Engine off the Track.

On Monday morning the C. P. R. freight in charge of Con. Lindow met with a mishap at Parkhurst's siding near Presque Isle. The engine, No. 174, ran off and was so badly damaged as to be disabled. Engine No. 527 of the southern division and No. 514 of the Tobique train were dispatched to the scene, and after about six hours the disabled engine was got on the rails again. As it was being brought down it ran off again at Perth and was not again got on the metals until about midnight.

Business Very Active.

The blending department in T. H. Estabrooks' big tea warehonse is always a busy one, but it has been exceptionally so for sometime past. The hands are busy from 7 a. m. till 10.30 p. m. More of Red Rose is blended and packed than any other kind, but lately some special orders have been made up for Cape Breton, and last week they were busy on large orders from Prince Edward Island. The operatives might well grow weary with such long hours, but they don't They drink Red Rose tea and weariness vanishes away.—St. John Gazette.

The Fire Investigation.

The investigation into the late fire and attempted fire in Hartland was resumed on Monday before Thane M. Jones, J. P. The corporation on this occasion was represented by D. McLeod Vince and the inquiry was continued on Tuesday, when J. C. Hartly was also present. Aaron McMullin, D. W. Brooks and Geo. Davis were new witnesses and several others were re-examined. Nothing convicting was gained. We had not space this week to publish the whole proceedings of the court as would be necessary if any were published.

A Standard.

It is a compliment to Red Rose tea when another tea is represented by the seller to be as good as Red Rose. It is a fact that the best kind of a recommendation for the latter, for in the comparison it is accepted as a standard. The buyer wants the standard article. He is always sure of its quality. He buys Red Rose.—St. John Gazette.

It is semi-officially reported that Mr. A. Brewer, who put in the lowest tender, is to be awarded the contract to build the Hartland bridge. The contract has not as yet been signed but probably will be so that work can begin soon. The construction will be under way early in December.

The ADVERTISER was misinformed as to the date when Messrs. Blair and Fielding would address a meeting in the Opera House at Woodstock. Instead of the 6th the meeting took place last night, the 1st of December.

The band is talking of having a concert in the near future, probably next Friday evening to be held in the Forester's Hall. This should be well patronized as the boys are renewing their interest and are making our band a credit to its members and to the town.

A Good Cure.

THE GRODER DYSPEPSIA CO.' L'T'D.
ST. JOHN, N. B.

GENTLEMEN—For over one year I suffered with what the four doctors I consulted in N. H., called dyspepsia. For hours at a time every day I suffered the most excruciating pains. The cramps would double me up so that I would have to groan. I would vomit up everything I ate for days at a time. I was terribly wasted and so weak that I could scarcely raise a teacup to my mouth. Nothing I could get would do me any permanent good. Finally a friend persuaded me to try Groder's Botanic Dyspepsia Syrup. I took four bottles and am now able to do a good day's work. It is six weeks since I finished the last bottle. I eat anything I ever was fond of and suffer no inconvenience. I send you this voluntary testimonial, hoping that you may use it and that some one who reads it may be benefitted by the use of Groder's Botanic Dyspepsia Syrup as I have been.

Yours Truly,
RICHARD JACKSON
