Messrs. Scott & Bowne—Gentlemen—In September 1877, my health began to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain but my general health did not improve, and early in the winter, I began to raise blood and rapidly grew worse. In May last I was taken with a violent bleeding which brought me to my bed and my life was des-

May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats, short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did no good. I lost all hope of life, and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I then bought a dozen bottles and have taken all with the following result: Cough subsiding, night sweats stopped, appetite re urned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your EMULSION and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, what cured you, and I answer Scott's EMULSION OF COD LIVER OIL, &c. I have a friend who has not spoke loud for 15 months and he is getting better. I gave him a bottle, and he bought two more then got a dozen and says it is food and medicine for him. He was given up to die a year ago; but he is
