FORT FAIRFIELD'S BIG CENTENNIAL

New ground is broken in the Centennial Celebration and Grand Historic Pageant to be held in Fort Fairfield August 8, 9 and 10. They have been only 3 or 4 other Pageants held anywhere in Maine in recent years, and the largest of them has been scarcely more than half as large as the one at Fort Fairfield in August. Surely 1200 well costumed, arranged and directed, accompanied by proper music and superb scenic setting, ought surely to be a spectacle worth seeing. This Celebration and Pageant will not offer so much thing stale and worn out, but something new, unique and wonderfully attractive. Fort Fairfield will doubtless have for this Celebration by far the greatest crowd ever within her limits.

Good Rich Blood Means Good Health

Just a Little More Rich, Red Blood Cures Most Ailments

The lack of sufficient rich, red blood does not end merely in a pale complexion. It is much more serious. Bloodless people are tired, languid, run down folk who do not enjoy life. Food does not nourish; there's indigestion, heart palpitation, headache, backache and nearly always nervousness. If this bloodlessness is neglected too long, a decline is sure to follow. Just a little more rich, red blood cures all these troubles. Then you have new health, new vitality and pleasure in life. To get more rich, red blood the remedy is Dr. Williams' Pink Pills. No other medicine increases and enriches the blood so quickly or so surely. This is not a mere claim. Dr. Williams' Pink Pills have done this over and over again throughout why thousands of people always have a good word to say for this medicine. Miss Gertrude Haffner, Kingston, Ont., says:—"About two years ago I was suffering greatly with anaemia, so much so that I had to give up my situation. I became so weak that I could scarcely walk without help. I had no ambition, no color, no appetite and was constantly troubled with headaches and dizzy spells. I was taking medicine from the doctor, but it did not do me a particle of good. One day a friend asked me if I had tried Dr. Williams' Pink Pills. Though as the result of my condition I was greatly discouraged, I began the use of the Pills, and thanks to that good friend's advice after using a few boxes I began to feel much better. Under the continued use of the pills I gained in weight, my color came back and I grew gradually stronger. I looked so much better that people would ask me what I was taking and I had no hesitation in giving the credit to Dr. Williams' Pink Pills. I am so grateful for what this medicine has done for me that I will do all I can to extend its use."

You can get these pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont
