Memorial Service In the The United Baptist Church

For Gr. Edward Roy Snow And Pte. Roy Baker

A memorial service was held on Sunday evening Dec. 16, in the United Baptist Church for Gunner Edward Roy Snow and Pte. Roy Baker. Besides the relatives of the fallen heroes, the Knights of Pythias attended in a body and also a large number of men from the 65th Battery. The choir rendered special music appropriate to the occasion. The large and representative audience spoke of the high esteem in which the young men were held and showed the desire of our citizens to pay honor to men who have given their lives for so noble a cause.

The Pastor, Rev. J. E. Wilson, made fitting reference to the young men and spoke most earnestly of the spirit that had led them to so willingly offer themselves to their country in the hour of great danger. Both of these, our brothers, were killed as the result of daring and faithful service at the front and both lived about one day after they had been taken to the hospital for treatment, and both were in their 34th year, thus laying down their lives in the fullness of their young manhood and when they would seem to have had the most to live for. They had heard the call to duty and enlisted early in the war. It is this loyalty to duty that is going to win this war.

The noble example of these young heroes, their loyalty to conviction, their undaunted courage, their tremendous self sacrifice, and their calm and resolute spirit in the face of death makes it a joy for us all to pay tribute to the worth of the men who have gone to the battle fields of France and Flanders from our Canadian homes. No men have ever proved more worthy of the name of soldiers than our own Canadian boys.

The Pastor said that it was no empty boast that he as a Canadian was making for the Canadian soldier, and which to citizens of other countries might seem to be partial. Their record was before the world; and military leaders of both the Allied armies and of our enemy have been ready to praise the Colonial troops. Lord Beaverbrook says that a very distinguished French General stated the following concerning the troops of the great self governing dominions who from so far have gone to sustain with their lives the fortunes of the Allies upon soil so remote. "Nothing in the history of the world has ever been known quite like it. My countrymen are fighting within fifty miles of Paris to push back and chastise the vile and leprous race which has violated the chastity of our beautiful France. But the Australians at the Dardanelles, and the Canadians at Ypres fought with supreme and absolute devotion for what to many of them must have seemed simple attractions, and that nation which will support for an abstraction the horror of this war of all wars, will ever hold the highest place in the records of human valor."

This is the tribute of a great French General to our men, and we trust that to morrow as the citizens of Canada go to the polls that they will pay a corresponding tribute to the men in the trenches by supporting the men in Canada who purpose to sustain the army with means and men until final victory has been achieved.

Hartland Visited By Fire

At 4 o'clock on Friday morning the enterprising town of Hartland was awakened by a cry of fire. Taylor's brick block was the scene of a nasty blaze which soon spread across an alley into T. G. Simms' store and dwelling, and for a time it was thought that Mrs. George Boyer's residence just south of the Simms' building, must be destroyed also, but through hard fighting by the firemen and the protection of a steel roof Mrs. Boyer's building remains undamaged.

The lower floor of the Taylor block, occupied by John T. G. Carr and Thos. Thistle as shops, were much damaged both by fire and water. Two upper floors used as dwelling occupied by Mr. Taylor himself, and Roy Hall, were damaged more by water than fire. The Simms building being wooden is much damaged, and the stock of Carr & Simms destroyed. The origin of the fire is unknown.

The loss is estimated at \$18,000.
