Suffering Vanquished.

A Nova Scotian Farmer Tells How He Regained Health.

Had Suffered from Acute Rheumatism and General Debility—Scarcely Able to Do the Lightest Work.

From the Acadien, Wolfville, N. S.

One of the most prosperous and intelligent farmers of the village of Greenwick, N. S., is Mr. Edward Manning. Anyone intimate with Mr. Manning knows him as a man of strong integrity and veracity, so that every confidence can be placed in the information which he gave a reporter of the Acadien, for publication the other day. During a very pleasant interview he gave the following statements of his severe suffering and recovery:—"Two years ago last September," said Mr. Manning, "I was taken with an acute attack of rheumatism. I had not been feeling well for some time previous to that date, having been troubled with sleeplessness and general debility. My constitution seemed completely run down. Beginning in the small of my back the pain soon passed into my hip, where it remained without intermission, and I became a terrible sufferer All winter long I was scarcely able to do any work and it was only witb the acutest of suffering that I managed to hobble to the barn each day to do my chores. I appealed to msdical men for help but they failed to bring any relief. At last I decided to try Dr. Williams' Pink Pills and with their use came a complete and lasting cure. I had not used quite three boxes when I began to feel decidedly better. I continued using them until twelve boxes had been consumed, when my complete recovery warranted me in discontinuing their use. I have never felt better than since that time. My health seems to have improved in every way. During the past summer I worked very hard but have felt no bad effects. The gratitude I feel to Dr. Williams' Pink Pills, none but those who have suffered as I have and been cured, can appreciate.

An analysis shows that Dr. Williams' Pink Pills contain in a con densed form all the elements necessary to give new life and richness to the blood and restore shattered nerves. They are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, St. Vitus' dance, sciatica, neuralgia, rheumatism, nervous headache, the after effects of la grippe, palpitation of lhe heart, nervous prostration, all diseases depending upon vitiated humors in the blood, such as scrofula, chronic erysipelas, etc. They are also a specific for troubles peculiar to females, such as suppressions, irregularities and all forms of weakness. They build up the blood and restore the glow of health, to pale and sallow cheeks, In men they effect a radical cure in all cases arising from mental worry, overwork, or excesses of whatever nature. The sad death of Mrs. Harvey McKinney a native of Benton but who was residing at Hartland at the time of her deceaae was received here on Friday last. Mrs. McKinney was 38 years of age and a well respected person, and well known to the residents of Benton who mourn their sad loss. Mrs. McKinney leaves three brothers, Wm. Anderson of Benton; Sandy Anderson, Benton; James and Frank of Lowell Mass; also two sisters Mrs. Leslie Mills of Benton and Mrs. Chas. The remains were interred at Benton on Sabbath May 8th, the funeral rites were conducted by Rev. H. Harrison of Benton, who also tendered Mr. McKinney with the following letter of condolence on behalf of the Loyal Orange Lodge of Benton.

Brother Harvey McKinney:—We, the members of the Loyal Orange Lodge of Benton, wish you to accept in this sad hour of bereavement, a few words of fraternal sympathy and condolence.

With very deep sorrow we learn of the decease of your beloved wife and life companion, causing an incalculable loss to both you and your sorely stricken family. Yet dear brother, do not allow sorrow to cast a shade over your life, knowing that a few short years at most will necessitate the reunion of father and mother, husband and wife together with the beloved offspring of your sadly siricken family beyond the silvers mists of Jordon where parting shall never be-

Think of the pains and woes of this sad world in comparison with that world of life and joy, into which the spirits of the blessed shall enter, then who could call back one who has tasted of the joys of bliss to again enter this "vale of tears."

Dear loyal brother, asking you once more to look beyond the hour of death to that happy meeting and reunion of the sadly stricken family around the judgment throne of Christ we remain as ever your faithful brothers in tribulation, trusting that the affection ate hands and cordial feelings existing between the members of this Lodge in which you proved yourself to be so worthy a member can only be broken by the severing of the silvery cords of life and reasoning.

Asking permission to join hands in sharing your deep sorrow, we remain the sorrowing members of the Loyal Orange Lodge of Benton.

Signed
