m ximum price of milk had this eff e', that the peacent sold his mik cows to the butcher, realizing a better return than if he had kept them for dairying purposes.

At B rlin the authorities observed that much more Danish white cabbage was being sold in the market than formerly. In- the Socialist Opposition press, while vestigation showed that German white cabbage was being sold is Danish produce-for the German product there is fixed a maximum price of 2.50 marks, while the market price of Danish cabbage in Berlin is 6 50 to 7 50 mark. This investigation by the B-rlin authorities shows clearly the artitional character of the "H chetpreise." When the farmer receives only those artificially-limited prices, several alternatives are open to him; he limits his production, or uses the product in other ways-r selle it as foreign pro-
