

EVERY HEADACHE HAS A MEANING

If there is one practice more dangerous than neglecting a headache altogether, it is taking drugs simply to numb the pain. Headaches are nature's warnings and serve a useful purpose. They tell of a function overtaxed or deranged and the wise man or woman takes steps accordingly.

When the Kidneys are not performing their natural function the blood stream becomes clogged with impurities—a fruitful cause of headaches, constant headaches, and more serious complaints if nature's warning is not heeded.

The sufferer feels sluggish, unwilling to work, the back aches and there is a dizzy sensation on stooping. If the cause of the trouble is unchecked, Rheumatism, Lumbago, Swollen Joints and Ankles follow, until Gin Pills are resorted to and the Kidney action restored to normal.

The beauty of the Gin Pill treatment is that first it will in all probability remove both headaches and cause; second, if there is no cure, the simple remedy can do absolutely no harm, and you have only to write the manufacturers and your money will be refunded.

Gin Pills are sold at 50c. a box or 6 boxes for \$2.50 on the money-back guarantee. If you have any difficulty in securing Gin Pills write for a free sample to the National Drug & Chemical Co. of Canada, Limited, Toronto, or to the U. S. address, Na-Dru-Co Inc., 242 Main St., Buffalo, N. Y.
