Dominion Day.—People enjoyed their holiday on Thursday the 1st July, we suppose. The weather was delightful enough to make doing nothing an enjoyment, and, as the majority of people had nothing to do in the way of pleasure making, it was fortunate that it was so. In the forenoon and afternoon, "scratch" cricket matches were played. About dinner time the platform on Queen Street presented a rather lively appearance. One countryman with his brain buzzing with alcoholic ideas, made himself the centre of a group of astonished and admiring listeners who vainly attempted to grasp his argument against the C. T. A., and who certainly thought it a failure in his person.

Personal.—Thomas Nelson, Esq., (of the widely known publishing firm, T. Nelson & Sons, Hope Park End, Edinburgh, and Paternoster Row, London,) accompanied by his sister, Miss Nelson, paid Fredericton a visit, arriving on Monday forenoon, and departing on Wednesday morning. The name of Nelson is familiar as a household word in New Brunswick, for the school books of the firm "the Royal Readers," are to be feund in every house in the land. On Monday afternoon, in company with Hon. J. J. Fraser and Dr. Rand, he called on His Hon. the Lieut. Governor, visited the University, and drove out to Mr. Gibson's, Marysville. On Tuesday he spent the morning in the Normal and Training Schools, and wasmuch interested in the work of the different classes. He was delighted with Fredericton, and the surrounding country. strikes a visitor from the old country, who accustomed to the stone and mortar magnificence of great cities like Edinburgh, built upon its hills, is not much impressed by the architectural splendor even of a Toronto, lowlying by the shores of the great Ontario Lake. Mr. Nelson came out to Toronto after the fatal occurrence, which ended in the death of his brother-in-law, Hon. George Brown, to aid his widowed sister by his sympathy and counsel. He is now returning to that city.

A careful observance of the laws of health, and the systematic and persistent use of Scott's Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda will accomplish this result. Gents—I have frequently prescribed "Scott's Emulsion of Cod Liver Oil with Hypophosphites palatable and efficacious.

Messrs. Scott & Bowne—Gentlemen—Within the last year I have used in my own family, and in my private practice prescribed very extensively Scott's Emulsion of Cod Liver Oil with Hypophosphites and found it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate stomach; which renders it a very reliable agent as a nutritive remedy in consumptive and scrofulous cases. to the most delicate stomach, consumptive and scrofulous cases.

Yours respectfully,

Messrs, Scott & Bowne-Gentlemen-Within the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil with Hypophosphites, and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the Lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly elegant and agreeable form.

Very truly,

J SIMONAUD, M. D. New Orleans, La. December 10th, 1878.

Messrs. Scott & Bowne—Gentlemen—In September 1877, my health began to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain but my general health did not improve, and early in the winter, I began to raise blood and rapidly grew worse In May last I was taken with a violent bleeding which brought me to my bed and my life was desmay last I was taken with a violent symptoms appeared, night and morning coughs, night sweats. paired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats, short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did no good. I lost all hope of life, and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and before it was all taken I was better. I then bought a dozen bottles and have taken all with the following result: Cough subsiding, night sweats stopped, appetite re urned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your EMULSION and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, what cured you, and I answer Scott's EMULSION OF COD LIVER OIL, &c. I have a friend who has not spoke aloud for 15 months and he is getting better. I gave him a bottle, and he bought two more then got a dozen and says it is food and medicine for him. He was given up to die a year ago; but he is improving now wonderfully. My recovery is exciting the surprise of many people, and I shall do all I can to make known your valuable medicine.

Very truly yours, H. F. SLOCUM, Lowell, Mass. Messrs. Scott & Bowne:

About the 15th of last April I got a bottle of your Emulsion and at that time I was so prostrated that no one who saw me thought I could live but a few days at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the Emulsion in small doses; it was the first thing that would stay on my stomach; I continued its use, gradually increasing the dose; and from that hour I commenced mending, and now am able to ride and waik and am gaining flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover.
