pleted, but the delay seems inexcusable.

worth, Ontario, by over 600 majority.

The Bay Pilot says, that manufacturers of monuments and all descriptions of carved and polished Granite work, last week exhibited at their works at St. George, a magnificent specimen of their art, in the form of a monument, made from designs furnished by The Fredericton Post Office was robbed Stephen C. Earls, architect, Boston, for W. Monday night of almost everything movable G. Rice, president and treasurer of the wire that it contained. A more thorough clearing works, Worcester, Mass. The design is out could scarcely have been made. It is Gothic, the four fronts stand relieved, the corne's recede, space being left in the dies and caps for the insertion of marble tablets, thousand letters were stolen. The registered letters happily were locked up in the safe, which was undisturbed, else the loss would the columns caps and bases are cut upon die blocks with a foliated design round the second base, also round the cap interspersed with Greek hieroglyphics, the whole sur-mounted by a double cross, the monument is five feet square at base, and stands fourteen feet high. The design is very chaste and the workmanship in every detail is of a high order of merit, the polish and finish being order.

Any person having found the same and returning it to the Office of the MARITIME FARMER will be liberally rewarded.

F'ton, April 28. menced the erection of a new Church.

Mr. R. M. Pinder, is again able to be out after his severe attack from Diphtheria.

The St. John papers are agitating to have the Grand Military Review in their city.

Messrs. Alex. and F. P. Thompson arrived home from their Western tour on Saturday night.

patched Tuesday morning was gone. The general delivery boxes were stripped of their contents, and a drawer containing some \$60 worth of stamps, postal cards, and stamped envelopes was plundered. Even a box of dead letters of emissing. The first announcement of the robbery was had when the officials, of which Mr. E. W. Vavasour was the earliest on the scene, arrived at 6 a. M. to make up the mails for the early trains. The patched Tuesday morning was gone. The
