

TUESDAY
SEPTEMBER
FOURTH

is the day on which classes will be resumed at

FREDERICTON
BUSINESS COLLEGE

Write for information as to our courses of study, We must have a large number of Graduates NEXT YEAR to supply the great demand for office help.

Address:
W. J. OSBORNE, Prin.
FREDERICTON, N. B.

George Collins

The death occurred at Lindsay, on Oct. 10th, of Mr. George Collins, at the home of his daughter, Mrs. William Kidney.

The funeral services were held in the Baptist Church at Lindsay, at 2 p. m. Friday. Rev. L. R. Foster had charge of the services, assisted by Rev. Mr. Heips.

Mr. Collins was an old veteran of the Civil War, and was eighty-two years of age. He leaves to mourn their loss, a loving wife, three daughters, Mrs. Emery Harris, of Island Falls, Maine, Mrs. William Kidney and Mrs. Harris, of Lindsay; two brothers and one sister, Mrs. Miller of Monticello, Maine, a number of grandchildren and a large circle of friends. Interment was made at Lindsay.

Aaron Giberson

On September 26th, 1917, the death of Mr. Aaron Giberson took place at Mrs. Turney Giberson's home, Caribou, Me. The deceased had been confined to his home for some time yet absolute ly resigned to his Masters will.

Mr. Giberson was born at Bath, Carleton Co. N. B., 85 years and 7 months ago, the greater part of his life having been spent in the Master's service. He died in triumph of the Christian faith, exhorting his relatives and friends to make ready for the coming judgment.

Deceased leaves to mourn his loss, ten children, many grand-children, and a very large number of relatives and friends.

Service was held at Primitive Baptist Church, Bath, and conducted by Rev. A. Hatfield.

Interment was made in the old Currie burying lot above the village.

Joseph C. Risteen

Joseph C. Risteen died in Fredericton on Friday morning Oct. 12, from a paralytic shock suffered about a year ago.

The deceased was a man of strong character, upright in his dealings, conscientious in all things. These principles of his counted in no small way to the success which followed him in his life work. He was born in Fredericton, 87 years ago, and, with the exception of a few years in the States, has resided there all that time.

He was twice married, both wives predeceasing him.

He leaves four children, two sons, Fred W. of Woodstock, and H. C. Risteen, of Williams, Ariz., two daughters, Mrs. R. F. Rankine and Mrs. Edward H. Clarke, of this city. He is also survived by one brother, John C. Risteen of San Francisco.

The funeral took place from his late residence Sunday afternoon and was very largely attended.

Mrs David Farrel

There passed away on Oct. 12 at North Lake, York Co., Mrs. David Farrel of pneumonia aged 82 years. She leaves two daughters, Mrs. Moses Dow, who is in the West, and Mrs. Daniel Graham, of North Lake, four sons Stephen, William Henry, George and Emery also a large number of grandchildren who deeply mourn their loss.

George C. Watson

In the death of George C. Watson on Friday, Oct. 12, Hartland lost its old citizen, he being 87 years of age. Mr. Watson had been in fair health and was a wonderfully well preserved man up to a week before his death. During the summer he was able to do some gardening and was at his work when seized with an ill-turn.

The deceased was born at Jackson town and lived there up to 27 years ago when he sold his farm, came to Hartland, and established a furniture and undertaking business which he successfully conducted up to ten years ago. Since then he has lived in retirement. He is survived by his wife, who was Miss Drydale of Woodstock, one son, Prof. W. F. Watson of Athens, Ga., and one daughter, Mrs. L. R. Hetherington of Riverside, Albert Co. Mr. Watson was a man of sterling character, a staunch defender of high ideals, a Baptist by faith and for many years a prominent member of that that denomination. He was a Liberal in politics.

The funeral on Sunday was largely attended and the earthly remains of this good and honored old man were tenderly laid to rest in the "Bradley" cemetery. Rev. Geo. Kincaid preached a touching sermon from the words "And there shall be light at even tide."

Rev. C. Frank Rideout, of Bridgeport, Conn., has been visiting his brother, Wilmot B. Rideout, at Somerville. Mr. Rideout, who is a Simonds boy, has heard the call of justice and has enlisted for service in the United States army as chaplain.—Hartland Observer.

BORN

TRUE.—At Woodstock on Wednesday, Oct. 17, to Mr. and Mrs. Ellis True, a son, James Edwin.

Honors for Dr. Leigh Brown.

The registrar of the Medical Council of Canada, Dr. R. W. Powell of Ottawa, announces that among others J. F. L. Brown of Middle Southampton, York Co., had passed the examination for registration on the Canada Medical Register. This degree is the highest conferred by examination in Canada, held by comparatively few doctors in Canada. It entitles doctors to practise anywhere in the dominion. Dr. Brown has been spending the the past year in hospitals in Montreal, and is now at home on a vacation.

At Washington, official diplomatic despatches, received Thursday, report mutinies in the Austrian navy and clashes between Austrian sailors and crews of the German submarine fleet at Pola, in which officers on both sides have been killed and which resulted in a decision to chance the base of the German flotilla. Despite the attempts of the Austrian Admiralty to suppress the news, it reached Washington, coming by way of Berne. The Austrian crews are said to have revolted under ill-treatment of officers and bad food, while the clash with the German submarine crews was caused by the over-bearing conduct of the latter.

Exemption Tribunals.

