## County Council

Court House,  
Woodstock, N. B.,  
Jan. 18, 1916.

The County Council met in the regular January session at 10 a. m.

The following are the men comprising the newly elected Board:—

Aberdeen—D. Lamont, Samuel Hemphill.  
Brighton—Ed. Morgan, Fred Smith.  
Kent—John Kinney, W. J. Gallagher.  
Northampton—H. A. Phillips, Arthur Gibson.  
Peel—E. W. Melville, Frank Compkins.  
Richmond—Alex. Bell, Ezra Flemming.  
Simond—John Perry, Odbur Shaw.  
Wicklow—Carey Estey, Rennie Tracy.  
Wilmot—Harry Carvell, Wilmot Anderson.  
Woodstock Parish—Robert Moxon, Chas. Clark.  
Wakefield—Wm. G. Kearney, Albert G. Bell.  
Woodstock Town—H. D. Stevens, Howard Burt, James W. Gallagher.

The change in the personnel of the Council it will thus be seen, is small, only five of the new members not having been members of last year's council. One death occurred since the fall election, that of Coun. Hugh E. Gallagher who has occupied the seat worthily and whose loss is felt deeply by those who for many years were associated with him at the Board.

The resolution regarding the late Councillor, was moved by Coun. Stevens, seconded by Coun. Alex. Bell.

Whereas God is his infinite wisdom has removed by death one of our members in the person of Councillor Hugh E. Gallagher who has occupied a seat at this board for a number of years and by his sterling worth and ability has won a foremost place in the esteem of the Board and his fellow-citizens throughout the county, always courteous, warm hearted and manly, yet firm and truly conscientious is doing his duty.

Therefore Resolved that we hereby place ourselves on record as showing our manifest regret and the high regard in which he was held by this Board.

And further resolved—that we extend to his brother, James W. Gallagher and the other members of his family, our sympathy in the loss of so worthy a brother.

And further resolved that this resolution be spread upon the minutes and a copy thereof be sent to the family of the deceased and signed by the Warden and Sec. Treasurer.

Coun. Phillips took the chair upon the opening of the council. The National Anthem was sung, then Coun. Phillips made a touching reference to the late Coun. Gallagher, whose death

was so deeply regretted by all. Continuing Coun. Phillips read a letter from the family of the late Councillor to the council, thanking them for resolution passed and for memorial wreath they had kindly furnished.

He had found his experience as Warden of the council a very pleasant experience. It seemed to him that as so many old councillors were returned the electors must have been pretty well satisfied. He was glad to see so many old members. It is upon us to do everything we can to help out in this great struggle now going on. I am glad the county did so well for the Patriotic and other funds and I hope we will be able to do as well or better this year. We cannot all be at the front or in the trenches. Those of us who stay at home have work to do towards bringing this struggle to a successful end, and towards aiding the cause for which our nation is fighting. I regret to say the war seems no nearer an end than we last met, but I for one have confidence and believe that the end when it comes will mean a great victory for the cause for which our nation is fighting. When the end does come we will be proud that Carleton County did her share in every way to bring about this great result. (Loud applause.)

Coun. Stevens moved that Coun. Tracy of Wicklow be elected Warden. Seconded by Coun. Alex. Bell.

Upon motion of Coun. Carvell, seconded by Coun. Lamont, the nomination closed, and a ballot being cast for Coun. Tracey he was duly declared elected Warden.

Coun. Tracey in taking the chair, was greeted with the song "I's a jolly good fellow."

He said—In thinking over matters to come before this meeting naturally the question of who would be elected Warden came to my mind. Every name came before me but I never thought of my own. I never thought of myself as Warden till ten today.

I cannot find words that would be fit to suggest my thanks. I think that Carle on County has shown her confidence in the old council by electing so many of the old members without opposition. I hope this council will perform its duties in an acceptable way to the people of the County.

One of the main things to come before us will be the Patriotic Fund. I ask you to deal generously with that. I feel that those of us who cannot go to the trenches, have an important duty to perform at home. Since we last met many of our boys have gone to the front and some have answered the roll call for the last time. I make us all feel sad. No doubt we think of these things more than any other subject. It must be constantly in our minds. I thank you again for electing me to the chair. (Applause.)

The resolution regarding the late Coun. Gallagher was put and carried by a standing vote.

Council then took recess till 2 p. m.

AFTER RECESS

The building committee, by its chairman, Coun. Burt, submitted a report showing an expenditure on Court House and Record Office of \$174.66, and an expenditure on gas of \$430.85. Upon motion the report was adopted.

Coun. Flemming on behalf of a committee appointed to consider the question of expending money on the Houlton road, said he and ex-Coun. Caldwell had met Mr. Munro who said that the sum of \$200.00 had been appropriated, on his responsibility, on the road, one

He was buried on Sat. 15th inst, and although mercury was about 20 degrees below zero there was a great attendance of relatives and friends at the house where service was conducted by Rev. J. E. Flewelling and Rev. Mr. Stebbings. Mr. James McMullin will be greatly missed especially from his own home, as he was a faithful husband and a loving and sympathetic father. He was always patient and never known to complain. At the very last he told one of his daughters "that as he was an old man, she must expect him to leave her, take care of yourself. He had no fear of death and was prepared to go at any time."

Mrs. Aaron Hovey

The death occurred on Wednesday morning, at Grand Falls, of Mrs. Aaron Hovey, aged 74 years. Mrs. Hovey was first married to Charles Churchill of this town. The deceased was buried from the home of her daughter, Mrs. Frank Foster, Elm street, at 2 o'clock on Friday afternoon, Rev. F. L. Orchard officiating.

Mrs. Shepard A. Derrah

The many friends of Mrs. Ethel (Murphy) Derrah, wife of Shepard A. Derrah, formerly of this town, were inexpressibly saddened to learn of Mrs. Derrah's sudden death, which occurred at West Lynn, Mass., on Monday, Dec. 20, 1915, after a few days illness of diphtheria. Strong hopes were entertained for her recovery and her sudden death cast a gloom over all.

The deceased was born in Bloomfield, Carleton county, N. B. the daughter of Charles and Amanda Murphy, and had always resided in Carleton County, only moving to West Lynn to make her home last September; all her married life was spent in Woodstock.

She was a loving and devoted wife and mother, possessed of a kind and cheerful disposition, and her friends were many. In her last week of intense suffering, she was very calm and patient, passing tranquilly on to meet her Heavenly Father.

The husband, two little children, Elbridge and Leona, the parents, six sisters, Mrs. Claude Radcliffe, Mrs. Glenwood Lake, Olive and Ruby of Hallowell, Maine, Mrs. Kilburn Black of Bloomfield, N. B. and Annie of Dexter, Maine, also two brothers, Clinton of Hallowell, and Archie of Presque Isle, Maine, survive, besides, many other relatives.

Funeral services were held Tuesday, Dec. 21, at 1:30 p. m. Interment was in Pine Grove cemetery at West Lynn, Mass. The floral tributes were beautiful, bearing mute testimony of the affection in which she was held. Strong and undying are the ties of affection formed by a loving personality like hers. They will outlast time and stretch into eternity.
