COUNTY COUNCIL

\$5000.

Coun Carvell—I want to assure you I am in favor of Patriotic Fund. I understood \$4000 would be unanimous. We are all here, there are no vacant chairs and we should put up to people who have gone. With consent of my seconder I would like to withdraw my motion. I would like to see this made unanimous.

Coun Kearney—I thought \$4000 would be unanimous and at the same time that it was not enough. I consent to withdraw of Mr. Carvell's motion.

Coun Jas Gallagher—What is the use of so much discussing of the matter of this contribution in order to make this unanimous with the consent of my seconder I will agree to another reduction and make it \$6000.

Coun Phillips—I am not opposed to voting for \$5000.

Coun Moxon—I seconded 10,000 and \$8000, and now I am willing to go to \$6000 but I will not agree to \$4000.

Coun Perry—According to the figures given us by the patriotic committee an appropriation of \$3000 would bring it up to amount committee required. I am in favor of \$4000.

Coun Estey—We got the opinion of many councillors and decided in order to make it unanimous we would recommend \$4000. I will however vote for \$5000.

Coun Kinney—Carleton County has made no mistake in electing men at the board today, but I am really surprised that with all the loyalty, we have heard so often expressed, that there is a desire to cut this amount down. What does a few thousand dollars amount to this County? Do you ever stop to think of the boys who have gone to the front? I have one there and two getting ready to go and would send ten if I had them. Now, as honorable men, who see your boys go to the front many of them never to return, and whose bones will be bleaching on the battle fields, can you refuse to help them. It is very fine for us to sit back here in our easy chairs and say \$4000 is enough, but let me say it is shameful. We can and should give at least

\$10 000 to help carry on this war.

Coun Melville moved an amendment seconded by Coun Alex Bell, that the amount be \$4000.

Coun W J Gallagher moved an amendment to the amendment, that the amount be \$7000. This was lost.

The members voting on Coun Melville's amendment, \$4000, stood:
For—Anderson, Estey, Phillips, Flemming, Alex Bell, Lamont, Melville, Smith, Perry, Hemphill, Shaw, Againt—Carvell, Moxon, Clark, A G Bell, Kearney, Gallagher, Kinney, Jas Gallagher, Burt, Stevens, Tompkins, Morgan, Gibson.

The original motion of \$6000 was carried by same vote reversed.

THURSDAY 2 p. m.

Council opened in due form.

Coun. Stevens—moved that \$8000 voted for Patriotic Fund be paid monthly or as required.

Seconded by Coun. Melville.
Coun. Carvell, chairman of Scott Act committee, submitted the Scott Act report—

Woodstock, N. B., Jan 20th, 1916.
We, your Committee appointed to examine the Scott Act accounts, beg to submit the following report.

We have examined the accounts and vouchers and find them correct as reported with the exception of one item in the account of the Police Magistrate amounting to Ten Dollars.—this increases the surplus from \$136.59 to \$146.59

He recommended that the S. A. Inspector be continual at the same salary for the ensuing year.

(Signed)

H. P. CARVELL,
W. E. FLEMMING,
F. L. TOMPKINS.

Coun Melville—What became of the \$100 that was charged up in Secty-Treas report?

Coun Carvell—The amount appears in the report.

Coun Carvell moved report be adopted and the Inspectors salary fixed as last year.

Seconded by Coun Perry
Coun. Stevens—The Scott deficit then is \$251.41.

Coun. Morgan reported that the bill of Dr. Griffin should not come before this board at all. This is the view of Dr. Curtis, chairman of Board of Health. Report adopted.

The Warden read the Board of Health report:

Hartland,
January 17th, 1916.

To the Warden and Councillors of Carleton Co:—

Gentlemen:—

I beg to submit a part of report of

Health Wrecked Through La Grippe

It Generally Leaves the Patient Debilitated and an Easy Victim to Other Diseases

One of the foremost medical writers says: "It is astonishing the number of people who have been crippled in health for years after an attack of la grippe or influenza." The real danger from this disease, which sweeps over Canada every winter, is during convalescence, when the characteristic symptoms, the fever, the catarrh the headache and the depression of spirits pass away. Grip leaves behind it weakened vital powers, thin blood, impaired digestion and over sensitive nerves—a condition that makes the system an easy prey to pneumonia, bronchitis, rheumatism nervous prostration and even consumption. It is a condition that calls most emphatically for a tonic for the blood. Dr. Williams' Pink Pills are a tonic especially adapted to meet this need as they purify and enrich the blood. They tone up the nerves and give vigor, strength and health to the debilitated system. Mrs. Howard D. Chaffey, Indian Island, N. B., says: "For several winters in succession I was attacked by la grippe which left me weak and badly run down. In each case I used Dr. Williams' Pink Pills with the most beneficial results. Last winter when the trouble was again prevalent I took the precaution of fortifying my system with Dr. Williams' Pink Pills and escaped the trouble, while many of my neighbors were down with it. In fact I enjoyed the best of health all spring and feel sure this medicine will so fortify the system as to prevent the trouble."

