KEEP CHILDREN WELL

To keep little ones well the bowels must be kept regular and the stomach sweet. Nine-tenths of childhood ailments are caused by derangements of these organs. Baby's Own Tablets never fail to regulate the stomach and bowels—that is why thousands of mothers would give no other medicine to their little ones. Concerning them Mrs. Chas. A. Turner, Marie Joseph, N. B., writes: "We have been using Baby's Own Tablets off and on for the past year and a half and have found nothing to equal them." The Tablets are sold by medicine dealers or by mail at 25 cent a box from The Dr. Williams Medicine Co., Brockville, Ont.
