P. E. I. Provincial.

The Prince Edward Island Provincial Ex-

hilition which was a bona fide agricultural

show, was held last week in Charlottetown.

The attendance was large, and in it there

were a number of representatives from Nova

Scotia and New Brunswick. Among the

notable visitors were Prof. Sheldon, the

and Mr. Sparrow an English farmer, delegate

Dominion from east to west, and are now

St. John, with members of the government.

A telegraph says of the Exhibition, that-

The three counties are in competition, and

he show on the whole is the best ever had

amongst the owners of horses, all the classes

under this head being pretty well filled.

The horses which recently gained so much

credit for the island were the centre of

attention, and were greatly admired. There

s no doubt that the selection made for the

Dominion Exhibition was the most judicious

that could be made. Some of the carriage

stallions shown were said by judges to be al-

most perfect in every point, and the carriage

illies, of which there were 32 entries, were,

as a whole, very fine, some of them being

perfect beauties. The island is justly proud

of its horses, and although there has been a
