THE PARLIAMENT BUILDINGS.—Mr. Lawlor commenced tearing down the old Parliament Buildings on Monday, preparatory to beginning the erection of the new buildings, which we may assure our St. John friends are now a certainty.

THE "ALEXANDRA" COMPANY.—At the meeting of the Alexandra Steam Fire Engine Company last Thursday night, the following officers were elected. John B. Hawthorne, Capt., Wm. Lowery. 2nd Capt., M. Lowery, Capt. of Hose, Wm. Sutherland, Secretary.

THE GILCHRIST SCHOLARSHIP.—We are glad to learn that Mr. H. B. Pickard, of this city, now of the Senior Class at the University, will compete for the Gilchrist Scholarship, the examination for which will be held next month. It will delight us to record Mr. Pickard's success.

MARRIAGE OF A FREDERICTON COUPLE AT PHILADELPHIA.—We observe by the St. John papers, that Miss Sarah T. Hennessy of this City, and Mr. James Berry of the Daily News, but formerly of Fredericton, have been married at Philadelphia. We extend our best wishes for the young couple's happiness.

The Assessors, in pursuance of an order of the Principal Assessor, met to receive appeals from such of the taxpayers as may have thought themselves overrated. None of any importance where sent in. In so promptly meeting and attending to business, they have shown that they may be trusted to discharge their duties.

CRICKET.—The Seniors of the University, beat the Juniors and Freshmen at cricket on Tuesday, by a score of 104 to 35.

The University and Legal elevens are playing a match this afternoon on the square.

The most interesting game of the season will be that of Monday, between the old and the new Fredericton elevens.

NICE TROUT.—Messrs. Nelson Campbell and F. B. Coleman went fishing yesterday at Lunen Brook, on the lower side of the Nashwaak about eight miles from the City, and in four hours caught eight dozen as pretty trout as we have seen for some time. A member of our staff returns his thanks to Mr. Campbell for a dozen of the trout which he found a rare relish.

BUSINESS NOTES.—Mr. W. R. Logan, formerly of Gibson, has opened a grocery, in the store lately occupied by Benjamin Evans.

Mr. John Babbitt has got his jewelery established in his new stand ready for business, and makes a fine display of goods.

Mr. Samuel Owens has removed up town, having taken the shop formerly occupied by Mrs. Gillman.

During the most critical time of the fire on Sunday evening, one of the Aldermen, deliberately took hold of the handle of the "Siamese," and turned it around so as to entirely shut off the water, the effect of which would be to stop the working of the Engine, and cause the bursting of hose. Fortunately it was discovered before any damage was done. He ought to have been handed over to a policeman and sent to the lock-up.

THE UNIVERSITY SPORTS.—The annual sports of the University on Thursday next, promise to be unusually interesting. The cup to be given by the class of 79, is on exhibition in Mr. Babbitt's window. It will be awarded to the winner of the one mile running race.

The Judges for the occasion are, A. F. Street, Esq., and F. A. McInnes, A. B.; starter, Mr. J. N. W. Winslow, timer, W. Brydone Jack, A. B.

THE QUEEN'S BIRTHDAY.—The 24th will as usual be observed as a public holiday here, and business will be suspended.

In the way of amusements there will likely be a cricket match between the Union cricket club eleven and the old Stagers who showed up so successfully last season, against their junior rivals. An excursion of the Cyprus club of St. John will arrive during the day. In the evening the promenade concert and bonnet hop in the exhibition palace, and Prof. Youmans concert in City Hall will provide sufficient entertainment for the amusement-loving citizens.

CONCERT.—Mr. Youmans farewell floral entertainment on the night of the 24th is already creating a great sensation. The programme is a real novelty in itself, and when properly carried out will be a most interesting affair. There is to be the crowning of the Floral Naiad, Wood Nymph and Fairy Queens, a real live Yankee and Miss Liberty, joining with John Bull and Britania to celebrate the 24th, &c. &c.. Done fail to patronize this concert for it is to be one of real merit, and Mr. Youmans is getting it up regardless of cost. Read the attractive programme.

