Kiltie Concert

The Kiltie Concert Company is to be with us on Wednesday evening April 11th at 8 p. m. in the Hayden-Gibson Theatre. The Kilties put on a very attractive programme consisting of selections by the Pipe and Brass (formerly the 115th) Bands, Scotch dancing, juggling, tumbling, comic songs and two very clever one act plays, the last one being a scene from the front line trenches at night. They have played in all the principal towns of the province and have had full houses everywhere. It is to be hoped that the people of Woodstock will turn out en masse to greet the lads of New Brunswick's first Highland Battalion.

The Executive Committee met at the Baptist Church at the close of the evening service on Sunday night and elected the officers for the Canadian Bible Society for the year. President, F. L. Atherton; secretary, Geo True; treasurer, W. M. McCunn; other members of the Executive are: Mrs. A. S. Benn, Mrs. Hubert Seely, Mrs. S. J. Parsons, Mrs. Arthur Birmingham, Mrs. Edward London, Mrs. R. B. Potter, Frank Olmstead, Lee Raymond, G. L. Holyoke, Byron Robinson; all the clergymen of the town are appointed vice presidents.

**Serve
Save
Produce**

EVERY ONE CAN do something for his country

Some can bear arms
Some can produce food
Some can make munitions
Some can give money

It is the privilege of all to help.

YOU CAN SERVE by Fighting—Working—Saving—Giving

This is NATIONAL SERVICE

Are YOU doing your part?

ALL EYES turn now to the Canadian Farmer, for he can render the Empire SPECIAL SERVICE in this sternest year of the war.

But—our farms are badly undermanned—25,000 men are needed on the land.

With insufficient help, the Man on the Land fights an uphill fight to meet the pressing need for Food.

CITY and TOWN can help.

Municipal Councils, Churches and Schools, and other organizations, both of men and women, can render National Service by directing all available labour to the Land.

Farmers themselves can exchange labour. School boys can assist.

Were you raised on a farm? Can you drive a team? Can you handle fork or hoe? If you can't fight, you can produce. Spend the Summer working on the Farm.

Let every man, woman and child in the Dominion who has access to Land, no matter how small the plot, make it produce Food in 1917.
