spoil Mr. Fisher's chance of filling the call for building tenders in the Spring. Mayor's chair, the goal of his great ambition

The \$5,000.

It is much to be regretted that the City Council of 1877 did not, while sympathy with the people in St. John, was still palpitating, give immediate effect, to the charitthat the city owns \$103,700 of real and per- able resolutions of the citizens of Fredericton. sonal property. We did. We know that it by borrowing the \$5,000, and handing them over at once to the Relief Committee. 'A man will sometimes on the impulse of a and that the valuation is very arbritary, but charitable emotion promise over night a large sum in charity, without stopping to

ed as rent of wharves, and \$701 paid on family he can afford it, and the same man may in the cool reflections of the morning. ground rents in 1879. The Editor of the Reporter makes an ado about the cash assets regret his generosity, but he would be accounted very mean if he told the expectant of the city amounting to \$7,571, but these Making Power of "Hanington's Quinine assets are greatly problematical made up of object of his charity that he had repented Wine and Iron." It stimulates the circula- \$689 due on ground rents 1879, and \$6,426 his generous intentions. The City of Fredericton is bound in honor to pay over the of upaid taxes which may never be paid. We ought to have mentioned, of course, that \$5,000. It cannot be released by its own the city had an ordinary revenue of \$6,425. act, without disgrace, from the debt of honor which it freely incurred. The Relief Com-

just the amount of the unpaid, and never mittee might release it from the payment. but every honorable rate-payer in Fredericton would think that such a release would be an city pays about 20 officers, etc., whose salaunsatisfactory and somewhat contemptuous ries amount to \$4,734. It is a fact, neverthequittance of their obligation, and they would In an economical point of view it does be made to feel that the claim on the city not signify that some are paid from the orwas let go because the rate-payers having recovered from their fit of enthusiastic sym-The amount paid in salaries is an amount pathy, had repented and were unwilling to taken out of the city's yearly income, and if

a reduction was effected there would be so pay up. The City Council may not have meditated much the more to go to defraying the ex-

penses of the other services. The Editor of the Reporter with all his objections and corrections does not show city affairs were in a position which required his ears open, to satisfy himself of that. to be narrowly looked into. That they are the meeting of Saturday night, the repudiat-

in a pretty bad condition the action of the City Council in taking steps to raise a loan of not more than \$10,000 to pay the current indebtedness, to make good the deficiencies caused by unpaid taxes, is proof enough. We did not, and do not pretend to say how under the circumstances, a reduction can be made in taxation. We leave that to the Editor of the Reporter, the maybe Mayor, FOR SUITINGS ! the gentleman who aspires to preside at the

Council Board to guide the counsels of our City Fathers, and bring in an era of reduced taxation and general retrenchment. We fear

these days can sup (every day or night), of the abilities and practical experience of "full of horrors." In a low locality in Bosthose who will take their seats as members on, on 20th inst., two women Maggie and

of the Association, in striving to direct aright the interests they are sent to represent, and we have no doubt but that as an organization they will give a good account of themselves.

Among the Farmers of Kings County

FROM OUR OWN CORRESPONDENT.

We promised to continue our notes taken mong the farmers of Norton in your present ssue, and we always make it a point to keep our word when possible, so bidding good bye o our warm-hearted friend, Captain Baxter we move on. The next farms we reach are those of Alfred Haves, Abraham Hayes and J. G. Hayes, who all have good hav farms, Their lands running down to the the bank of the Kennebeccasis as do those of all farmers whose places we noted in our previous jottings. The river is here spanned by a substantial bridge, erected at a cost of some \$8,000, being on the direct line of road leading to Bloomfield Station, and must from its central location be of great service and advantage to the farmers on the Norto side of the river, giving them easy access the I.C. Railway. This locality can boast of a first-class school house, possessing all the modern appurtenances, and is a good in dication of the position in which the educa tional interests of the County is held by its

inhabitants. A short distance farther on we notice the cottage of Mr. George Raymond. absolute repudiation ; but if they had passwho has not only erected this beautiful ed a resolution to that effect, they would dwelling during the present year, but has have found not a few who would have apbrought to it within the present month one plauded their action. One has only to keep the fair daughters of the City and County of St. John to preside as its Mistress. We heartily congratulate him on his good foring spirit seemed so strong, as to impress the tune, and offer our best wishes for their Chief Justice with the idea that his resolufuture prosperity. Friend Raymond is ention would be defeated, but his arguments titled to be classed among our best farmers. and those of the gentlemen who followed on and already has commenced many improvehis side, had their due effect. A hundred ments on his farm. A short distance farther and one reasons might be adduced to show on and we reach the homestead of our eswhy Fredericton should not pay the \$5.000. teemed friend J. B. S. Raymond, Esq. and why it is unreasonable and mean for St. have been here before and the grounds have John to insist on them being paid, but there a familiar look. Turning in the gate, a few is no getting over the original obligation : steps brings us to the dwelling, which is that must be met, though as Mr. E. L. Wetbeautifully situated, and nicely sheltered more says, " it takes the hair off." from the north winds by a clump of ever-