These Pills are sold by all medicine dealers or may be had by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

GinPills FOR THE KIDNEYS How They Work

VICTORIA, B.C.

For several years I have been troubled with Kidney and Bladder Trouble caused by uric acid and the pains caused by the intermittent stoppage of urine was very severe. For this I was taking something or other continually with little or no relief. At last a friend handed me a sample package of your Gin Pills. The contents of this sample gave me relief that I had not experienced in a long time. Since then I have been taking Gin Pills occasionally and have had no return of my former trouble. (Name on request).

The above letter is from a popular and well-known commercial man in Victoria.

Gin Pills are 50c. a box or six boxes for \$2.50 at all druggists. Sample sent free if requested.

the Board of Health Number Ten for the year 1915.

With the exception of Diphtheria there have been very few cases of contagious diseases during the year. During the late summer and fall, a few cases of diphtheria developed in the southern end of the district culminating in a small epidemic at Benton in December. As the disease happened to infect very poor people with large families, and as the treatment of diphtheria is costly, it used up almost the entire appropriation.

We will need an appropriation of \$300 00 for the year 1916.

From several causes not altogether under my own control, I was unable to get all the bills paid and vouchers returned for this report. I will make a decided financial statement for the June meeting.

Respectfully submitted
Chairman.

Coun Shaw—\$25.00 for poor purposes Parish of Simonds.

Coun Carvell moved Deputy Sheriff be paid same as councillors for his services.

The list of officers for different parishes were confirmed.
Coun Perry moved the matter of printing detailed accounts in the Dispatch be taken up. Carried.

Coun Jas Gallagher moved that Dispatch be given detailed accounts to print at same price as paid Sentinel and Press.

Coun Bell moved that Revisors fees for whole County be same as last year and that collectors fees be same as last year.

Coun Melville moved, seconded by Coun Stevens, that By-law No. 22 be amended by adding the following:

8 For each and every violation of the provisions of this law a penalty not exceeding \$20. shall be exacted against all violations thereof on summary conviction. Carried.

Coun Lomont—There is a feeling that the Scott Act Inspector should have a little more salary. I would move he be paid \$100 additional as a bonus for 1916.

Seconded by Coun Morgan.

Secty-Treas—The salary has already been fixed.

Coun Carvell—Surprised to hear this motion. The committee spent considerable time with Inspector and this move was mentioned. If he thought he was entitled to an increase he might have asked us. I will oppose it—it is not fair to the committee.

The pay is good enough.

Inspector McLean was heard. Because I did not make a demand to committee was because of ignorance. You gave me this office without solicitation. When I accepted \$400. it looked small, but as a new man I thought I had to learn. I think now I am worth it. Any man that does this work will know it can't be done for the salary paid. When I could show the work I thought you would take notice of it. The council can pay whatever they

regard as right.—There is one thing—there always was a charge of \$1.00 a case paid Inspector for attending court. It amounted sometimes to \$70. but I did not want to do this. I simply ask for more pay because I think I am worth more. This takes twelve months of the year of my time.

Coun Morgan—I feel now like voting more money than was first suggested after listening to Mr. McLean.

Coun J. W. Gallagher—I think it only right that we give the Inspector the increase. He has done good work.

Coun Melville—I think the Inspector is entitled to it.

Motion to give additional \$100. was carried.

Coun Morgan—The public accounts committee would recommend a change in manner of submitting bills.

Moved Coun Morgan—That in future all persons having bills before the County shall have them typewritten in order that time may be saved.—Carried.

Coun Stevens for Din. Com., submitted the following estimates:

half in the Parish of Woodstock and one half in the Parish of Richmond. It was a small sum. We don't get any further grant. The appropriations had been made before we waited on Mr. Munro.

The report, on motion of Coun Stevens, was received, and on motion the board was authorized to name another member in place of Coun Caldwell.

Coun Stevens thought that the committee should be authorized to wait on the government at Fredericton in the matter.

Coun Alex Bell did not see the necessity of going to Fredericton. We could get at the members here.

Coun Burt said there was quite a large sum of money spent in Carleton County. He was told, \$6000 between the three members.

Coun Gallagher said that the Houlton road was a disgrace. Its condition was the means of preventing many tourists from coming

over this way and seeing the St. John valley. He believed it would be well for a delegation or the committee to go to the government. Generally the road along the river is in very good shape, but from Houlton to Woodstock the road is very bad.

Coun Bell agreed that the road was very bad. I talked to Mr. Munro about some of the money not having been put on the road at the Houlton end. He said that would be practically impossible.

Coun Lamont—For rear runous go on that any of our members were to blame, it should be explained that they never handled the money. It was the fault of the commissioners. It is just possible that money which should have been spent on the Houlton road was spent on a cross road. I know the commissioners must render an account for every dollar spent. There is no possible way for that money to be switched off. I have taken it on me to fix roads and I will get my pay, I do not
