Summer School of Science

The Rural Science School at Woodstock will open this summer on Tuesday the 10th of July at 2 o'clock in the afternoon. After enrollment there will be one class period. In the evening there will be a public meeting at which citizens are cordially invited to attend. All the students are requested to be present and to sit in a body.

The address of the evening will be delivered by the Rev. Frank Baird of Woodstock, subject "The Rural Science School as a Provincial Asset."

This School is becoming a permanent institution. The co-operation of the citizens of Woodstock as well as of those of the County of Carleton is asked to insure for it a greater measure of success. The more the teachers of the western part of the Province appreciate the opportunity which this School brings within their reach, the more completely will its aims and objects be secured. A large attendance of teachers is looked for.

It is to be hoped that the citizens of the Town of Woodstock will fill the Assembly Hall of the Fisher Vocational School on the evening of opening day.

MARRIED

CARR CAVENDER.—At Canterbury on Sunday, July 1st 1917, by the Rev. J. E. Flewelling, Rector of Canterbury, Frank Herbert Carr, to Miss Mabel Elizabeth Cavender, both of Canterbury.

Fred Matthews, who has been for some time a carpenter with Merritt Brothers, has joined the Canadian army, and started Tuesday afternoon for Woodstock. Monday evening the members of the choir of the Methodist church, of which he was one, took an automobile ride in his honor, eating a fine supper in Caribou, and then motoring to Presque Isle and back, the trip being a most pleasant one. Mr. Matthews has one brother serving in the British army, and has also had one killed there. It is easily to be seen that patriotism runs in the Matthews family.—Fr. Fairfield Review.

Save The Children

Mothers who keep a box of Baby's Own Tablets in the house may feel that the lives of their little ones are reasonably safe during the hot weather. Stomach troubles, cholera infantum and diarrhoea carry off thousands of little ones every summer, in most cases because the mother does not have a safe medicine at hand to give promptly. Baby's Own Tablets cure these troubles, or if given occasionally to the well child will prevent their coming on. The Tablets are guaranteed by a government analyst to be absolutely harmless even to the newborn babe. They are especially good in summer because they regulate the bowels and keep the stomach sweet and pure. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

London-Robinson

A very pretty wedding took place at the home of the bride's sister, Mrs. Joseph M. Gans, Upper Woodstock, on Wednesday afternoon June 27, at 3 o'clock, when Miss Pearl M. Robinson, daughter of Mr. and Mrs. Wilnot W. Robinson was united in marriage to Mr. LeRoy M. London, of Bellville. The ceremony was performed by the Rev. Dr. Kierstead, of Fredericton, in the presence of the immediate relatives of the bride and groom. The house was prettily decorated for the occasion with cut flowers and potted plants. The bride looked charming in a gown of white silk Crepe de Chine with veil and orange blossoms and she carried a shower bouquet of cream roses and maiden hair fern. Her sister Mrs. Cecil Fitzsimmons, was matron of honor. She wore a handsome gown of black taffeta braided with gold and black lace trimmings. As the bridal party entered the parlor Lobengrin's Wedding March was played by the bride's sister, Miss Ruth Robinson. After the ceremony supper was served. Mr. and Mrs. London went by auto to their future home in Bellville.

The bride's going away gown was a gray cloth tailored suit with rose hat. She received many gifts showing the esteem in which she is held. The groom's gift was a piano.

Strong-Flemming

A pretty wedding took place at the home of Mrs J E Flemming, Lindsay, Carleton County, June 20th, when her eldest daughter, Clara Rowena, was united in marriage to Ernest S Strong, son of Mr and Mrs Thomas C Strong. The ceremony was performed by Rev G S Helps in the presence of about 35 guests. At 5 p m the bride and groom entered the parlor to the strains of the Bridal Chorus, rendered by Miss Effie M Strong, taking their places under an arch of evergreens and apple blossoms. The bride was beautifully gowned in a gown of ivory duchesse, satin and silk embroidered lace, with veil caught with lilies of the valley, and carried a bouquet of pink and white carnations and maiden hair fern. The bride was attended by little Miss Myrna DeWitt, who acted as flower girl, carrying a basket of pink and white geraniums. The house was beautifully decorated for the occasion with evergreens and cut flowers.

After the ceremony the guests repaired to the dining-room, where a bountiful supper was served. The bride received many beautiful presents. The young couple have the best wishes of their many friends.

Three Woodstock Heroes

Three of our Woodstock boys returned from the war in the persons of Arthur Glidden, Howard Jacques and Wm. George. They arrived at noon on Tuesday having landed at a Maritime port last week with a large number of other wounded men.

Private P. Carten also came to Woodstock with the other boys. He left here with the 140th, was attached to the 26th, and was quite badly wounded in recent fights.

Gunner Howard Jacques, son of Mrs. Howe Jacques, was attached to the 8th C. F. A., and lost an eye and had a leg badly shattered on the Somme. He will receive an honorable discharge.

