#### KEEP CHILDREN WELL DURING HOT WEATHER

Every mother knows how fatal the hot summer months are to small chil dren. Cholers infantum, diarrhoes, dystentry and stomach troubles are rife at this time and often a precious little life is lost after only a few hours illness. The mother who keeps Baby's Own Tablets in the house feels safe. The occasional use of the Tablets pre vents stomach and bowels troubles, for if trouble comes suddenly—as it gen erally does-the Tablets will bring the baby safely through. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
