A Banker's Experience.

"I tried a bottle of Dr Chase's Syrup of Linseed and Turpentine for a troublesome affection of the throat," writes Manager Dewson of the Standard Bank, now of 14 Melbourne Avenue, Toronto. "It proved effective. I regard the remedy as simple, cheap, and exceedingly good. It has hitherto been my habit to consult a physician in troubles of this nature. Hereafter, however, I intend to be my own family doctor."

HE ESCAPED.

ANDOVER, Jan. 11.—Constable Turner had just returned on Saturday last from the head waters of the Tobique with Howard Giberson in custody for selling liquor. On arriving in Perth, Turner, who wished to see a man he thought was in the post office, stepped from the sleigh to the sidewalk to glance in the window, when Giberson, quick as thought, lashed up the horse and escaped. A warrant is now out for him for stealing the horse, etc. The sheriff of Carleton county has been applied to assist in capturing the runaway.—Sun.

THREE THINGS.

A good advertisement will do three things—catch the attention, direct it to the thing you want to sell, and leave a pleasant impression on the mind. Many advertisers are so engrossed with the first requisite of advertising—catching the attention—that they lose sight of every thing else.—Ex.

Tottie—What is a taxidermist?

Mamma—One who stuffs things.

Tottie—Then is Johnnie a taxidermist? He is always trying to stuff me.

R.I.P.A.N.S. Packed Without Glass. TEN FOR FIVE CENTS.

This special form of Ripans Tablets is prepared from the original prescription, but more economically put up for the purpose of meeting the universal modern demand for a low price. DIRECTIONS.—Take one at meal or bed time or whenever you feel poorly. Swallow it whole, with or without a mouthful of water. They cure all stomach troubles; banish pain; induce sleep; prolong life. An invaluable tonic. Best Spring Medicine. No matter what the matter, one will do you good. One gives relief—a cure will result if directions are followed. The five-cent packages are not yet to be had of all dealers, although it is probable that almost any druggist will obtain a supply when requested by a customer to do so; but in any case a single carton, containing ten tablets, will be sent, postage paid, to any address for five cents in stamps, forwarded to the Ripans Chemical Co., No. 10 Spruce St., New York. Until the goods are thoroughly introduced to the trade, agents and peddlers will be supplied at a price which will allow them a fair margin of profit, viz.: 1 dozen cartons for 40 cents—by mail 45 cents. 12 dozen (144 cartons) for \$4.32—by mail for \$4.82. 5 gross (720 cartons) for \$39.52. 25 gross (\$5,000 cartons) for \$100. Cash with the order in every case, and freight or express charges at the buyer's cost.