Gunner Arthur Glidden son of the late Wm. F. Glidden, was proprietor of Glidden's livery stable when he left here with a draft from the 65th Battery. He was attached to the 18th Battery in France. He was slightly wounded in three places, the body, throat and chin, and was generally used up.

William George left here with the 55th and went to France in a draft to an Ontario Battalion in June, 1915, and fought all over the line from where the Belgian soldiers are, down to the French line, without being wounded. He was in the trenches from June, 1915, to August, 1915, then he had a rest of four months in England. Back he went to the trenches and remained there until March 1917, when he was sent to England, his lungs having been affected by exposure. His most severe fights were on the Somme and at Arras. His brother, Woodie, was killed on the Somme, Sept. 9th, 1916, and another brother, Theodore J., left here with the 104th, and is now in the trenches.

Letter Received by Mrs. A. F. Winslow

May 30th 1917

Dear Mother

Just a few lines to let you know that I am well and getting along O. K.

Have not received any mail from you for a long time. The last one I got from you was about four weeks ago, I got the ten dollars from the bank all right and I know you have sent parcels for my birthday. Up to now, I have been very lucky with my mail and I am sure I will get it all O. K. I suppose you have been worried about me, and have seen in the list in the paper of my being wounded. Well it was not much just a cut in the forehead about one inch and a half long. It was a good thing I sent the picture when I did as it was my otherwise beautiful mask. The shell dropped and I was hit by flying pieces of bricks or iron. I thought at the time I was hit by a C. F. R Engine or kicked by a mule. It happened the twelfth of April, have been in Hospital and from there to Convalescent, had a good time and am now fit again, have not seen Miles for a long time.

from your Loving Son Ray

TOWN COUNCIL

MONDAY EVENING.

Council met at 8 p. m., Mayor Burt and all the councillors present.

The session was devoted to a lengthy discussion of the finances, pure water, roads and sidewalks.

Treasurer Comben reported for June that the receipts were \$35,337. The credit bank balance was \$24,000.30.

Coun Leighton—There was collected before the discount time expired, the sum of \$34,000, the largest amount in the history of the town. That will leave about \$10,000 of this year's taxes to collect.

The treasurer was instructed to notify all delinquent ratepayers that on August 1st, if the taxes are not paid, a lien on the property, a suit or execution will issue, and the cost will be added on the tax due.

It was ordered that notice be given that a vote of the ratepayers be taken on August 10th to see if they are favorable for the issuing of bonds to improve the water supply by installing a filtration plant.

In conformity with recent legislation, the street committee was instructed to consult the solicitor as to a by-law to govern the erection of permanent sidewalks.

The following amounts were ordered paid: Schools \$5000, County \$4080.03, Library \$600 and Hospital \$500.

FRIDAY EVENING.

Council met at 8 p. m. Present, His Worship the Mayor and all the councillors.

Coun Fisher reported that he had consulted Solicitor Hartley and that the by-law governing the erection of permanent sidewalks would be drafted in the near future.

Mayor Burt—I had a telephone message to-day from the Imperial Oil Company asking if it could put up a gasoline tank near where the oil tank is now.

Mr Hartley—The location is outside the town limits.

Moved by Couns Leighton and Fewer that \$526 be transferred from current account to sinking fund account. Carried.

All the bills coming from the finance committee were ordered paid.

The salaries falling due on June 30th were ordered paid.

Moved by Couns Smith and Leighton that Engineer Grimmer be paid \$600 on account. Carried.

Coun Leighton—In order to come out even at the end of the year, the spending departments have got to close down fairly close for the next five months. I will not vote in favor of spending one cent over the appropriations. Each department is now running well up in its appropriation. Some councillors have been contracting bills over the limit of \$20, while this cannot be done without a vote of the Council.

Coun Fisher said he would look into the question of skirting Elm street.

Coun Fewer said that the chairman of the board of health, Dr T W Griffin, had closed the Queen street dump.

Coun Stevens requested that electric lights be placed near the residence of Dr Clarke at the upper end of town and Mr Bagley near the Houlton road.

Coun Smith feared that the money in his department would not be sufficient to do the work this year.

Coun Flemming thought that the poor department would not have sufficient money, owing to the demands upon it, to carry it through the year.

The Council then adjourned.

Miss Smith, teacher of the manual training department of the town schools, is spending her vacation in St. Stephen, and Miss Akerley, teacher of domestic science, left on Friday to spend her holidays at her home in Norton, Kings county.

The annual picnic of St. Gertrude's Catholic church will be held this year on the same date as last year, Wednesday, August 8th.

W. L. Keith, of Hartland, was in town on business last week.

In the casualty list on Saturday appears the name of Gunner R. D. Riddout of Peel, Carleton County, killed in action with the Artillery.
