Dr. Manzer Will
Resume Profession

Having been requested by so many of my old patients to do some Dental Work for them I have decided for a short time, or until further notice, to open an office at my Residence, Chapel Street, opposite the Armoury. It was also my aim during my seventeen years' practice to give my patients the best of materials and the most modern appliances to operate with. I have equipped a new office and am now ready to do all kinds of Crown and Bridge Work, make Artificial Teeth, put in Fillings of all kinds or do any kind of Dental Work.

I am still using my old prescription in the painless extracting of teeth and also administer gas and ether.

It is a growing custom now for Dental Surgeons to have their office at their residence. This is a great advantage in many ways to patients as they are always able to find the doctor at any time of day or night. Another is being on the ground floor as many patients object to climbing a flight of stairs and still another—they have all the comforts of a modern home while waiting their turn for an operation.

I will as formerly give special attention to all diseases of the mouth, nose and throat. The specialist today is the man to consult as he has the experience in seeing and operating upon so many special cases.

Make appointments by phone 10-11 by mail or at my office.

I thank you for past favors and hope to see all my old patients back and many new ones.

D. R. MANZER, OFFICE, CHAPEL STREET, OPPOSITE THE ARMOURY

Tristram Tompkins

Tristram Tompkins of Brookville, Car Co. N. B., died Jan. 23, aged 85 years, 6 months and 15 days. He was born in Jacksonstown and came to Brookville 68 years ago and remained on his farm until his death; he was highly respected and liked by everybody, and had a good honest heart, that went out in sympathy to the poor and afflicted; a friend to everybody, never turning any one from his door cold or hungry; he will be greatly missed by the whole community. He leaves a sorrowing wife, eight daughters and one son, Mrs. Wm. Tompkins, Mrs. Thomas Pryor of Brookville; Mrs. Whitney Pryor, Mrs. Wm. Wallace of Monticello, Me.; Mrs. Sheridan Cullins, Mrs. David Miller, of Deererville; Mrs. James Crandlemire, of Avondale; Mrs. Daniel Campbell of Lakeville; one son, Herbert at home, to mourn the loss of a loving husband and affectionate father; he was a good faithful Christian and died trusting in Jesus.

MRS. CHARLES RAYMOND

On Tuesday Mrs. Charles Raymond of Middle Simonds died after a long illness of Bright's disease. She was 58 years of age and leaves besides her husband, three sons, Wilbur at Fort Kent, Byron at Keegan, Me. and Harold in Philadelphia. There are two daughters, Pearl and Ruby at home. Whitfield and Lorenzo Ebbett are brothers, and Mrs. Norville Guerrier and Miss Beatrice are sisters of the deceased.

WILLIAM BAGLEY

The death took place on Sunday of William Bagley, a well known citizen of this town. He was in his 86th year, and is survived by a widow, six daughters, Mrs. Nelson Black, Bloomfield; Mrs. Charles Wright, Mrs. Howard McDonald, Mrs. John Kaye and Mrs. Abner Hamilton, Woodstock; Miss Effie and Albert and George at home.

Florenceville

Feb. 4th—Major W. W. Melville, who returned home January 10th from active service, has spent most of the time since in Ottawa, but has been home with his family a few days this week and leaves again today for Ottawa, where he is instructing men for the position of new officers at the front. There are 72 in the class being prepared for the Canadian Engineer Force. He is also instructing a class of 89 fourth year pupils at McGill University in civil engineering. These officers are being prepared to take commissions in the Imperial Army. Three companies of the Canadian Engineers will be sent to the front soon. Major Melville has some murderous looking caricatures which he brought from the battle field—a German shell, eighteen pounder; a French seventy five shell, and a number of battered up big German shell noses. He also has an ink stand, made by one of his men, which he prizes very highly, made from German fuses, flanked by pen rack made of English, French and German fuses. Mary Salisbury, the baby who came into the Melville family October 14th, 1914, while Major Melville, her father, was at Salisbury Plain, has now grown into a sweet, winsome, blue eyed little lady, who lavishes much affection on rubber dogs and teddy bears. The silver cup sent to her by the officers of Major Melville's company, 1st Field Company, Canadian Engineers, from Salisbury Plain, has her name and date of birth engraved, also the names of the officers. It is a beauty, and will always be highly valued by the parents, and most undoubtedly by the child in later years.

Last week twenty recruits signed up with recruiting officer Ketchum, for overseas service thirteen in town and seven from Centreville and Florenceville. On Monday four signed for the different regiments.
