Emma Boldman and
Berkman Indicted

New York, June 22.—Emma Goldman and Alexander Berkman, called the two leading anarchists of this country, were indicted here today by a Federal Grand Jury on charges of conspiring to induce young men not to register for the selective draft. They pleaded not guilty and were held in \$25,000 bail each.

The indictment is based on articles signed by the defendants which appeared in the publications styled "Mother Earth" and "The Blast."

Their counsel complained to United States Judge Mayor that the surety companies refused to furnish bonds for

all persons accused by the government of matters bearing on the war.

The court said that the only kind of bail acceptable would be cash or realty. As neither of the prisoners has been able to furnish bonds of \$25,000 since their arrest their counsel pleaded for a reduction of bail. This was denied.

Although a request was made for more time in which to prepare their cases for trial, the court ruled that it must proceed next Wednesday. The prisoners were taken back to the Tombs.

Late today Miss Goldman's attorneys produced \$25,000 in cash for her bail and she was released. Berkman, however, was unable to supply a satisfactory bond and was returned to the Tombs.

Coun. Melville criticized the method of jury fees payment and would like the recommendations of the auditor carried out. He would move that the recommendations be carried out.

County Secty.—The method of paying jury fees was suggested by the late Mr. Vince as being more convenient. If the council wish I will make

out checks for the Jurors. I try to make my office as convenient as possible and this cannot be done by issuing checks. However I will issue checks if the Council so decides.

Coun. Melville—It may be convenient but it is not business. Keeping two accounts should be stopped.

The motion to issue checks was carried. Council went into Committee on bills and accounts.

Coun. W. J. Gallagher asked for a report from the Deputy Sheriff as to condition of jail when he took charge.

Coun Melville said the chairman of the jail committee was not present.

James Phillips of Peel was appointed pound keeper and hog-reeve.

Coun W. J. Gallagher moved that Deputy Sheriff be heard. Carried.

Deputy Sheriff Mooers—I took the jail, May 1st and found it in a very bad condition. The chairman of the jail committee examined it and had most satisfactory repairs made.

I may state there is not a hand-cuff, or shackles or baton on the premises. I would also like to state that carpets were bought some years ago and to make myself right I want to state there are none there now. They were bought at a cost of \$300.

Coun Burr—There were carpets there at one time but they were probably worn out.

Coun Tompkins—Carpets costing \$300 should last a long time.

Coun Burr—You cannot find a carpet in any house 17 years old.

Coun. W. J. Gallagher—The explanation is quite satisfactory as it relieves the present sheriff of any responsibility if it comes up later.

Coun Tompkins—Somebody must know about these carpets. If they were taken away we should know it. Coun Phillips moved that the building committee look into the matter. Carried.

Coun Carvell—You might get some information from Mr. Fewer as he was chairman of the building committee at the time.

Coun Melville—I was in the Council at the time the carpets were bought and the bill of \$175 caused a lot of discussion. If the carpets are still good we should know where they are. Every new jailer made complaints about condition of jail. We have to make repairs every time a new man comes in. We should not censure Mr. Burden as the jail is bound to need repairs.

Coun Burr—We don't censure any one. We have to face conditions as they are. I could not account for so much plaster being off. The jail has never been in such a good condition as at present. I handled it as best I could as it was in a pretty hard shape.

The following resolution was moved by Coun Lamont, seconded by Coun Hemphill. That the sum of \$75 be paid overseers of Aberdeen for support of poor. That Gideon Grant, \$6.50, Hiram Biggar, \$3.00, Chas. Rauley, \$6.00, Hedley Somerville, \$6.00, Fred Lee, \$9.00, be paid for work on Sparkle Road, March 1917.

Coun Bell—(Richmond) moved that Scott Act Inspector McLean be heard. Inspector McLean—Scott Act affairs are progressing very favorably with me this year so far as convictions are concerned. The county is in good shape and it is most gratifying to me that my work is appreciated as reported at your last session.

Coun Morgan wanted a report from some of the committee who attended the "Win The War" Convention at St. John and Montreal.

Coun Burr in reply said the delegates had a good reception. Any young man who listened to the speeches and pleas at the convention, would not hesitate to put on the khaki. I am sure good must have come out of such a gathering.

In answer to Coun Tompkins, Inspector McLean said that the summons issued against Roy Saunders in connection with Scott Act, was an error of the stenographer. He regretted the mistake as an unintentional injustice had been done Mr. Saunders.

Coun Morgan moved that the finance committee, with the Secty-Treas., be authorized to make a further overdraft at the bank not to exceed \$20,000.

The Deputy Sheriff was voted the same pay as the councillors for attendance.

Charles Glew, James Gartley and David Dykeman were added to the list of fenceviewers for the parish of Richmond.

\$5.00 was ordered paid to Ed. Greer for road damages and charged to the Parish of Aberdeen.

Council adjourned.

Strenuous Work
Soon Tells on you

Business Men and Breadwinners the Victims of Nervous Exhaustion

When worry is added to overwork men soon become the victims of nervous exhaustion—neurasthenia—the doctor calls it. Some have no reserve strength in their systems to bear the strain; others overtax what strength they have. If you find that you are nervous and not sure of yourself, that you sleep badly, and wake up tired and aching, your nerves are out of order. Other signs are inability to take proper interest in your work; your appetite is fickle; your back feels weak, and you are greatly depressed in spirits. One or more of these signs mean that you should take prompt steps to stop mischief by nourishing the nerves with the food they thrive on, namely the rich, red blood made by Dr. Williams' Pink Pills. These pills have cured thousands of cases of nervous disorders, including nervous prostration, neuralgia, St. Vitus dance and partial paralysis. Here is an example. Mr. P. H. Callan, a well known business man in Coleman, P. E. I., says: "I owe my present health, if not life itself, to Dr. Williams' Pink Pills. I had always been an active man, and when I began to run down in health paid little attention to it as I thought it only a temporary weakness. As time passed, however, I found my self growing worse, and consulted a doctor, who said that I was not only badly run down, but that my nervous system was badly shattered. I lost flesh, my appetite was poor, I slept badly and notwithstanding the doctor's treatment grew so weak that I had to leave my business and was confined to the house. Time went on and I was steadily growing weaker, and my friends were all greatly alarmed for my condition. In this condition I was strongly recommended to try Dr. Williams' Pink Pills, and as the doctor's medicine was not helping me I decided to do so. By the time I had used three boxes I could tell that they were helping me. When I had taken eight boxes of the pills I felt able to attend to my business again, and people were surprised to see me out. I continued the use of the pills until I had taken twelve boxes, by which time I was feeling as well as ever I did, and was being congratulated by all my friends on my full restoration to health. I feel now that if I had used Dr. Williams' Pink Pills at the outset I would not only have saved much money spent in doctor's bills, but would have had renewed health sooner. I cannot speak too highly of this medicine, and would recommend it to every man who feels weak, nervous or run down."

You can get these pills through any medicine dealer, or by mail at 50 cents a box, or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
