he had just returned from other cities, and Woodstock has the better streets.

The letter was referred to the street committee.

It was voted that the town would pay one half of the cost of a permanent sidewalk from the post office to Regent street, not to exceed \$125.

The question of the grant to the Patriotic committee was discussed and Couns. Stairs, Nodden and Leighton, were appointed to talk the matter over with the patriotic committee.

Mayor Sutton, Couns. Leighton, Nodden and other councillors made speeches

on the subject. The general opinion expressed was that a special meeting of the County Council should be called at once; that the Council should make the grant of \$15,000 as requested, that the town representatives at the County Council should support the grant and that the town Council would willingly and cheerfully pay its share, one seventh of the grant.

Adjourned.

Archdeacon Raymond

Venerable Archdeacon Raymond's resignation of the pastorate over which he has presided for more than thirty years, will be heard with general regret. No clergyman more zealously or more acceptably discharged the manifold duties of his sacred calling; no citizen measured up better to all obligations of citizenship. The community respected and loved the Rector of St. Mary's because he was more than a mere pastor, more than a good citizen. A lover of his fellow man, he was first and always the friend of the poor, the afflicted, and distressed, and was ever ready to turn from the things in which he found pleasure and delight, to take up the Master's work and to lend a helping hand to a brother in sorrow or distress. The community that knows the true nature of the work he did for the church he served, for his fellow men and for those interests which were his particular pleasure, sorrows that continued illness has made necessary the resignation of his pastorate and retirement from all the activities of a busy and a useful life. May rest and loving care restore the health and strength lost in unselfish devotion to duty.—St. John Globe.
