did not im: rove, and early in the winter, I began to raise blood and rapidly grew worse In May last I was take: with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats, short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did no good. I lost hope of life, and was an object of pity to all my friends. Last September I purchased a bottle of your EMULSION and before it was all taken I was better. I then bought a dozen bottles and have taken all with the following result: Cough subsiding, night sweats stopped, appetite re urned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your EMULSION and shall continue RICE, OATMEAL, &c. with a general assortment of Groceries and Dry Goods, which will be sold at the lowest possible weeks. I have taken no other medicine since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, what cured you, and I answer Scott's Emulsion of Con Liver Oil, &c. I have a friend who has not spoke aloud for 15 months and he is getting better. I gave him a bottle, and he bought two more then got a dozen and says it is food and medicine for him. He was given up to die a year ago; but he is improving now wonderfully. My recovery is exciting the surprise of many people, and I shall do all I can to make known your valuable medicine.

Yours respectfully,

at his Wholesale and Retail Flour Store. H. F. SLOCUM, Lowell, Mass About the loth of last April I got a bottle of your Emulsion and at that time I was so prostrated that no one who saw me thought I could live but a few days at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the Emulsion in small doses; it BILL will be presented to the Legislature at A its next Session, having for its object the erection of a portion of the Parishes of Prince

was the first thing that would stay on my stomach; I continued its use, gradually increasing the dose; and from that hour I commenced mending, and now am able to ride and waik and am gaining flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover.