YORK COUNTY TEACHER'S INSTITUTE.—York County Teacher's Institute met this forenoon at 10 o'clock, in Temperance Hall, Inspector Mullin in the Chair, and Mr. J. Meagher, principal of the Regent Street School, acting as Secretary *pro tem.* Dr. Rand occupied a seat on the platform, and there was a large attendance of teachers from the various districts of the County. Very little business has been done as yet, the only matter of interest being a slight collision between Dr. Rand and Mr. Meagher, on the aims and objects of the Institute. The officers of the Institute will be elected this afternoon.

ST. ANN'S ROWING CLUB.—This club is making active preparations for their rowing season now opened. The club have secured the services of Mr. Wm. Finnemore, who is daily in attendance at the Boat House, and besides repairing the boats and other property of the club and private boats of members, he is always on hand to assist scullers in and out of shells. This new departure must insure the club an increased membership, which it so much deserves. The St. Ann's Club was organized in August, 1876, but their committee will be in a better position this season to meet the comforts of its patrons than any previous year. Besides the above named improvements the Club are about purchasing a new pleasure boat.

Officers of the Club for 1880, are:—Capt. Leigh, *President*, C. W. Beckwith, A. F. Street, *Vice Presidents*, T. G. Loggie, *Secretary Treasurer*, Harry Beckwith, H. M. Campbell, *Stewards*,

THE CANADA TEMPERANCE ACT.—On Tuesday, Mr. James Tennant was arrigned before Police Magistrate Marsh, on a charge of having violated the provisions of the Canada Temperance Act, Mr. Lugrin appearing for the prosecution and Mr. Rainsford the defence. Several witnesses were called by Mr. Lugrin, and failing to elicit anything material from them he asked that the defendant be sworn. Mr. Tennant refused, and was committed to jail for five days for contempt.

Mr. Rainsford applied to Judge Weldon the same afternoon for a writ of *habeas corpus*, and the matter was argued that evening Mr. Rainsford taking the ground that the section of the Canada Temperance Act giving the prosecution authority to call defendant to give evidence is *ultra vires*, and that therefore the proceedings were irregular.

His honor this morning gave judgment ordering the discharge of Mr. Tennant on the ground that the 123rd Section of the Canada Temperance Act did not apply to a sale of liquors.

THE FIRE RECORD.—Three times since our last issue has the Fire Department been called out; once Saturday evening at 6.30 o'clock, and twice Sunday at the early hour of 4 A.M., and again during the evening services in the churches. The moulding department of the New Brunswick Foundry caught fire on the roof from sparks from the Chimney on Saturday, but the flames were extinguished before much damage had been done. The firemen rallied in goodly numbers and the fire was quickly subdued. Sunday morning at 4 o'clock, an alarm was rung, the fire this time being in an unoccupied barn on York Street, opposite the Skating Rink. Before the firemen could get to work the building was completely levelled. Fortunately it occupied an isolated position, and with its own destruction the fire ended. It was undoubtedly the work of an incendiary.

While the evening church services were proceeding, another alarm was given and this time it was general, when it became known that Edgecombe's barn was in flames and that the fire was likely to spread the locality being so densely built. The greatest degree of anxiety was felt. Fortunately however the evening was perfectly calm; it was yet scarcely dark and the building attacked was sheathed with iron, less fear was manifested, and those who knew the efficiency of the fire department, congratulated themselves that the fire would be confined to narrow limits. Colters barn adjoining soon caught, and with Edgecombes was almost totally destroyed. The whole fire brigade were on hand, and worked well and were handled with the best of judgment and effect. The "Alexandra" stationed at the river and the "Silsby" at the Infant School tank on King St., each threw two fine and powerful streams also No's 3 and 4 hand engines and the messrs Edgecombe's engine did excellent work. In less than an hour after the fire broke out it was extinguished not however before it had gutted the two buildings mentioned. The Messrs, Edgecombe lost a valuable cow, four setts of harness, comparatively new, a quantity of hay and oats and lumber, and a beautiful young horse, which was burned so badly that it had to be shot the next morning. Their total loss will probably reach $1000. No insurance. Mr. Colter & Son had a quantity of stock burned which with their building was un-insured. After the fire the firemen were kindly entertained at lunch by the Messrs. Edgecombe's, and Colters.

