It is a father explained cold to the and jaded, at all well that evening, and ought not to she find such another ally in her deter have appeared at all. This Mrs. Von mined struggle to be talked about and Brakhiem took up and repeated with envied a little more than some other endless variations. But the evidences of pushing, jostling votaries of fashion? sheer mental distress on the part of Christine had been too clear, and countless were the whispered surmises of the fashionable gossips in explanation. Mrs. Von Brakhiem herself, burning now almost hateful to her. Still she was

with curiosity soon retired, that she might | too weary to think or suffer much. They receive from her lovely charge some gushing confidences, which she expected. as a matter of course, would be poured into what she chose to regard as her sympathizing heart. But she knocked in vain at Christine's door. Later, Mr. Ludolph knocked - there was no answer.

'Christine!' he called. After some delay a broken voice answered: 'You cannot enter - I am not well-I have retired '

He turned on his heel and strode away, and that night drank more brandy and water than was good for him. As for Christine, warped and chilled though her nature had been, she was still a woman, she was still young, and though she knew it not, she had heard the voice Ernst was summoned. With a bright which had awoken her heart into life. - hopeful face he stated that his mother Through a chain of circumstances for had just received a letter saying Denniwhich she was partly to blame, she had was a little better. He was much sur been made to suffer as she did not believe prised at his employer's heavy frown. she could. The terrible words of Mr. Bruder's letter rang continually in her ears, - 'Mr. Fleet is not dying a natural to my employ, or discharge him?' death; he has been slain."

For many long weary days the convic that suggested shrewdness, cunning, tion had been growing upon her that she nothing manly, and warily he judged. had indeed slain him and mortally wound ed herself. Until to-night she had kept Mr. Frame with certainty He had herself outwardly under restraint, but better return, for then both will be more now the long pent up feeling gave way, thoroughly under my surveillance. and she sobbed as if her heart would 'Curses on Christine's waywardness break—sobbed till the power to weep was gone. If now some kind, judicious friend there may be no contesting her, and my best chance will be in managing him. many eminent saints in the church who will eat lobster salad for supper, and then send for the doctor and minister before had shown her that she was not so guilty This I could not do if he were in the store morning. There is a precious twaddle as she deemed herself; that, however of my rival.' And so for unconscious about 'mysterious Provide ce.' Providence isn't all as mysterious as people did not intend and could not foresee; more than all, if she could only have ceased, and the quiet light of reason came their law-breaking and its penalty by known that Dennis was recovering instead into his eyes. He looked at his mother some outlandish Latin name that no one of being dead and buried, she might at and smiled, but was too weak even to can understand. I give 'em the square once have entered on a new and happier reach out his hand.

life. But there was no such friend, no The Doctor coming in soon after, detail direction that the commandments. such knowledge, and her wounded spirit clared danger past, and that all dependwas thrown back upon itself. ed now on good nursing. Little fear of

At last, robed as she had been for the his wanting that! evening, she fell asleep from sheer exhaustion and grief-for grief induces be praised!' exclaimed Mr. Bruder, who

sleep. The gems that shope in her dishevelled explosion of his grateful happy feelings hair, that rose and fell as at long intervals that might have proved too rude a her bosom heaved with a convulsive sob, empest to Dennis in this weak state like the fitful gusts of a storm that is the was next seen striding across the dying away; the costly fabrics she wore delds to a neighboring grove, ejiculating made sad mockery in their contrast with as he went When he returned his eyes the pale, tear-stained, suffering face. The shone with a great reace and joy, and he hardest heart might have pitied her-yes, had evidently been with Him who had even the wholly ambitious heart of her cast out the demon from his heart. father, incensed as he was that a plebeian Day after day Dennis rallied back into stranger of this land should have caused life. Unlike poor Christine, he had be such distress, neath him the two strongest levers, love

When Christine awoke, her pride awoke and prayer, and steadily they lifted him With bitterness of spirit she recall- up to health and strength and comparaed the events of the past evening. But tive peace. At last he was able to sit up a new phase of feeling now begun to and walk about feebly, and Mr. Bruder nanifest itself.

After her passionate outburst she was wrung Dennis' hand at parting, he said

much calmer. In this respect the unimpeded flow of feeling had done her good, as intimated, if kindness and sympathy could now have added their gentle ministrations, she might have been the ministrations, she might have been the ministrations, she might have been the ministrations. But left to her ministrations are some and support of the ministrations and support of the ministrations. But left to her ministrations are some and at parting, he said in rather a hoarse voice:

'If any von tell me Gott is not goot and hearth not prayer, den I tell him he von grand heathen. Oh! but ve vill velcome you soon. Ve vill haf de grandest support of the grandest support of the grandest songs, de grandest. better for it all her life. But left to her self, her old and worst traits resumed but just here Mr. Bruder thought it all new and fresh, any in the trade. The large parlors were filled with chairs, and these were soon occupied by a very silent audience, and it was evident that elegant toilets would vie for attention elegant. The large parlors were filled with chairs, and these was pride, heir sway. Chief among these was pride, and under the influence of this passion and the acute suffering of her unsoothed, unguided spirit, she began to rebel in impart to pull his big fur cap over his eyes, and make a rush for the stage.

