Dr. Brown has been appointed City Physi- is having an excellent run. cian for the present year.

FALSE ALARMS.—Two false alarms of fire siderable advance on the cost price. have been struck since our last issue—ore from Government House lane on Saturday night, and again another from Gas Alley last night at 11.30 o'clock. The fire brigade were out on each occasion.

siderable advance on the cost price.

Mr. Everett has a good reputation as a stock raiser, and we doubt if this, his latest effort, has ever been equalled in the Province.

There is every reason to expect a great out of the smallest boat in which such an attempt has ever been made, the vessel being only 16 feet 7 inches over all.

There is every reason to expect a great out of the smallest boat in which such an attempt has ever been over all. out on each occasion.

LEGAL.—The Equity and County Courts commenced their June sittings on Tuesday. The docket in the latter was quite meagre. The only criminal matter was that of Merchant and Cochrane charged with the robbery of an angular cochrane charged with the robbery of an

A CRISIS REACHED AT LAST .- The mismanagement of the City Council and its utter disregard for the City's interests have Council was held on Tu-sday night, present, at last terminated in a state of affairs that the full Board. After routine, the followhave assumed an alarming shape. The Council failing to accede to the request for remuneration of the Captains of the Engine Companies, those officials have had a meeting and arranged for a general gathering of the whole Fire Brigade, next Monday evening, when a plan will be fixed upon, and unless the Council will agree to the terms there to be decided on, the firemen will resign in a body. And then what? The city will be be decided on, the firemen will resign in a body. And then what? The city will be without protection, and liable at any moment to fall a prey to accident or the incendiarys match. Further than this the action of the Council in police affairs has left us without a Council in police affairs has left us without a The following resolution was moved by Her latest effort is a thirty hours' swim in a

night watchman, the one serving temporarily having resigned, and this coupled with the present condition of the Fire Department makes the probability of fires doubly strong.

The following resolution Ald. Wheeler and carried:

Resolved, That the City structed not to pay any chequity and the coupled with the probability of fires doubly strong. We feel it our duty to warn our people of the shape affairs are taking, and if they do not see fit to take such action as will compel the City Council to respect the wishes of the community, we cannot be blamed.

THE PARLIAMENT BUILDINGS.—The old Parliament Buildings have been completely was laid on the table. levelled, and Tuesday a number of workmen were employed taking up the old foundation, when they discovered the corner stone laid eighty years ago by Governor Carleton. It was found at the most easterly corner, and is a native stone $2\frac{1}{2}$ feet x 2 feet, and $2\frac{1}{2}$ inches thick. It bore the Latin inscription distinct as when it was cut nearly a century ago.

HVIVS PROVINCIA PRÆFECTVS ET PATER. T. CARLETON, POSVIT XV MAII, A. D. MDCCC. ET REGIS OPT. GEORGII, III: X L.

The stone when disembedded was viewed by a large number of persons. It was taken in custody by Mr. Beckwith of the Board of Works Office, where it will be kept until its Mayor. final disposition is decided upon. We would suggest that it be put in a case and placed in the Library of the new Parliament Buildings. The first instalment of free stone 120 tons for the new Building, arrived on Sunday in the Schooner "Wild Hunter," Capt. Buck, from the Dorchester Union Company's quarries. Mr. Harrison of St. John, has the subcontract for the stone work, and the construction will be proceeded with rapidly
