Cor. Queen and Regent Streets, Fredericton. THE attention of the public is respectfully directed to my establishment, the oldest (in my line) in the city. A few words at the present time may not be amiss. Now-a-days mushroom stores, etc., spring into existence, the conductors of which, knowing their own a gakness and ignorance of the business which they have accepted. seek to impose on the credulity of an innocent public by highfalutin, spread-eagle announcements of theirs being the "boss place," "the cheapest place in town," "selling at prices never before offered," of having just received millions of envelopes, carioads of foolscap, whole train loads of notepaper an incredible to creating the second secon

I purchase my stock almost exclusively from the manufactures and publishers, as cheap as any House in the Province; and can, therefore, sell as cheap. I do not dabble in all sorts of goods foreign to my legitimate business (such as Organs, Sewing Machines, Room Paper, Toys, Concertinas, Music, Fancy Goods, etc.) but confine my capital and my energies exclusively to the Book, Stationery, Printing, Blank Book and Binding trades,—my ambition being to have one of the finest Book Stores, Printing Offices and Bookbinderies in Canada. Messrs, Scott & Bowne-Gentlemen-Within the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil with Hypophosphites, and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the Lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly elegant and agreeable form.

J SIMONAUD, M. D. New Orleans, La. December 10th, 1878.

Messrs. Scott & Bowne-Gentlemen—In September 1877, my health began to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain but my general health did not improve, and early in the winter, I began to raise blood and rapidly grew worse In the least of the winter of the product of the product blooding which health has been proposed and my life was described by the product blooding which health are to my bed and my life was described. health did not improve, and early in the winter, I began to raise blood and rapidly grew worse. In May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats, short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did no good. I lost all hope of life, and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I then bought a dozen bottles and have taken all with the following result: Cough subsiding, night sweats stopped, appetite re urned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your EMULSION and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, what cured you, and I answer Scott's EMULSION of Cod Liver Oil, &c. I have a friend who has not spoke aloud for 15 months and he is getting better. I gave him a bottle, and he bought two more then

got a dozen and says it is food and medicine for him. He was given up to die a year ago; but he is improving now wonderfully. My recovery is exciting the surprise of many people, and I shall do all I can to make known your valuable medicine. Very truly yours, LYNN, Randolph Co., Ind., July 21, 1878. About the 15th of last April I got a bottle of your EMULSION and at that time I was so prostrated that no one who saw me thought I could live but a few days at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the EMULSION in small doses; it was the first thing that would stay on my stomach; I continued its use, gradually increasing the dose; and from that hour I commenced mending, and now am able to ride and walk and am gaining flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover.

1 am gratefully yours.
