the Hibiscus, Acacia, Velota, or Red Lily, the Palm, Cytisus, a yellow flowering plant, Retinspord, foliage plants, Echeveria, etc., and at each corner of the mound are immense that the deposits for the seventeen years before the war show a very marked increase in West of England Superfine Black oleanders in pots.

Oleanders in pots.

Passing along the walk towards George accidentally falling from a carriage at Douglas on Wednesday. An inquest was held by Coroner McGibbon and a verdict returned in accordance with the facts.

A large mass temperance meeting was held in the City Hall last Sunday night, at which is the City Hall last Sunday night, at which A. F. Randolph Esq., presided. Prof. Foster spoke eloquently for fully an hour, and received marked attention. A choir of ladies and gentleman led by Mr. Wilson, furnished music.

Oleanders in pots.

Passing along the walk towards George Street, on the side next to the green house is an oblong bed subdivided into small circular and diamond shaped bed alternating an oblong bed subdivided into small circular and diamond shaped bed alternating and progression being about 30,000,000 francs to 515,000,000 francs to 515,000,000 francs in 1872; then they began to rise gradually to 535,000,000 francs in 1873, and to 573,000,000 francs in 1873, and to 573,000,000 francs in 1873, to 769,000,000 francs in 1875, to 769,000,000 francs in 1878. Thus, in the space of four years the deposits have

spend the honeymoon. We wish them every happiness in their new relations.

The Death of George White.—In the inquest held by Coroner McPherson on the body of Geo. White who was killed on the Fredericton Rail way track last Saturday, the jury returned the verdict that the deceased came to his death by being accidentally run over by the train. The railway officials were exonerated, but the jury advise that the practice of running switches be discontinued.

Opening of the University of N. B. were held yesterday. The candidates for Matriculation number 21, the largest class ever applying for admission to the University. Six of these are from the Collegiate School. Pleasing addresses were delivered at the open-ing, by Dr. Jack, Dr. Harrison, Dr. Bailey, Prof. Rivet and Prof. Fletcher, who was introduced to the students.

Blue Lobelia, Jacob's Ladder, Fuchsias and Verbenas. Between each of the crab shaped beds is a large Castor Oil Bean plant and at the corners of the plot are vases of Begonias, foliage plants, Ferns, Golden Feather and Ageratium. A number of large adornments of youth to ripe old age, and ormaning Pea Forthea Elegans, a species of Palm, Ladies' Apron, fine specimens of the Caladium Esculentum, the Bourbon Palm, a Calcacia, a Corphoa, and many others. To the right of the right division of the walk are beds of Perennial Phlox, Roses in great variety, Holyhocks, Evergreen trees, etc.

With this scant description, we leave the garden and take a look into the green house, which is arranged very systematically. The and the pots of flowers are fine specimens, and the man or woman, who before was called aged, now appears as one in the prime of life. Such and the pots of flowers are fine specimens, and the processing dates. The dwellers are tracks of time, and prostite the tell-tale tracks of time, and prostite that the corners of the plant are semi-circle sit at the jurction of the walks near the centre of the garden containing Pea Forthea Elegans, as provided that the processing of the Caladium Esculentum, Science has accomplished no more wonderpryduce them in a pleasing and satisfactory manner.—New Era, Woodstock, Ill.

The garden and green house are in charge of Mr. Bebbington, in whom Mr. Fenety puts entire confidence. Mr. Eenety's garden quested to send delegates to assist in its formation.

A cordial invitation is extended to all ladies interested in temperance work, to attend the meetings of the convention which tend the meetings of the convention which with meetings of the convention which the meetings of the convention which tracts a large number of visitors, particution for beauty and well deserves it.