As if by tacit understanding, Christine's name had not been mentioned during

Non Brakheim's party, and that good lady took half the admiration to herself.

Every eye followed Mrs. In the world, her naturally reserved nature shut itself up more closely than ever. In the glowing embers. His mother was moving quietly about, putting away the tea-things, cleaning up after the child-distribution of the season as follows: drifted away. One other, who might ren's play: but as she worked she turable foreign name, had come up from New have been—but she could think of him tively watched him. At last, coming to York to grace the occasion. But person with only a shudder now. All the rest his side, she pushed back the hair that ally he lacked every grace himself, his seemed either indifferent, or to condemn, seemed so dark in contrast with the thin fine voice being the one thing that redeemed him from utter insignificance in Von Brakhiem, and even her own father, You are thinking of Miss Ludolph, mind and appearance. Nevertheless he was vain beyond measure, and made the bition. I bristine could not see how she that is not the glow of the fire that sufwas to blame for this isolation. She did fuses his cheek; but he only answered The music was fine, for the amateurs, not understand that cold, selfish natures, quietly: feeling that they had a critical audience, like her own and her father's, could not 'Yes, mother. She went deliberately to work Gott be praised,' and she gave him an embrace that made his bones ache. to kill time and snatch from it such fleet ing pleasures as she might. Mrs. Eruder stalked about the room re They stayed in the country till the peating with explosive energy like min pomp and glory of October began to il ute guns, 'Praise Gott! I raise Gott. Ernst, with his great eyes dimmed with happy tears, clung to Dennis hand, as if ne would make sure by sense of touch as well as sight that he had regained his beloved teacher once more. The little Bruders were equally jubilant, though there is a trom rather mixde motives. Dennis was the House. seemed tame and artificial after the wild very well, but they could not keep their me to sing the song of a new and happier that her nature was so high-toned that round eyes long off the preparations for she found enjoyment only in what was refined or intellectual. Had it been

such a supper as never before had blessed their brief career. 'Truly,' thought Dennis, as he looked July 1-3m, around upon the happy family, and con trasted its appearance with the time he nad first seen it, 'my small investment of PATENTS piano, darted through the low-cut open window near, and a moment later ordered whirl of excitement (Mrs. Von Brakhiem's turned large interest. I think it never to turned large interest. I think it pays to

passed on, till at last, thoroughly satiated The evening was one of almost unmin-He found a pleasant little cottage over on the West side, part of which he rented for his mother and sisters.

With Mr. Ludolph's permission he went after them, and installed them in ney, and in the dusk of a winter's day t. Thus he had what he had needed all her father drove her to their beautiful long, a home-a resting place for body home, but which from association was and soul, under the watchful eye of love. About this time Dr. Arten met himstared a moment, then clapped him on the back in his hearty way, saying; met each other very politely, and their 'Well, well, young man! you have intercourse assumed at once its wonted cause to be thankful, and not to the doccharacter of high-bred courtesy, though perhaps a little more void of manifested tors, either.'

'I think I am,' said Dennis smiling. Suddenly the Doctor looked grave, and sked in a stern voice: 'Are you a heathen, or a good christian?' I hope not the former, replied Dennis, little startled.

Then don't go and commit suicide gain. Don't you know flesh and blood can only stand so much? When an intelligent young fellow like you goes beyond that, he is committing suicide. Bless your soul, my ambitious friend, the ten return that Dennis was dead. That commandments ain't all the law of God. would end all difficulties. Me. Schwartz His laws are also written all over this long did not know-he was not at last accounts. body of yours, and you came near paying a pretty penalty for breaking them. You won't get off the second time.'

'You are right, Doctor, I now see that I acted very wrongly Bring forth fruits meet for repentance, I am rich enough to give sound advice,' and now shall I permit him to return said the brusque old physician, passing

'Stop a moment, Doctor,' cried Dennis, I want you to see my mother.' What is the matter with her? She been breaking the commandments, too?"

'Oh no!' exclaimed Dennis. 'She is not a bit of a heathen. 'I'm not so sure about that. I know make out. The doctor is expected to At last, as we have said, his delirium look serious and sympathetic, and call truth, and tell 'em they've been breaking

Dennis could not forbear smiling at the Doctor's rough handling of humbug, even GUNTER & ATHERTON, PROP'S in one of its most respectable guises .-Then remembering his mother, he added gravely: 'I am truly anxious about my mother, she has grown so feeble. I want,

and yet dread, the trnth.' The bantering manner of the good old Doctor chenged at once, and he said kindiy: 'I'll come, my boy; I'll be in GEO. I. GUNTER, HARRY B. ATHERTON.

within a few days, though I am nearly run Fredericton, October 23, 1879, off my feet. He went off muttering, 'Why don't the people send for some of the young ters that sit kicking up their heels in their offices all day?'
