Dr. E. F. CRANE,

A Wonderful American Clock.

nearly ten years of patient labour, has produced a clock which, not excepting that of daughter of Joseph A. Simpson, Esq. Rev. Mr. Evans is to preach the usual Anniversary Sunday School Sermons, and in the afternoon there will be Anniversary Exercises in the Sunday School.

Strasburg, is the most wonderful clock in the world. It is 18 feet high, 8 feet wide, 5 feet deep, and weighs 4,000 pounds. The frame-work is of black walnut, and elegantly carved. Washington sits beneath the marble dome The members of the Ladies Christian Temperance Union, and a large number of friends, held a pleasant gathering in their rooms last night. Supper was spread, and a programme of addresses and music made the evening pass very happily.

Council with unmistakeable majorities. The former gentlemen had reason to feel proud of the vote he polled on his first appearance before the electors of Fredericton, and on Monday his endorsement by St. Ann's Ward was none the less flattering, though he did not lead the poll as before, which is easily attributable to the canvass raised against him, that having disposed of his property in St. Ann's he would feel but little interest in his constituents.

Council with unmistakeable majorities. The former gentlemen had reason to feel proud of the child; the third is a man of middle life, while the fourth is a figure of an old grey-bearded man. All of these figures have bells, each with a tone in keeping with to tone in keeping with a tone in keepin the third quarter, and the hour closing with years. Deceased was the daughter of the late the mournful bell of the aged man. Death, Geo. Burt, of Douglas, York Co. represented by a carved skeleton just above the clock-face, then strikes the hour, at the same time a carved Cupid pops out on the other side, with wings to indicate that time flies. This is followed by sweet music, when Washington, rising from his chair, presents the Declaration of Independence, and a door on the right is opened by the servant, and each of the ex-Presidents, dressed in the costume of his time (including President THE sum of Five Dollars will be paid to any-Haves), files before the "Father of his Tone giving us information that will lead to Brayley House last Thursday evening, was a very successful affair. Among the guests were His Honor the Chief Justice, the Attorney-General, Messrs. Thompson and Colter M. P. P. a. Mr. F. I. W. D. P. Country," face him, and raise their hands, walk across the platform and pass out of sight at a door which is afterwards closed by the second servant. Washington takes his second servant. Washington takes his second servant. second servant. Washington takes his seat, and all is quiet again save the heavy tick of the wonderful time-keeper. Though such a clock shows a great deal of ingenuity, it is of little practical value. - American Agricul-

The Largest Crane in the World

The colossal crane at Woolwich has been upwards of four years in process of erection. To give some idea ot this stupendous piece of mechanism for lifting great weights, it may be stated that 1,800 tons of iron and 3 tons of brass have been used in its construction, and that when it is completed, as it soon will be, it will lift three or four 100-ten and has been formed for meeting the probaed to a sled, got clear of its hitchings in front of its owners store, and dashed down the sidewalk, Queen Street, at a break neck speed.

The sled when the animal reached Regent The sled when the animal reached Regent of the sidewalk and no coupled with his popularity, conspired to produce a result highly gratifying to him and crane is 70 feet, it can sweep round, making crane is 70 feet, it can sweep round, making street, and the horse turning the corner made for home with portions of the harness hanging to it. Strange to say, he escaped unining to it. Strange to say, he escaped uninour readers may fancy what a 200 or even a 300 ton gun would be like swinging in the
