all patent business promptly attended to.
INVENTIONS THAT HAVE BEEN RE-JECTED may still, in most cases, be patented by us. Being opposite the U.S. Patent Office, and engaged in Patent Business Exclusively, we can secure patents in less time than those who are remote from Washington and who must depend upon the mails in all transactions with the Patent Office. When inventors send model or sketch we make search in the Patent Office, and advise as to its patentability free of charge. Correspondence confidential, prices low, and no Charge unless Patent is obtained.
