**Build Up The Blood**

**You Cannot Have Health if**  
**the Blood is Weak and**  
**Watery**

It is a hopeless task to try to restore  
your health while your blood is de  
ficient in quantity or quality. The  
blood circulates through every portion  
of the body. It takes nourishment  
from the food and distributes it to the  
various organs and muscles; it takes  
also any medication that is adminis  
tered through the mouth. The blood is  
the only means by which medicine can  
reach the nerves. Hence if the blood  
is poor the body becomes weak and the  
nerves shaky, and the victim may be  
subject to headaches and dizziness, poor  
appetite, indigestion, a constantly tired  
feeling or perhaps to rheumatism,  
sciatica or neuralgia. Poor blood is the  
forerunner of nearly every ailment to  
which mankind is subject, and you can  
only enjoy robust health by keeping the  
blood rich, red and pure. To keep the  
blood in this condition no medicine yet  
discovered can equal Dr. Williams' Pink  
Pills. Every dose helps to make new,  
rich blood which carries new health and  
new strength to every part of the body.  
When one becomes weak and pale Dr.  
Williams' Pink Pills restore the blood,  
bring the glow of health to the cheeks,  
and make weak, ailing people energetic  
and strong. Mrs. Stephen H. Williams,  
Kitchener, Ont., says:—"Some years  
ago my health started to fail. The  
doctor said my blood was thin and  
watery, out the medicine I took did not  
do me any good. My joints and limbs  
would ache and swell, until it was al  
most impossible for me to get up and  
down, and no one knows how much I  
suffered or how discouraged I was.  
Reading of Dr. Williams' Pink Pills one  
day I decided to try them. I got a  
couple of boxes, and by the time I had  
taken them felt an improvement. I  
then got six boxes more and before I  
had taken them all felt like a new  
woman in every way. I could do my  
housework without feeling tired, and in  
fact, I was enjoying better health than  
I had done for years. You may be sure  
I will always strongly recommend Dr.  
Williams' Pink Pills to all other suffer  
ers."

You can get these pills through any  
dealer in medicine or by mail at 50 cents  
a box or six boxes for \$2.50 from The  
Dr. Williams' Medicine Co., Brockville,  
Ont.