At 1 P. M. to-day an incendiary fire was discovered in an unoccupied house above the Fredericton Leather Co's Tannery. The alarm was given and the Department were soon out, but the services of No. 4 were only required.

Mr. Geo. H. Davis' kitchen caught fire on the roof yesterday from sparks from the chimney of his house but before much damage was done the fire was put out, by the application of a few buckets of water No alarm was given.

Mr. Richard Estey's house two miles below the City was burned to the ground yesterday, with nearly all its effects. It was insured in the North British and Mercantile, Mr. Inches Agent, for $600.

Mr Stephen Glasier's carriage house at Lincoln, Sunbury County, was burned on Sunday morning, at 6 o'clock with the most of its contents including four carriages and three sleighs. The origin of the fire is a mystery. There was no insurance.

CHURCH TOWERS.—The towers of Cologne Cathedral are now the highest in the world, the height they have attained being 5 feet higher than the tower of St. Nicholas's Church in Hamburg, which has hitherto been the highest editice. Ultimately they will be 51 feet 10 inches higher. The *Cologne Gazette* gives the following as the heights of the chief high buildings in the world: Towers of Cologne Cathedral, 524 feet 11 inches from the pavement of the cloisters, or 515 feet 1 inch from the floor of the church; tower of St. Nicholas, at Hamburg, 473 feet 1 inch; cupola of St. Peter's Rome, 469 feet 2 inches; cathedral spire at Strasburg, 465 feet 11 inches; Pyramid of Cheops, 449 feet 5 inches; tower of St. Stephen's, Vienna, 443 feet 10 inches; tower of St. Martin's Landshut, 434 feet 8 inches; cathedral spire at Freiburg, 410 feet 1 inch; cathedral of Antwerp, 404 feet 10 inches; cathedral of Florence, 390 feet 5 inches; St. Paul's, London, 365 feet 1 inch; ridge tiles of Cologne Cathedral, 360 feet 3 inches; cathedral tower at Magdeburg, 339 feet 11 inches; tower of the new Votive Church at Vienna, 314 feet 11 inches; tower of the Rath-haus at Berlin, 288 feet 8 inches; towers of Notre Dame, at Paris, 232 feet 11 inches.

Adamson's Botanic Balsam has gained a reputation which places it in the front ranks of curative agents. It has been in the market bnt about nine years. It is now recommended by the best physicians because it cures Coughs and Colds every time. Price, 35 cts.

The Common Expressions, "*I feel so dragged*," "*My food don't digest*," "*I do not feel fit for anything*," which we so often hear during the *Spring and early Summer* months are conclusive evidence that the majority of people require at that season especially a *reliable* medicine that will *strengthen the organs of digestion*, stimulate the *circulation of the Blood*, and "tone up" the debilitated constitution.

Hanington's "Quinine Wine and Iron," taken according to directions, produces *buoyancy of spirits, vigor of mind* and gives *lasting* strength to the whole system. Price 50 cents per bottle 6 bottles for $2.50. All druggist sell it.

Much Sickness,

Undoubtedly with children, attributed to other causes, is occasioned by Worms. BROWN'S VERMIFUGE COMFITS, or Worm Lozenges, although effectual in destroying worms, can do no possible injury to the most delicate child. This valuable combination has been successfully used by physicians, and found to be absolutely sure in eradicating worms, so hurtful to children. Twenty-five cents a box.

A Good Thing.