Exemption Boards have been chosen in such a way as to make them absolutely independent and removed from all influence. There are over 1,250 boards throughout the country, each composed of two men, one appointed by the county judge in the district concerned and one selected by a joint committee of Parliament. Being familiar with local conditions where they sit, the members are well-fitted to appreciate such reasons for exemption as are put before them by men called up.

Exemption will be granted to those who can establish that it is in the national interest that they remain in civilian life. This is for the Exemption Board to decide after having received full information in each case.

The grounds on which exemption may be claimed (which are similar to the grounds recognized in Great Britain and the United States) are as follows:—

- (a) That it is expedient in the national interest that the man should, instead of being employed in Military Service, be engaged in other work in which he is habitually engaged.
- (b) That it is expedient in the national interest that the man should, instead of being employed in Military Service, be engaged in other work in which he wishes to be engaged and for which he has special qualifications.
- (c) That it is expedient in the national interest that, instead of being employed in Military Service, he should continue to be educated or trained for any work for which he is then being educated and trained.
- (d) That certain hardship would ensue if the man were placed on active service, owing to his exceptional financial or business obligations or domestic position.
- (e) His health or infirmity.
- (f) That he conscientiously objects to the undertaking of combatant service and is prohibited from doing so by tenets and articles of faith, in effect on the sixth day of July, 1917, of any organized religious denomination existing and well recognized in Canada at such date, and to which he is in good faith belong.
- (g) That he should be exempt because disfranchised under the War Time Election Act.

No claim for exemption should be put forward unless one or other of these grounds in fact exists, and no loyal citizen should assist in, or allow himself to be made a party to, any claim for exemption unless thoroughly satisfied that it is made in good faith.

Exemption may be applied for by the men selected themselves or by their parents, near relatives or employers. Application for exemption must be made on printed forms to be found at every post office, which are to be filled in and left with the postmaster if exemption is desired. The postmaster will forward the form to a Registrar, who will send it to the appropriate Exemption Board. In due time, then, the Applicant will get notice as to when he must present his case before the Board.

Issued by The Military Service Council.

Naval Battle in Gulf of Riga

Petrograd, Oct. 18.—A naval battle has occurred in the Gulf of Riga between Russian and German battleships, the war office announces. The Russian battleship Salva was sunk.

Copenhagen, Oct. 18.—Rumors of the loss of a German warship in the Sound, the narrow straight between Denmark and Sweden, are being circulated. The reports are indefinite and unconfirmed, but the bodies of two German marines and a sailor have drifted ashore in the vicinity of Elsinor, Denmark.

Farm For Sale

A farm of 200 acres situated on the Canterbury road in York, Co., one mile from Benton Station. The buildings are all in good repair. House For Sale

Large House 16 rooms with woodshed and barn situate on Broadway near Valley Railway Station. Land freehold, one and one half extra lots adjacent suitable for gardening.

ROBERT L. SIMMS SOLICITOR Sentinel Building King Street Woodstock, N. B.

Copenhagen, Oct. 18.—Naval and military operations against the Aland Islands, possibly may be the next step in German strategy. Indications of such a measure are found in the strategical discussion of the Ossel Island campaign in various German newspapers, which point out the desirability of sewing up the Gulf of Finland by acquiring the bases to the north as well as to the south of the entrance.

(The Aland Islands, of which here are eighty, are in the Gulf of Bothnia, north of the entrance to the Gulf of Finland.

The Red Cross Fund.

The collections for the British Red Cross on Saturday was a grand success, amounting to the handsome sum of over \$800. All amounts of \$1 or over will be acknowledged in the local newspapers. The Boy Scouts, under the efficient charge of Mr George Ransom, worked hard all day in making the collections, their headquarters being at the office of the Dominion Express Company. The list will remain open till tomorrow (Wednesday).

Distribution of Seed Grain and Potatoes

from the Dominion Experimental farms 1917-1918

By instructions of the Hon. Minister of Agriculture a free distribution of superior sorts of grain and potatoes will be made during the coming winter and spring to Canadian farmers.

The samples of grain for distribution will consist of spring wheat (about 5 lbs.), white oats (about 4 lbs.), barley (about 5 lbs.) and field peas (about 5 lbs.).

These will be sent out from the Central Experimental Farm, Ottawa, by the Dominion Cerealist, who will furnish the necessary application forms.

A distribution of potatoes in samples of about 3 lbs. will be carried on from most of the Experimental Farms, the Central Farm supplying only the province of Ontario.

All samples will be sent free by mail. Only one sample of grain (and one or potatoes) can be sent to each applicant. As the supply of seed is limited, farmers are advised to apply very early.

Blood-Making Medicine

It took centuries for medical science to discover that the blood is the life. Now, it is known that if the blood were always abundant, rich and pure, very few people would ever be ill. It was not until the end of the 19th century that an instrument was invented for measuring the red part of the blood. Then doctors could tell just how anemic a patient had become, and with medicine to make new blood the patient soon got well.

All the blood in the body is nourished and kept rich and red by the food taken daily, but when, for any reason, a person is run down and cannot make sufficient blood from the food to keep the body in health, then a blood-making medicine is required. The simplest and very best of blood-makers suitable for home use by anyone, is Dr. Williams' Pink Pills. When a course of these pills is taken their good effect is soon shown in an improved appetite, stronger nerves, a sound digestion and an ability to master your work and enjoy leisure hours. For women there is a prompt relief of, or prevention of ailments which make life a burden. As an all round medicine for the cure of ailments due to weak, watery blood no medicine discovered by medical science can equal Dr. Williams' Pink Pills.

You can get these pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
