

A Cheap Medicine IS ONE THAT PROMPT- LY AND EFFECTIVE- LY CURES.

Mr. John Hitch, of Ridgetown, Tells How
He had Spent Dollar Upon Dollar in
Vain Before Finding the Medicine
that Cured Him.

From the Standard, Ridgetown.

People who read from week to week of the marvellous cures effected by the use of Dr. Williams' Pink Pills little think that right in their midst exist many who have been relieved from pain and suffering by the use of these wonderful little pills after having suffered untold agonies for months.

Mr. John Hitch, a man well and favorably known throughout the county was ever ready when opportunity offered to speak a word in praise of these pills and was never tired recommending them to his friends. A representative of the Standard, anxious to know of the cause of Mr. Hitch's recommendation, called upon him at his home recently and upon telling that gentleman the object of his visit Mr. Hitch consented to an interview. The story in his own words is as follows:—In the winter of 1891 I was taken with a severe attack of la grippe, from which I was confined to the house for some time. This was followed by severe pains and swellings of my lower limbs. I consulted a physician and he told me it was acute rheumatism. I continued under his care for about two months. I was unable to stand alone, but sometimes when I got started I was able to make a few steps unaided. The trouble was principally in my feet and clung to me all summer long. I tried almost everything that friends suggested, hoping to gain relief, but neither medicine taken inwardly nor liniments applied externally gave me any relief. The pain was very great, and I was only too ready to try anything suggested. I spent dollars upon in doctor's medicine, but all to no purpose. The last week I was attended by a physician it cost me about five dollars, and having about that time read in the newspapers of the work accomplished by Dr. Williams' Pink Pills, I concluded it was certainly worth the experiment and accordingly purchased a box from a local druggist and commenced their use continuing the doctor's medicine. This was in June or July 1892. After I had taken the first box of the pills I could feel some change and after taking seven boxes I noticed a great improvement. I continued taking them until I had used thirteen boxes when I must say I felt as well as I ever did in my life. Some of my customers who came into my yard would ask me what I was doing that I was looking so well (knowing the sick spell I had undergone) and I would always tell them that Dr. Williams' Pink Pills had wrought the change. They are the cheapest medicine I ever bought," said Mr. Hitch, "and if I had what I spent in other medicines I could sit at ease this winter. During the interview Mrs. Hitch was an occupant of

the room and she heartily concurred in what her husband said, and stated that for one other member of the family the pills had been used with success in a case of severe nervousness. Mr. Hitch at the time he was seen by the reporter appeared in excellent health. He is 56 years of age and a man who had always been used to hard work. He was born in Cambridgeshire, England, and came to this country 27 years ago. Before locating in Ridgetown he conducted a brick and tile yard at Lonswood's Road, Middlesex county. He has been carrying on a successful business in Ridgetown for the past ten years.

Dr. Williams' Pink Pills cure by going to the root of the disease. They renew and build up the blood, and strengthen the nerves, thus driving disease from the system. Avoid imitations by insisting that every box you purchase is enclosed in a wrapper bearing the full trade mark, "Dr. Williams' Pink Pills for Pale People." If your dealer does not keep them they will be sent post paid at 50 cents a box or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

An Egg Joke Rolling.

At a small gathering the other night somebody started the egg joke a-rolling. 'Did you ever hear the story of the hard boiled egg?' he solemnly inquired of some one across the table.

'No,' was the innocent answer.

'It's hard to beat,' said the joker with much gravity.

You can't help smiling at these things, and after the laugh died down, somebody sprang this:

'Did anybody hear about the egg in the coffee?'

'No,' said an obliging somebody.

'That settles it,' replied the funny man blandly.

Of course there was another laugh and then a brief silence. It looked as if the egg jokes had been exhausted.

But presently a little woman at one end of the table inquired in a high soprano voice if anybody present had heard the story of the three eggs.

The guests shook their heads, and one man said 'No.'

The little woman smiled.

'Two bad,' she said.

Take Your Choice.

We Are Sure You Will Select
the Diamond Dyes.

There are several kinds of wretched imitation and soap grease dyes that are sold by some dealers for the sake of large profits. These dyes bring consternation and despair to every inexperienced housewife who uses them. The results may be summed up as follows: mixed, muddy colors, ruined garments and materials, bad temper, and a shower of wrath on the dealer who has sold the deceptive dyes.

For long years the women of Canada have had before them the celebrated Diamond Dyes for home coloring work. These chemically pure dyes have carried satisfaction and delight to all who have used them. Old, faded and dingy garments have, by the aid of Diamond Dyes, been transformed into new and beautiful creations; money has been saved, and the happiness of families increased. Where directions have been faithfully followed, not a single failure has been recorded.

If you are a novice in the work of home dyeing, you have now presented to you the varied classes of dyes that you can purchase and use. If you desire success, profit, an unruffled temper and home happiness, you must surely decide in favor of the Diamond Dyes—the only warranted dyes in the world. You cannot be deceived if the name "Diamond" is found on each packet of dyes you buy.

Book of directions and card of 48 colors free to any address. Write to Wells & Richardson Co., Montreal, P. Q.