German Syrup is the special prescription of Dr. A Boschee, a celebrated Germau Physician, and is acknowledged to be one of the most fortunate discoveries in Medicine. It quickly cures Coughs, Colds and all Lung troubles of the severest nature, removing, as it does, the cause of the affection and leaving the parts in a strong and healthy condition. It is not an experimental medicine, but has stood the test of years, giving satisfaction in every case, which its rapidly increasing sale every season confirms. Two million bottles sold annually. Beware of medicines of similar names, lately introduced. Boschees German Syrup was introduced in the United States in 1868, and is now sold in every town and village in the civilized world. Three doses will relieve any ordinary cough. Price 75 cents. Sample bottle, 10 cents.

Brown's Household Panacea

Is the most effective Pain Destroyer in the world. Will most surely quicken the blood whether taken internally or applied externally, and thereby more certainly RELIEVE PAIN, whether chronic or acute, than any other pain alleviator, and it is warranted double the strength of any similar preparation.

It cures pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, and ALL ACHES, and is THE GREAT RELIEVER OF PAIN. "BROWN'S HOUSEHOLD PANACEA" should be in every family. A teaspoonful of the Panacea in a tumbler of hot water [sweetened, if preferred], taken at bedtime, will BREAK UP A COLD. 25 cts. a bottle.

Mothers! Mothers!! Mothers!!!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of MRS. WINSLOW'S SOOTHING SYRUP. It will relieve the poor little sufferer immediately—depend upon it: there is no mistake about it. There is not a mother on earth who has ever used it who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS is on the outside wrapper. Sold by all Medicine Dealers. 25 cents a bottle. ESTABLISHED 1865.

H. A. CROPLEY,

Bookseller, Stationer, Printer,

Bookbinder and Blank-Book Manufacturer,

Cor. Queen and Regent Streets, Fredericton.

THE attention of the public is respectfully directed to my establishment, the oldest (in my line) in the city. A few words at the present time may not be amiss. Now-a-days mushroom stores, etc., spring into existence, the conductors of which, knowing their own weakness and ignorance of the business which they have assumed, seek to impose on the credulity of an innocent public by highfalutin, spread-eagle announcements of theirs being the "boss place," "the cheapest place in town," "selling at prices never before offered," of having just received millions of envelopes, carloads of foolscap, whole train loads of notepaper, an incredible lot of stationery, and a greater number of Books than can be found in Paternoster Row, or even our own Legislative Library. This species of "blowing," of course smacks of the second-hand Jew Clothing Store, and is unworthy the honorable profession of Bookseller and Stationer.

I may be pardoned for saying a few words for my own establishment. (The people of Fredericton, where I have lived for over thirty years, can vouch for their truth.) I have devoted the best thirty years of my life to acquiring a knowledge of the business which I am now prosecuting. I have built up an establishment here which has only one rival in New Brunswick,—is unequalled in Fredericton.

I purchase my stock almost exclusively from the manufactures and publishers, as cheap as any House in the Province; and can, therefore, sell as cheap. I do *not* dabble in all sorts of goods foreign to my legitimate business (such as Organs, Sewing Machines, Room Paper, Toys, Concertinas, Music, Fancy Goods, etc.) but confine my capital and my energies exclusively to the Book, Stationery, Printing, Blank Book and Binding trades,—my ambition being to have one of the finest Book Stores, Printing Offices and Bookbinderies in Canada. This concentration is an advantage in my special lines. I shall not insult the intelligence of the public by such declarations that I sell "50 per cent." or "100 per cent." or "1000 per cent. less than my neighbors or make any statements of this sort at variance with facts; but recognizing the axiom that people will buy where they can do so the cheapest, and being resolutely determined to hold fast the patronage which I have labored to deserve, and which a gracious public has so liberally bestowed on me, *I will continue to sell as cheap as anyone in Fredericton*—in many specialties much cheaper; and will spare no efforts to maintain the reputation of my House in every department.
