NEW BOOK STORE. The subscribers feel thankful for the liberal patronage they have received since the opening of their Book Store, next door to Davis & Dibblee's Drug Store, and the public may rest assured that we will continue in the future, as in the past, to sell all kinds of Books, Stationery, &c., at

SCHOOL BOOKS. Our stock of School Books is large, and we assure you our prices will be found the lowest in the city; also Slates, Pencils, Ink, Rulers, Foolscap, and all the requirements of the School Room.

STATIONERY Our stock of Stationery is complete from the finest Note papers and Legal Caps down to the cheapest Foolscap at 7 cents per quire.

ENVELOPES. Beside the very large stock of Envelopes on hand, we have just received one hundred and forty thousand more at an immense reduction, and we will sell them at prices lower than ever offered before. Call and see them

BLANK BOOKS. On hand a large stock of Day Books, Journals, Ledgers, and Record books, which we will sell 50 per cent less than they can be made in the

We have also made arrangements to manufacture all kinds of Blank Books to order—any size—at about one half the price heretofore charged for same books, and warranted to give satisfaction.

McMurray Order your Music from MCMURRAY & FENETY. It is the Best and CHEAPEST renety.

CONSUMPTION

CAN BE CURED IS A FACT ATTESTED BY THE MICHEST MEDICAL

AUTHORITIES IN THE WORLD. A careful observance of the laws of health, and the systematic and persistent use of Scott's Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda will accomplish this resuit. This preparation has all the virtues of these two most valuable specifics, in a form perfectly palatable, and acceptable to the most delicate stomach, and we make the unqualified statement nat Scott's Emulsion is being used with better results, and endorsed and prescribed by more physicians for Consumption—and the diseases leading to it such as Chronic Coughs, Bronchitis.

Scrotula, Anameia, General Debility and the Wasting Disorders of children, than any other remedy known to medical science. The rapidity with which patients improve on this food medi-

SEE WHAT PHYSICIANS AND THE PEOPLE SAY ABOUT IT. Messrs. Scott & Bowne 1 66 West Thirty-sixth Street, New York, Sept. 2, 1876. GENTS-4 have frequently prescribed "Scott's Emulsion of Cod Liver Oil with Hypophosphites during the past year, and regard it as a valuable preparation in scrofulous and consumptive cases, Messrs. Scott & Bowne-Gentlemen-Within the fast year I have used in my own tamily, and in

my private practice prescribed very extensively Scott's Emulsion of Cod Liver Oil with Hypophosphites and found it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate stomach; which renders it a very reliable agent as a nutritive remedy in to the most dencate special cases.

consumptive and screenlous cases.

Yours respectfully, A. H. SAXTON, M. D., Baltimore Messrs, Scott & Bowne-Gentlemen-Within the last two months I have fairly tried Scott's

Emulsion of Cod Liver Oil with Hypophosphites, and I candidly declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the Lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly elegant and agreeable form.

Very truly,

J SIMONAUD, M. D. New Orleans, La. December 10th, 1878. Messrs, Scorr & BownE-Gentlemen-In September 1877, my health began to fail and my physician pronounced it spinal trouble; under his care I got some relief from pain but my general health did not improve, and early in the winter, I began to raise blood and rapidly grew worse in May last I was taken with a violent bleeding which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats, short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did no good. I lost all hope of life, and was an object of pity to all my friends. Last September I purchased a bottle of your EMULSION and before it was all taken I was better. I then bought a dozen bottles and have

taken all with the following result: Cough subsiding, night sweats stopped, appetite re urned, pains in spine disappeared, strength returning, and my weight increased from 118 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your EMULSION and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, what cured you, and I answer Scorr's EMULSION OF COD LIVER OIL, &c. I have a friend who has not spoke aloud for 15 months and he is getting better. I gave nim a bottle, and he bought two more then got a dozen and says it is food and medicine for him. He was given up to die a year ago; but he is improving now wonderfully. My recovery is exciting the surprise of many people, and I shall do all I can to make known your valuable medicine.

Jan. 20th 1879.

Very Puly yours,

H. F. SLOCUM, Lowell, Mass. Very truly yours, H. F. SLOCUM, Lowell, Mass

Messrs. Scott & Bowne LYNN, Randolph Co., Ind., July 2d, 1878. About the 15th of last April I got a bottle of your Emulsion and at that time I was so prostrated that no one who saw me thought I could live but a few days at most. I could retain nothing on that no one who saw me thought I could live but a few days at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the Emulsion in small doses; it was the first thing that would stay on my stomach; I continued its use, gradually increasing the dosc; and from that hour I commenced mending, and now am able to ride and walk and am gaining flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover. l am gratefully yours. R. W. HAMILTON M. D. For sale by all Druggists at \$1.00 per bottle.
