Get Behind the Wheel of a Ford and Drive

TRY it just once! Ask your friend to let you "pilot" his car on an open stretch. You'll like it, and will be surprised how easily the Ford is handled and driven.

If you have never felt the thrill of driving your own car, there is something good in store for you. It is vastly different from just riding—being a passenger. And especially so if you drive a Ford.

Young boys, girls, women and even grandfathers—thousands of them—are driving Ford cars and enjoying it. A Ford stops and starts in traffic with exceptional ease and smoothness, while on country roads and hills its strength and power show to advantage.

Buy a Ford and you will want to be behind "the wheel" constantly.

LOREN H. HALL.

In the death of Loren H. Hall, Houlton loses another one of its most respected citizens, and the news of his sudden death has cast a gloom over the community.

Mr. Hall apparently was in his usual good health on the day that he was stricken, doing his daily work, and had visited the Grange store to secure some supplies, and it was during his visit there that he was suddenly stricken with apoplexy, from which he did not rally, passing away late Sunday afternoon. His age was 74 years.

Mr. Hall came to Houlton from New Brunswick about 10 years ago and purchased property on the Calais Road from Wm. VanWart, where he has since lived. He was a quiet, unassuming man, a splendid neighbor, and his hearty and sincere friendship will be most sincerely missed.

He was an enthusiastic member of the Methodist Church, also a member of the Grange.

He is survived by a widow and an only child, Miss Helen Hall, 4 brothers, Allison and Samuel of Richmond, N. B., Henry of Houlton, and Albert, of Montana; 3 sisters, Mrs. Donald McLeod of this town, Mrs. Annie Hanscom, of Rockland, and Mrs. Hamilton, of Springfield, Mass.

Funeral services were held from his late home, Tuesday P. M., conducted by Rev. Thomas Whiteside, pastor of the M. E. Church, and was attended by a large number of sorrowing friends. To the bereaved family the deepest sympathy is extended.

Rev. J. J. Ryan left on Monday for different parts of the province to attend the Indian missions.

Lt G P O Fenwick  
Killed in Action

Gleaner

Lieut. George Paget Owen Fenwick, brother of Mrs. G. C. VanWart, of this city, has made the supreme sacrifice, and poured out his life's blood at Freedom's Altar in France, Oct. 30th. The sad news reached Fredericton on Tuesday in a telegram to Mrs VanWart.

The young man enlisted at Edmonton in the 115th, going overseas in September, 1916. He was connected with a machine gun company and, while directing its fire, met his end.

The deceased was one of those bright young men, with prospects of a brilliant future, who gave up all that the future held near and dear to go forth in battle for the cause of right.

He was a graduate of Sussex Grammar School, the University of New Brunswick and Dalhousie Law School. He also had taken a post graduate course of two years at Queen's University. For two years he was Principal of Dorchester High School, and afterward was on the faculty of the Wesleyan University, Middletown, Conn. He was a member of the Class of 1902 at U. N. B.

After finishing his duties at Wesleyan he moved to Edmonton for the practice of his profession. Here his abilities

were quickly recognized and he was soon made Deputy Attorney General for Alberta. He was rapidly making himself felt in the legal world of his province, when he dropped all in response to his country's call.

He was thirty-five years of age and unmarried. He is survived by two sisters, Mrs. G. C. VanWart and Miss Lena Fenwick, of this city. Two brothers, Rev. L. A. Fenwick, of Jacksonville, Carleton county, and William A., connected with the New York, New Haven and Hartford Railway with headquarters in Boston.

The young man had many warm personal friends in this city, he having been a social favorite while attending the University.

His many acquaintances are sorrowed at the news of his death, and extend heartfelt sympathy to the bereaved relatives.
